Blessings to all...

Two things I'd like to bring to your attention that are interrelated:

- First is that services at Newfoundland Sanctuary Church are being broadcast live.
- Secondly, the *Declaration of the Constitution of the United States of Cheon Il Guk* is being held on October 11th.

These are related because if you want to watch the historic service on October 11th, I recommend that you try watching this Sunday's service live. More information about both are below.

Have a great week!

Pastor Hyung Jin Moon's Live Broadcasts of Sunday Service Available

Sanctuary-PA has established a YouTube account where you can view Sunday services live. This means you can join the congregation in worshipping with Hyung Jin Nim wherever you are.

You can get to the link by going to Sanctuary-NorCal.org and clicking on the "Live Sunday Service Worship!" button.

The folks at the HQ church have been working to get this to work correctly. I haven't tested it yet. So I recommend that if you want to see the Declaration live on the 11th, that you test the service this weekend. And in doing so, you will have the added benefit of worshipping with Hyung Jin Nim.

(Note that the service starts at 11am NYC time. So for those of us on the west coast, that is 8am. Others will have to figure the time out difference.)

Notice from Sanctuary-NorCal...
