### **Let Us Become True Owners of Cheon Il Guk who Practice True Love in Resemblance to Our Creator, the Heavenly Parent**

Dear,

Please continue to care for your health, both spiritual and physical. In times of difficulty we need to work harder than ever to make sure we are taking in the right nutrients and keeping out unhealthy influences.

There is lots of spiritual food available to you, please take advantage of it and you can still support God's Providence during lockdown. One such way will be to sign up for the upcoming ACLC Convocation on November 5-6. You can sign up at [ACLC.info](http://ACLC.info)

Please invite your clergy and other friends. Don't judge for them whether or not they can attend, just invite them and give them a chance.

Thank you to all who supported the Women's Federation Schools of Africa events last week. It was wonderful to see so many people at the drive through desert fundraiser in the parking lot.

Brothers and sisters, I especially want to thank you for your tithing during this pandemic time. Our church members are really the best. Your faithful giving surely moved heaven and heavenly fortune. My deepest gratitude to you all.

At this time True Mother is asking that we all redouble our efforts to fulfill our Tribal Messiah work and make sure that everyone is able to register in CheonBo and have their incredible efforts are recorded for all future descendants to see. Also please involve yourself in at least one of the major providential organizations which True Mother is invested in -- ACLC, WFWP, UPF, CARP, etc. This is where we make an impact in society and move the world toward True Parents point of view.

Blessings
