

38th Year of One Heart Camp of Middle and High School Students

Kevin Thompson

June 12, 2026

Dear brothers and sisters,

I just returned from One Heart Camp where, for the 38th year we have been able to give our middle and high school young people a deep experience of meeting God, learning the teachings of True Parents and connecting to their friends of faith.

We are awaiting news on Mother's case from Korea and praying for a great outcome.

I recommend the movie PRESSURE, which is the story of decision making around D-Day during World War II.

President Dunkley is making plans to visit the churches which he hasn't had a chance to visit yet in our west region on the Higher Ground tour. The first would be July 12 at BAFC.

God Bless,

Kevin and Masako Thompson
