WEST REGION FAMILY NEWSLETTER

Dear brothers & sisters,

My wife and I are in San Diego and LA this weekend with President Dunkley.

His Higher Ground Sunday Service will be broadcast live from LAFC on Sunday.

While True Mother and our church are under severe attack, including from her own children, let us double down on our faith and recommit to the ideals for which we have given our blood, sweat and tears.

I have seen the end of the book and God wins.

This simply tells us that we are not at the end yet.

God Bless,

Kevin & Masako Thompson
