Dear brothers and sisters,

The good news is that True Mother will stay in hospital through June. The bad news is that True Mother still needs hospitalization. It is only good news in comparison to the alternative of being in the detention center.

My understanding is that June 12th is a major date in terms of resolving this court case one way or another. Let's pray for a great outcome.

Last week President Demian Dunkley gave a powerful message in Las Vegas and he has asked that every member watch this message: [www.youtube.com/watch?v=vZ-RuStCOto and t=5s](http://www.youtube.com/watch?v=vZ-RuStCOto&t=5s)

Next week is One Heart Camp. We also have a camp in Seattle as well as Ocean Challenge coming soon. Please pray for safe travels and a powerful heavenly experience for all participants.

God Bless,
