

Church is open. When you are comfortable, come back to our local church

Dear,

I am sitting in East Garden remembering True Father. His spirit and love is very strong in this place. The East Garden staff is very small these days and yet they do a great job of lovingly taking care of this holy place.

I am attending the Pastors Summit of Sub Region 1. I gave lecture yesterday and it is very different these days. Now the clergy who are with us can go much deeper. Reading Father's Christianity In Crisis brought a Holy Spirit experience. So many clergy across the country have been deeply moved by the prophetic message given all those years ago and yet could have been given last week.

As we move toward June 5th when we welcome True Mother back to America with our online event, I want to sincerely thank you for your hard work to register your family and friends for this event. I hope you can continue to reach out and invite as many people as possible. As you know, this is a short and powerful program which will introduce True Mother and the Blessing.

Church is open. As soon as you are comfortable we welcome you back to our local community. I know that we have a lot of spiritual food available through zoom. However, the local community offers the opportunity for congregational singing and local fellowship. Our doors are open and we welcome you home.

Blessings
