

THE PLEDGE OF M.F.T. (Great Lakes Region)

1. I, as a member of M.F.T., shall make effort consistently to accomplish Father's Will, my mission and portion of responsibility.
2. In order to do that, as an individual, I must be able to lead many who are supposed to follow me, dominating my body by my mind. And as a whole, we must restore everything our True Father needs now (people, creation, sovereignty and nation). I shall accomplish these purposes.
3. I shall greatly appreciate and comprehend God's Love in deep prayer that He set me in the best position and way through which I can remove my faults and develop my merits and finish paying indemnity for myself and for my ancestors so that I can grow as a leader. In order to respond to the motive of God's Heart, I shall achieve my mission, learning hard leadership and God's Love from my central person in his viewpoint.
I shall pray, think and act for the victory of the whole as well as reaching my own goal.

Carrying out these duties and missions, I shall pledge to fight to fulfill His Will to build the Kingdom of God.
