WEST REGION FAMILY NEWSLETTER

Dear Leaders,

We hope that you are doing well as we get closer and closer to the historic Entrance Ceremony into the Cheon Won Gung Cheon Il Sanctum on April 13!

This is the final phase of our three Campaigns to bring substantial offerings from America to True Mother as the restored Elder Son Nation (1,000 new members, 1,000 Blessing attendees, \$10M Cheon Won Gung donations).

We are especially grateful that, with Heaven's help, 938 new members have joined our local communities since January 2024. That's 62 new members to go in reaching the 1,000 goal and we're excited to work with all of you in bringing the victory!

4-Week New Member Challenge!

During the final four weeks to April 13, let's make an incredible investment in bringing new members throughout America as follows:

1. **Associates.** People that you already have a personal relationship with for a long time (family members, friends, co-workers, organizational contacts, etc.) who can take the next step in their involvement with your community.
2. **New Members bringing other New Members.** Those who have recently joined your community and are excited about being there are the greatest advocates to bring their families and friends to join them! Encourage your new members accordingly.
3. **Other New Contacts.** Continue to make new relationships, bring them to your programs and offer them membership as well.
4. **Distant Members.** Families and individuals who have been inactive for a long time and are attending the Special Grace Ceremony. Welcome them and ask that they make a new commitment in renewing their membership.

This is a Google link to the [2024 FFWPU USA New Member Form Template](#). It should be copied and updated with your community name for your use. It's important to offer new membership to those who have a basic understanding of your community and have the desire to actively participate.

Thank you for your great leadership and cooperation!
