side/Mother's side ancestors and GMF/GMM. (This is the condition for 2-day workshop participation.)

3) After conducting the ancestor liberation for generations from 1~7, if the person (your parent or grandfather or grandmother), who is included in generations 1~7 passes away, you must attend a 2-day workshop after writing the name and the relationship with you, as a **“Person who passes away after liberation,”** and offer a donation of gratitude, and then attend the ancestor liberation ceremony. Other than this, you must register them as collateral liberation.

4) The donation for the collateral liberation varies with the nationality of the spirit which is to be liberated. Please refer to the attachment file for the group standard.

5) When you apply for the collateral liberation, please fill in the marital status of the spirit (married/unmarried).

6) If liberated spirits through the collateral liberation are married, there is no need to register the collaterals for an ancestor blessing ceremony. They will receive the blessing automatically when you bless your ancestors at the Ancestor Blessing Ceremony, and those spirits who were liberated through a collateral liberation, and who have passed 100 days after being liberated, will receive blessing at this time. But, **for those spirits who were liberated through a collateral liberation, as unmarried 1st generation, you need to apply for their blessing when there is a “Blessing Ceremony for the Spirits of Unmarried 1st Generation Members.”**

7) When you attend an ancestor liberation ceremony as a representative for someone else, a registration fee for yourself and for the person whom you are representing, is required.

8) You can participate in the ancestor blessing ceremony after a 100-day period of time (100 days from the day of the liberation) has passed, after having attended the ancestor liberation ceremony.

3. Ancestor Blessing Ceremony (Generations 1-210) Schedule Information

1) Ancestor Blessing Ceremonies for generations 1-210 began from October, 2011 and will be held once a month. Those ancestors, who have passed 100 days from the day when they were liberated, and for which the liberation donation has been fully offered, can receive the ancestor blessing. There is an ancestor blessing ceremony on the third weekend of every month, and when their descendants attend an Ancestor Blessing Ceremony, they can receive the ancestor blessing (Schedule is subject to change).

2) Starting from July, 2002 ancestors who have become Absolute Good Spirits through the blessing come to separate spirits from their descendants during the Chanyang Yeoksa of the Ancestor Liberation Ceremonies. (Angels work with members who have not blessed their ancestors.)

3) Ancestors who became Absolute Good Spirits will be sent to their home automatically by Heung Jin Nim and Dae Mo Nim 40 days after the ancestor blessing ceremony. It is appropriate to conduct a simple welcome home service.

This is offered once for the F and includes all four lineages (F, M, GMF, and GMM). However, if the four lineages are blessed at separate times, a blessing donation of gratitude (same amount offered for generations 8 and above) is made each time you register. It is possible to offer the blessing donation in installments, and to begin blessing generations 8 and above before full payment is completed.

6) The Blessing donation of gratitude for generations 8 and above is offered per group of 7 generations. It includes all four lineages (F, M, GMF, GMM) if you are blessing them all at once, and is offered again each time you register to bless lineages in a particular generational group.

4. Ancestor Liberation and Blessing Ceremonies for generations after the 210th generation

1) Any member who completed the F's side, M's side, GMF's side or GMM's side (any one of the four) ancestor blessing ceremony up to and including the 210th generation, will receive the grace from Heung Jin Nim and Dae Mo Nim of the liberation of their ancestors from the 211th and continuing until the 420th generation. (There is no required liberation donation for this grace. If you conduct the ancestor blessing ceremony for generations 204-210, Heung Jin Nim and Dae Mo Nim will do the ancestor liberation ceremony for the next 7 generations, 211-217. If you conduct the ancestor blessing ceremony for generations 211-217 like this manner, the registration of the ancestor liberation ceremony for the next generations, 218-224, will be done automatically.) From January until May, 2013, the ancestor liberation ceremony for generations 232-238 will be conducted.

2) From January until May, 2013, the ancestor blessing ceremony for generations 225-231 are being conducted for 5 months. **Eligible participants are all those members whose ancestors have been liberated, and for which 100 days have passed.**

3) Other preparations for the ancestor blessing ceremony are the same as with the ancestor blessing ceremony for generations 1-210.
