The Cheon Il Guk Kyeongbae Celebration to commemorate the 10th anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth, and Humankind, was held attending True Parents at 7 a.m. at HJ Garden Hall.

Domestic and foreign guests, heads of organizations and companies, pastors from all over Korea, and elder members participated both physically and online.

The Kyeongbae Ceremony was directed by Cho Sung-tae, senior International Headquarters General Affairs director. The event began with Moon Yeon-ah and Julia Moon, the representatives of Moon Hyo Jin Nim's family and Moon Heung Jin Nim's family, entering the hall and lighting the holy candles.

A prayer followed this by Director Yoon Young-ho of International Headquarters, who said, "Already ten years have passed. There is no place in this cosmos where we cannot feel your breath, Father, and there is no place where your tears and sweat haven't soaked. With each footstep we take, wherever we go, we live

breathing your love and shimjeong as if it was air. We can still see your image, Father, until the end you cried out the words, 'May our Homeland Shine! We pray that you guide us so that with a life-or-death determination, with total investment, we can take action!' It is our prayer and desire. Since True Father's Holy Ascension, we will also move forward and advance with the same unchanging heart to the end, with the same heart of life, death, and martyrdom that True Mother has shown us. Attending True Mother, we will overcome all trials and difficulties, be victorious on the 60-month course, and establish a heavenly unified world."

Jeong Wonju, chief of staff of True Mother's Secretariat, read the "Letter from the True Mother to the True Father: The Gift for Father."

Bang Sang-il, regional group president of Heavenly Japan, said, "I love you, Father. I miss you, Father. I really miss you, Father. For the past ten years, True Mother has led us by moving forward with life-or-death determination and total investment. She never stopped. And she has been victorious in everything.

Now, becoming like True Mother, we will all head for Cheon Il Guk by continuously moving forward with life-or-death determination and total investment. We will surely be victorious!." With those words, he gave the cheers of Eok-mansei.
