Billings City Council member Mike Yakawich speaks at the Forum for American Renewal at the Crowne Plaza on Saturday. Alongside Yakawich, left to right, are the Revs. Melvin Terry and Glenn Fournier.

Dear Friends:

We had a very successful forum. Thank you all for your great support.

Just a brief report. 77 people attended. We had 11 elected (current and past) officials, 15 non profits (including many Directors), a number of interfaith, business and youth leadership (MSU-B & RMC). We had personal videos from our MT US Senators and letters from our US Congressman, Gov. and Mayor Hanel.

Great Sponsors! First Interstate Bank, SafeMontana, Black Heritage Foundation, JR Repair, Crowne Plaza Hotel, All Nations Christian Fellowship Church, Rocky Mountain Tribal Leaders Council, World of Life Church, Community Leadership and Development Inc, Dr. Fredricka Giljie, Perfectos Cleaning, and Wal-Mart.

The Billings Gazette gave great coverage: http://billingsgazette.com/news/local/community-leaders-come-together-at-billings-forum/article_e0ad3bd5-9306-5a60-a644-6c51a700ffd1.html

We are looking at some follow up plans and hope to do this again next year.
