Greetings to all Southern California families,

We pray that you are healthy and growing in your faith.

At a meeting with Dr. Yong and President Ushiroda last week we agreed that we will focus on the following metrics.

### **New Members**

Member and Guest engagements. This includes Sunday Service and every other way that we are involved in our community. That means every type of gathering we participate in. Please report to Shoko san EVERY meeting and engagement. [Email: [familychurchla@gmail.com](mailto:familychurchla@gmail.com)]

### **Singles Preparation for the Blessing**

### **Tithing and other incomes**

### **Leadership Development**

This week HQ will begin the 2nd [ACCELERATE program](#) for teaching skills to church workers.

Please stay informed and up to date on all that is on offer from HQ, Sub Region 5, and your local community.

On March 25th Dr. Yong will speak in Pasadena House to a gathering of UPF and ACLC guests.

On Feb 25th we will have a Seonghwa service for our beloved brother Rev Juan Morales at LAFC. Let's celebrate one of God's champions.

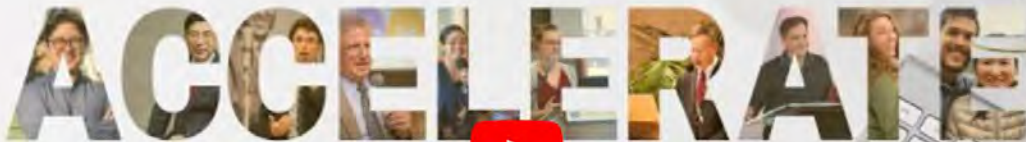

God Bless,

Kevin and Masako Thompson
