WEST REGION FAMILY NEWSLETTER

Dear brothers and sisters,

I hope you have a wonderful Memorial Day weekend.

Memorial day is the day we honor those who have died in military service.

Let us pray for the day when nobody ever again has to die in military service.

Memorial day is the unofficial beginning of summer.

I'm sure there will be many summer activities and travel for many of us.

As we go about our business, let us keep in mind.

The terrible saga still going on surrounding our beloved True Mother.

We are still praying for and belonging for her release from detention and vindication.

God Bless,

Kevin and Masako Thompson
