

True Mother will hold a USA National Sunday Service by the end of February

Dear,

Greetings. We are expecting that True Mother will virtually visit America by the end of February to hold a National Sunday Service (or it could be regional). Let us continue to pray for True Mother's health and safety. Next week on February 17th is True Parents birthday. We should make a family offering for our True Parents to show our love and appreciation to them. An official letter suggesting so will come soon.

Next Wednesday we will have the first training for Online Holy Community Leaders. If you haven't already done so, please sign up the application right away. This training is only for those who have signed up.

Please consider adopting a city. To adopt the city means to give God a foothold in that city. If you pray for the mayor and the leadership of that city then God can work. Having a Blessed Central Family as a representative allows God to work. Father taught us this by insisting that we have a representative in every state of America. Please let me know which city you will adopt and pray for.

Thank you.

God Bless

Pastor Kevin Thompson
