The LA Family Church celebrated the 49th True Heavenly Parent's Day at the local theater where they gather for worship service on Sunday morning. Over 380 people gathered there with a beautiful offering table with diverse fruits and flowers. Each family took a picture with the offering in the background. During the celebration, Rev. Youngtack Yang gave a special Holy Day sermon called, "Beginning is Halfway Done." Then they enjoyed an entertainment program with international foods such as Korean rice cakes, burritos, and fruits.
