WEST REGION FAMILY NEWSLETTER

Brothers and sisters,

I hope you are enjoying spectacular weather wherever you are.

25 clergy from America plus those from Europe and South America joined with clergy from Korea in Seoul to show worldwide support for Holy Mother Han in the face of religious persecution by the Korean government. We look forward to hearing of their exploits when they return.

We mourn the sudden passing of Natalie Loew in Seattle at such a young age and our prayers and support are extended to the Loew family.

God Bless,

Kevin and Masako Thompson
