# **WEST REGION FAMILY NEWSLETTER**

Dear brothers and sisters,

Thank God that True Mother has been given a temporary reprieve to be able to get some medical attention that she needs. We still pray for her permanent release but are grateful for this temporary relief.

This weekend my wife and I are in Las Vegas for the great Works and then we will go to Seattle and the surrounding area to accompany President Dunkley and Mrs. Dunkley on their HIGHER Ground tour. After going to Vancouver, Canada they will fly to Korea for the upcoming True Parents birthday celebration. They will resume their tour after Korea which means the scheduled visits to Portland, Bay Area and Sacramento will be rescheduled for a later date.

God Bless,
