Re. : Worldwide Pastors' Special Activity to Establish 43 Couples as Members

May Heavenly Parent and True Parents' blessings and love be with you all.

On November 11, 2020 (9.26 by the heavenly calendar), at the Special Meeting of Korean Pastors held in Cheonseong Wanglim Palace, HJ Cheonbo Heaven and Earth Training Center, True Mother addressed all pastors of Heavenly Korea, and said that they must yield substantial results through the establishment of 43 couples as members. In response to True Mother's heavenly calling, pastors of Heavenly Korea began a 100-day course of activity. During this course, all pastors convened twice for an interim evaluation. On February 19, 2021 (1.8 by the heavenly calendar), pastors once more convened for the 4th Special Meeting for Korean Pastors Hosted by True Parents, and concluded the 100-day period.

True Mother's call to establish 43 couples as members goes beyond just church growth and laying a foundation for national restoration in the era of the firm establishment of Cheon Il Guk. It also contains the fundamental meaning of attaining the ultimate goal of spiritual growth and the perfection of true love through the training of the heart.

Accordingly, all pastors (church leaders) worldwide are asked to conduct this "Worldwide Pastors' Special Activity to Establish 43 Couples as Members" as a way to move beyond a heavenly unified Korea and establish a substantial foundation for the realization of a heavenly unified world. We sincerely hope that all church leaders in the regions and nations can be victorious in bringing 43 couples to become members and thereby set an example in front of all blessed families.
