REV. REINER VINCENZ

1/9/1939 — 12/18/2015

Rev. Reiner Vincenz was born in Leipzig, soon to become communist East Germany. At 17, he escaped to West Germany, where the late Peter Koch introduced him to the Divine Principle and True Parents in August 1964; Reiner was the first person to join the Unification Church in Europe. After welcoming True Father to Europe in 1965, he became the first missionary to France in 1966, where he quickly witnessed to 120 people and established seven churches.

Reiner and Barbara were blessed in the 43-Couple Blessing in 1969. In 1973 they led 100 French Unificationists to the United States in support of the Day of Hope speaking tour. In 1974 they took the International One World Crusade (IOWC) to Japan and Korea, and in 1975 helped organize the Yoido Rally of 1.2 million in Seoul, Korea. After campaigning for the 1976 Yankee Stadium and Washington Monument rallies, and leading a team of 175 restoring the New Yorker Hotel, Reiner returned to Germany as the national leader of the Unification Church, and led an 18 month evangelical campaign in the United Kingdom. True Father also trusted him with the development of a machine tool company in Germany. True Father asked Reiner to return to the United States in 1983, where he served in many states, including Illinois, Minnesota, and Washington. In 1988 he became True Parents' ambassador to ten South American nations, headquartered in Montevideo, Uruguay. In the latter years of his life he worked in business and large-scale fundraising efforts to support world missions.

One of our most respected and beloved Unification Church elders, Reiner always inspired us with his personal motto, "Marching On!" Our prayers today are with him, with wife Barbara, daughter Leena, son-in-law Jario (Gavin), and granddaughter Mirelle. We give thanks to our Heavenly Parent for a life that was always a living testament to a beautiful relationship with God and True Parents.

Eternal life does not refer only to an eternal existence in the spirit world. It means living for eternity in the bosom of God's love. God created each individual to live with Him in a relationship of lover and beloved, and the partner of God's love.
