"Riches From The Sea" - Community Fishing Trip

On Sunday 29th May, we hired two boats from Swansea Marina: Blue Thunder and Anna Marie. We were fully booked with 20 people - 10 on each boat. This community fishing trip was a follow-up event from Youth and Student For Peace's 'Clean Water Conference'.

In fact, the community fishing trip coincided with the weekend celebrations for the Holy Day 'Day of All True Things'. What a beautiful way to appreciate nature's beauty and the bountiful seas that God has gifted to us. It is truly special to think that God created all that we see around us and gave it to us to enjoy. Both boats enjoyed riches from the sea from dogfish to a wide variety of ray.

If you feel inspired by YSP's projects and want to contribute, please don't hesitate to contact me at wales@ffwpu.org.uk
