Pat Detlefsen

Dear brothers and sisters,

Last week we had a wonderful Seunghwa for our sister Pat Detlefsen with very deep testimonies from many people who she had helped over the years. It reminds us all that the purpose of life is to learn to live by Living For the Sake of Others. It was heartwarming to see the fruits of someone's life through Pat's children and grandchildren and also the legacy of someone's life work.

Of course, we don't want any more Seunghwas for a while so please do take care of your health and let's pray for the ill and infirm amongst us. 2 that spring to mind are Neville Labrooy who is recovering from his triple bypass surgery and Jun Wema who had an accident while in an overseas adventure.

We now have CheonShimWon prayer halls in Honolulu, Hawaii and LA Family Church with more to come soon. True Mother has emphasized that this is a new era and, centered on the prayer halls, God can answer prayers like never before. One thing we can all pray for is that God will show us the way to breakthrough in bringing massive witnessing results. We can also pray and find intimate guidance for our own personal and family issues.

I know that there are many questions still to be answered about our church structure and also the way we will March forward now. Those will be answered soon and everything will become

clear. Until then, have faith that God is in charge and True Mother is at the helm.

God Bless,

Kevin and Masako Thompson
