Dear Brothers and Sisters,

I hope you had a wonderful Thanksgiving!

The YSP S!NERGY has officially launched! The webpage is published and we are ready to start receiving submissions.

It was decided we will only have 1 S!NERGY competition representing USA as a nation. The top winner will compete against Canada's top winner for the North America Regional competition which will be held tentatively in January 2021

Please share the flyers I have attached for both S!NERGY and the Youth Heroes' Award (in pdf and png form) . The Youth Heroes' Award is an IAYSP award given to 2 young people of several different nations to recognize them for their positive impact for the sake of sustainable peace and must be nominated. Both S!NERGY and the award is for ANY young person between age 13-39 so let your friends and network outside of FFWPU know about it.

Deadline for both presentation submissions and nominations for the award is Dec. 19, 2020, with the online S!NERGY event happening on December 26, 2020 Saturday. The awardee for the Youth Heroes' Award will be recognized on Dec. 26 during the S!NERGY event and a medal and certificate will be mailed to them.

The prize grants for S!NERGY are still being discussed and we will have those details soon. All other details are on the webpages on the YSP USA website.
