UP Points Update

Our summer goal is to reach **21,000** UP points and we are well on our way! Chapters can redeem their points for discounts at Global Momentum, merchandise, and training materials. This is a great way for students to invest in themselves over and over again.

We need your help! [Sponsor 1 UP point = \\$1](#) donation to give these students the opportunity to learn, grow, and become global citizens.

Ten educators from a span of experiences, ages, and involvement

It felt powerful to unite together to come to a common understanding of the direction CARP is going and the message we want to give to our students...the past and the present came together to inherit what has already been created. It's good to know we don't have to re-invent the wheel."
