WEST REGION FAMILY NEWSLETTER

Dear brothers and sisters,

Congratulations to our brothers and sisters, mostly on the East Coast for the successful rally outside the Japanese embassy to bring awareness (especially while PM Takaishi is in Washington DC) of the disgraceful actions of the Japanese government towards our church.

It was a plea for HELP with the situation.

President Dunkley visited the western last week, speaking in San Diego and Los Angeles.

Thank you to our leaders for receiving him.

Next up is Colorado and Utah next week.

God Bless,

Kevin and Masako Thompson
