WEST REGION FAMILY NEWSLETTER

Brothers and sisters,

I have just returned from Las Vegas where we had an exciting summit to launch QUEST 2027 where we are committing to fulfilling True Father's desire that we will have 30,000 members by April 2027.

As you know Father asked in the 1970's that we accomplish this goal as a condition to protect god's Providence and to protect the True Family.

Our membership has fluctuated over the years.

We are committed to this goal so that the unfulfilled condition is removed and so that our True Parents can be recognized in this country.

We want to make a new, fresh start and create the church we have always wanted, a place which is modeled after what True Mother is creating in Korea.

A place for spiritual renewal as well as physical enjoyment and wonderful family time.

I hope that you can recommit and join us in creating this kind of heavenly environment.

God Bless,

Kevin and Masako Thompson
