Brothers and sisters,

September 1st is True Father's Seunghwa anniversary. We had a pledge service live on ipeaceTV today. I hope that each of our churches can have a celebration of this occasion. Today we received a video from IHQ which I hope you can see it at church on Sunday.

This month is a busy time. The Great Works starts tomorrow Sept 1-2-3. The Rebirth Workshop will be at BAFC on Sept 15-16-17. The Awakening workshop with Mrs. Kim from Korea will be in Las Vegas Sept 27-28-29. (Registration coming soon)

On August 27th, Seattle Family Church Cheon Shim Won opened with Dr Kim officiating. On Sept 10th Kona, Hawaii will open their Cheon Shim Won. I know that other churches are working toward opening their Cheon Shim Won too.

Let's keep in mind that True Mother's direction is to witness, witness, witness. Please work together with your Pastor and witnessing leaders to coordinate witnessing and education. It will be great if there is an ongoing evening program and/or workshop.

Please pray often. Connect to a CheonShimWon at least by zoom each morning and make the devotion to move America forward.

God Bless,

Kevin and Masako Thompson
