Re. : Providential Nations of the 2020 Project

May the blessings and love of the Heavenly Parent and True Parents be with all regions and mission nations.

Under the 2020 Project, the True Parents of Heaven, Earth and Humankind selected 23 strategic nations and sent Cheon Il Guk Special Envoys to these nations with the hopes that the entire earth, beginning from the homeland of the Heavenly Parent, can be recreated into the Garden of Eden in its original state at that time of creation.

This is to announce the twenty providential nations in leading the providence of the Heavenly Parent. May the members in all these nations invest themselves completely with life-or- death resolution for the restoration of their nations and in creating a world of a culture of heart that substantiates Cheon Il Guk.
