### 1. Major Events in 2014

There will be two major events in 2014: The 1st anniversary of Foundation Day in February and 2nd anniversary of True Father's Seonghwa in August.

The 1st anniversary of Foundation Day will be held as a festival to celebrate the culture of heart and affirm the vision of Cheon Il Guk. The purpose of the events is to build solidarity and reaffirm our identity as citizens of Cheon Il Guk, and strengthen our global network as we move towards building one family under God.

The 2nd anniversary of True Father's Seonghwa will be commemorated as a peace festival for all humankind. The purpose of this commemoration will be to provide a venue to allow people to appreciate and pay tribute to the life and accomplishments of our True Parents. The anniversary this year will also focus on highlighting the fruits of True Parents' providential initiatives in North and South America. An international conference and World Summit is also being prepared at this time.
