Brothers and sisters,

Happy True Children's Day.

I hope you can celebrate this historic day established by True Parents to comfort God in 1960.

We come to the end of our 3rd 21-day witnessing campaign. As of today we have 425 new members across America. Many thousands have encountered our members and heard about Peace Starts With Me and the Mother of Peace. If we keep this up between now and April 2025 I am confident that we can bring the 1,000 new members we pledged to True Mother.

We are also determined to bring a substantial offering of \$10 million dollars to support the opening of the Cheon Won Gung. So far we have raised \$3 million. More important than the actual amount raised is that every family get the chance to make some offering to support True Mother. Please pray about this and see how your family can make an extra offering to support this incredible endeavor by True Mother to build the Final Temple and to give God a dwelling place on earth.

God Bless,

Kevin and Masako Thompson
