# Support the Original Song Project 2022

Sunhwa Reiner is organizing this fundraiser.

We are excited to announce the launch of the Original Song Project. It is a week-long immersion program targeting young adult Unificationist musicians ages 18-40 interested in songwriting, located in the heart of Manhattan. Our mission is to create an artistic, constructive, and supportive space for young adults, to inspire the writing and sharing of original songs. At the conclusion of the workshop, the goal is to have every participant compose at least one full original song, presented at an open concert for family and friends.

In order to make this workshop accessible to young adults and keep the costs down to a minimum, while creating a rich experience in New York City, we need to raise funds! Any support is greatly appreciated and will go directly towards creating an experience that empowers young songwriters, and the creation of songs.

We want to provide scholarships for those who need to travel to New York City or cannot cover the full workshop fee (\$550 per person for 1 week in New York City). Your donations will go towards financial help to those who are passionate about songwriting but need support.

Your donations will go to covering the costs of:

- participant scholarships
- lodging
- food
- travel expenses
- concert fees (staff, hall rental, A/V equipment)
- New York City experiences, such as music concerts and touring
- recording fees at Manhattan Center Studios
- core staff costs
- seminars with professional songwriters
- any additional funds will go to future workshops

Thank you SO much for your support of the arts. No matter how small your donation is, we are so grateful. All our donors and sponsors will be receiving:

- an invite to our original song concert
- a full report after the workshop is over
- samples and recordings of the original songs we create during this workshop

Thank you!
