Dear Brothers and Sisters,

True Mother's words to Cheon Il Guk Leaders April 2022: "We should be able to successfully carry out witnessing. Witnessing! We have to save the people... We must witness to lots of members. National restoration can only take place when there are many Cheon Il Guk Citizens. Living in a golden time that won't last long, shouldn't we joyfully attend and serve our Heavenly Parent? Do you agree or disagree? If you all agree, then I hope you all do your best. Hold on really hard so that miracles can happen."

As NYC we want to respond to Mother's heartfelt, desperate desire to realize more "Citizens of Cheon Il Guk." However, we know that giving birth to spiritual children is no easy task. But as the saying goes, it takes a village to raise a child; therefore, as a community, united in our witnessing spirit, we want to offer these three weeks as of substantial training and orientation to witnessing! Let's do this!

Date/Time:

- After Service... 11:30 - 2:00 PM
- May 15th, 22nd, & 29th

For all who register, we highly encourage that you adjust your schedules to free up your Sundays so you can attend all 3 weeks!

This is also a District wide effort, so we encourage all our brothers and sisters of NY to participate in this wonderful campaign!

We hope to see many of you there! Thank you and God Bless!

Sincerely,
