Dear Brothers and Sisters,

This is a friendly reminder that **Accelerate 2.0 begins in just 3 days**, with the first workshop launching on **Saturday, February 14**.

If you've been considering whether this program is for you, we want to encourage you not to let this opportunity pass by.

Many of us carry a desire to do more—for our families, our communities, and God's providence—but feel unsure where to start, or how to move forward with confidence. **Accelerate 2.0 was created for this exact moment.**

This 10-week program walks with you step by step—helping you clarify your calling, overcome internal blocks, and take real action by planning and hosting an actual gathering or event.

Why consider Accelerate 2.0 now?

Many of us feel called to do more—but aren't sure where to start or how to move forward alone.

- You don't need to have everything figured out
- You don't need prior leadership experience
- You don't have to walk this journey alone

Through **workshops, group coaching, and personal one-on-one support**, participants gain clarity, confidence, and momentum—starting small and building steadily.

Scholarships & Discounts Available

We especially want to emphasize that **financial support is available**:

- **50% off** for NE Supporters (individuals consistently giving directly to NE region)
- **\$150 off** for Family Group Host Training graduates
- **Local sponsorships** may also be available through your pastor

Please don't let finances be the reason you hold back from taking this step.

Program Starts This Saturday

 **February 14 – April 18, 2026**

 **Watch the 2-Minute Promo Video**

If you feel even a small calling to grow, lead, or move closer to the vision God has placed in your heart, we encourage you to take this first step to activate that calling.

Let's move forward together—**starting small, starting now.**
