# WEST REGION FAMILY *NEWSLETTER*

Brothers and sisters,

We are into the final 40 days of preparation before the entrance to Cheon Won Gung.

Mother is asking that we make the best effort to cleanse ourselves to be pure water and make the best offering to be ready for this historic moment in time. Prayers, witnessing, financial dedications are all part of the offering we can make.

I invite you to participate in the evening prayer vigil from 10:00 pm - 1:00 am (link and details about 40 days scroll to view). Try to come at least once a week to be part of this condition. There was quite a spirit created this week.

In a 30 hour period we collected signatures for the petition against religious persecution in Japan.

It really was an All Hands on Deck effort (how many e-mails did you get?) with people going on the streets and campus and contacting everyone they knew.

For myself, I was in Times Square, New York in rush hour. It created quite a buzz and I was particularly impressed with the spirit of our members to jump in and get involved.

In the end we had over 44,000 signatures worldwide and over 20,000 from America to hand to the White House.

God Bless,

Kevin and Masako Thompson
