I am writing to you from Butte, Montana. Dr. Yong is on state 47 of his 50 state Holy Ground tour. He is retracing Father's footsteps from 1965 to inherit Father's foundation. It is quite an experience to meet our members in each state, hear what they are doing, and share time and stories together.

Morning Devotion is Dr. Yong's daily task, now at 4:00 am and he makes tremendous effort to prepare well each day. He makes his own PowerPoint as we travel from place to place.

Today is the 62nd True Children's Day and the 34th Foundation Day for the Unified Nation of Heaven and Earth, celebrated together on November 5, the official date of the 62nd True Children's Day.

God bless Pastor
