Chart 1: The Unfolding Manifestation of God's Word in the Creation of the Universe and the Providence of Restoration

- Why do We and the Messiah need a foundation (different reasons)

- Man need to restore his original value to a level where he/she can connect/reach the Messiah
- The Messiah needs physical + spiritual protection in an evil satanic world

Summary: Foundation means

1. Mans connecting point to the Messiah
2. The protection area for the Messiah

Providience of restoration

- The providience of restoration refers to God's work to restore human beings to our original, unfallen state so that we may fulfill the purpose of creation (p. 175).

- Human beings fell from the top of the growth stage and have been held under Satan's dominion.

- To restore human beings, God works to cut off Satan's influence. For this, we must have the original sin removed.

① Course to separate Satan

● Hence, we, fallen people,

① First need to go through a course to separate Satan from ourselves. We do this in order to restore ourselves in form to the spiritual level which Adam and Eve had reached before the Fall – the top of the growth stage.

Why do we need to separate from Satan?

It is because we need to fulfill the original portion of responsibility and build the foundation for a free environment.

Then, Satan cannot accuse us and we will come to stand upon a base where Satan cannot have any relationship with us.

Only when we save Cain is Satan liberated.

If we cannot restore Cain, we cannot be rid of Satan.

/SMM

How to separate from satan:

Pure sexual life, Prayer, Witnessing, Fasting, Tithing, HonDokHae...

Live for others! – Serve Cain with love and compassion ☺

- ② Receive the Messiah and be reborn
- ① Course to separate Satan

② On this foundation, we are to receive the Messiah and be reborn, and thereby be fully restored to the original state of human beings before the Fall.

Providence of Restoration

- The providence of restoration

Providence of Restoration

Re-creation

- The providence of restoration is God's work of re-creation,

Providence of Restoration

Re-creation

In accordance with God's Principle

- Since the providence of restoration is God's work of re-creation, which has as its goal the fulfillment of the purpose of creation, God works this providence in accordance with His Principle.

Providance of Restoration

Re-creation

In accordance with God's Principle

Principle of Restoration

In the course of the providence of restoration, this principle is called the Principle of Restoration.

1. The Principle of Restoration **through Indemnity**

1.1 Restoration through Indemnity

(1) Position of fallen people

Before the fall

Relate only with God

- If the first human ancestors had reached perfection, they would have lived **relating** only with God (p. 176).

1.1 Restoration through Indemnity

(1) Position of fallen people

- However, due to their Fall, they joined in a kinship of blood with Satan.

1.1 Restoration through Indemnity

(1) Position of fallen people

Before the fall

After the fall

Hence, immediately after the Fall, they found themselves in the midway position – a position between God and Satan where they were relating with both.

(2) Separating Satan from fallen people

- How does God separate Satan from fallen people? A fallen person will go to God's side if he makes good conditions and to Satan's side if he makes evil conditions.

(3) Restoration through Indemnity

- What then is the meaning of restoration through indemnity?

(3) Restoration through Indemnity

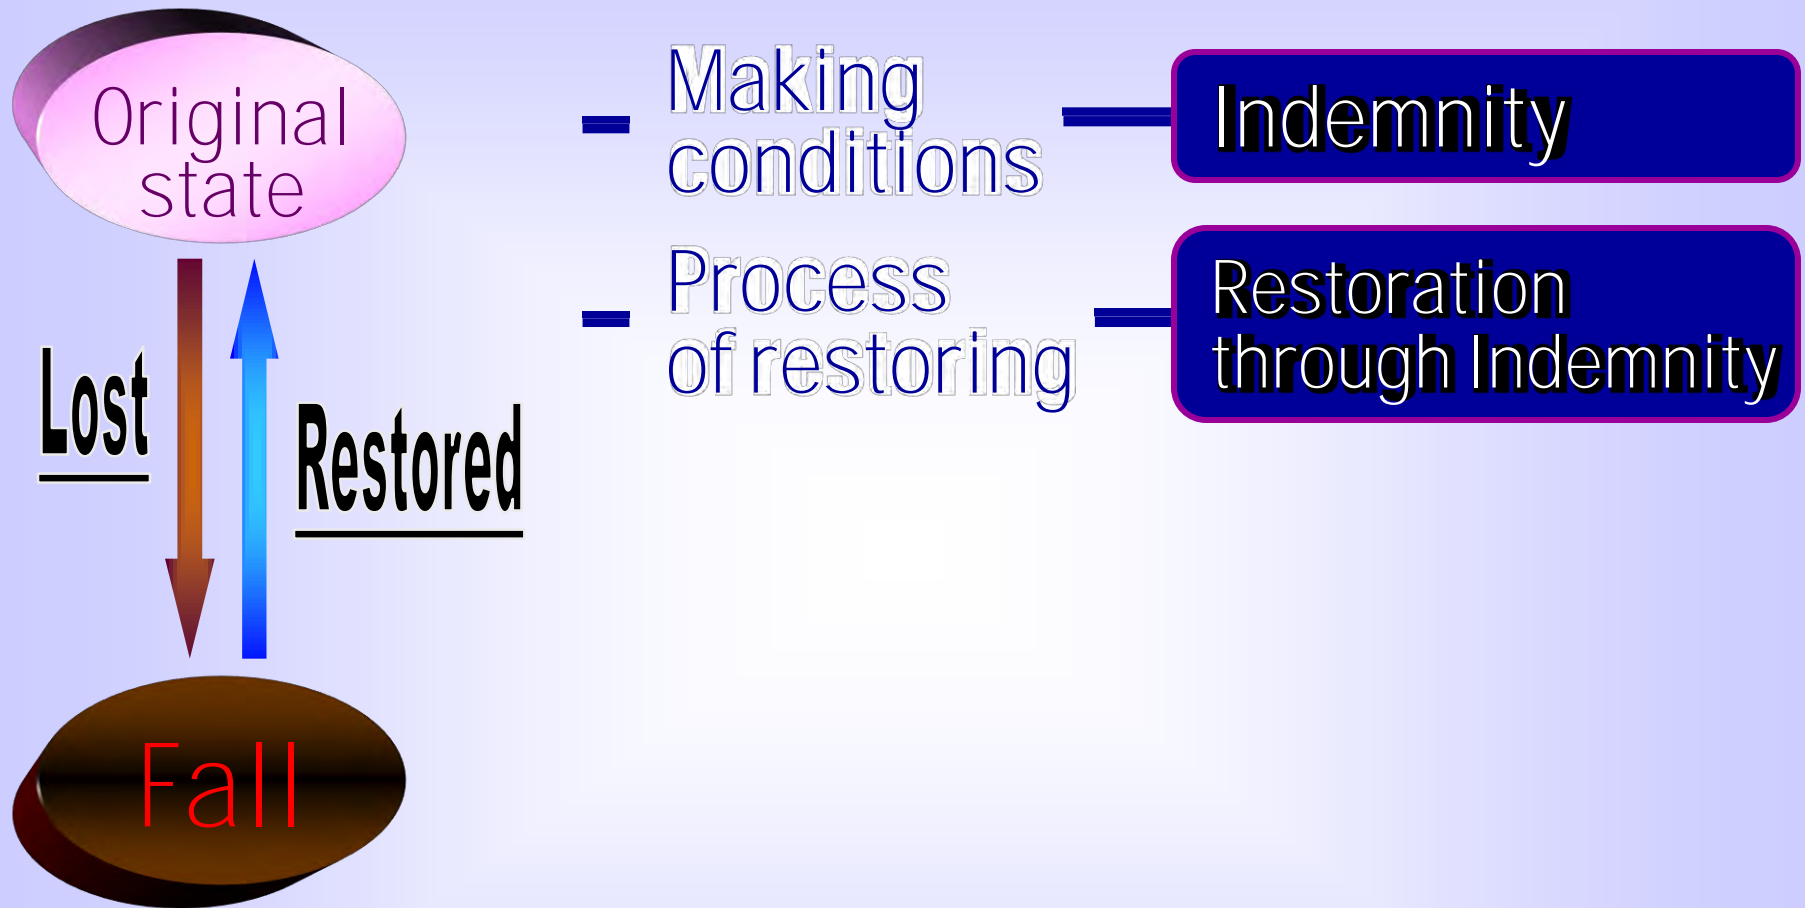

- When someone has lost his original position or state, he must make some condition to be restored to it.

(3) Restoration through Indemnity

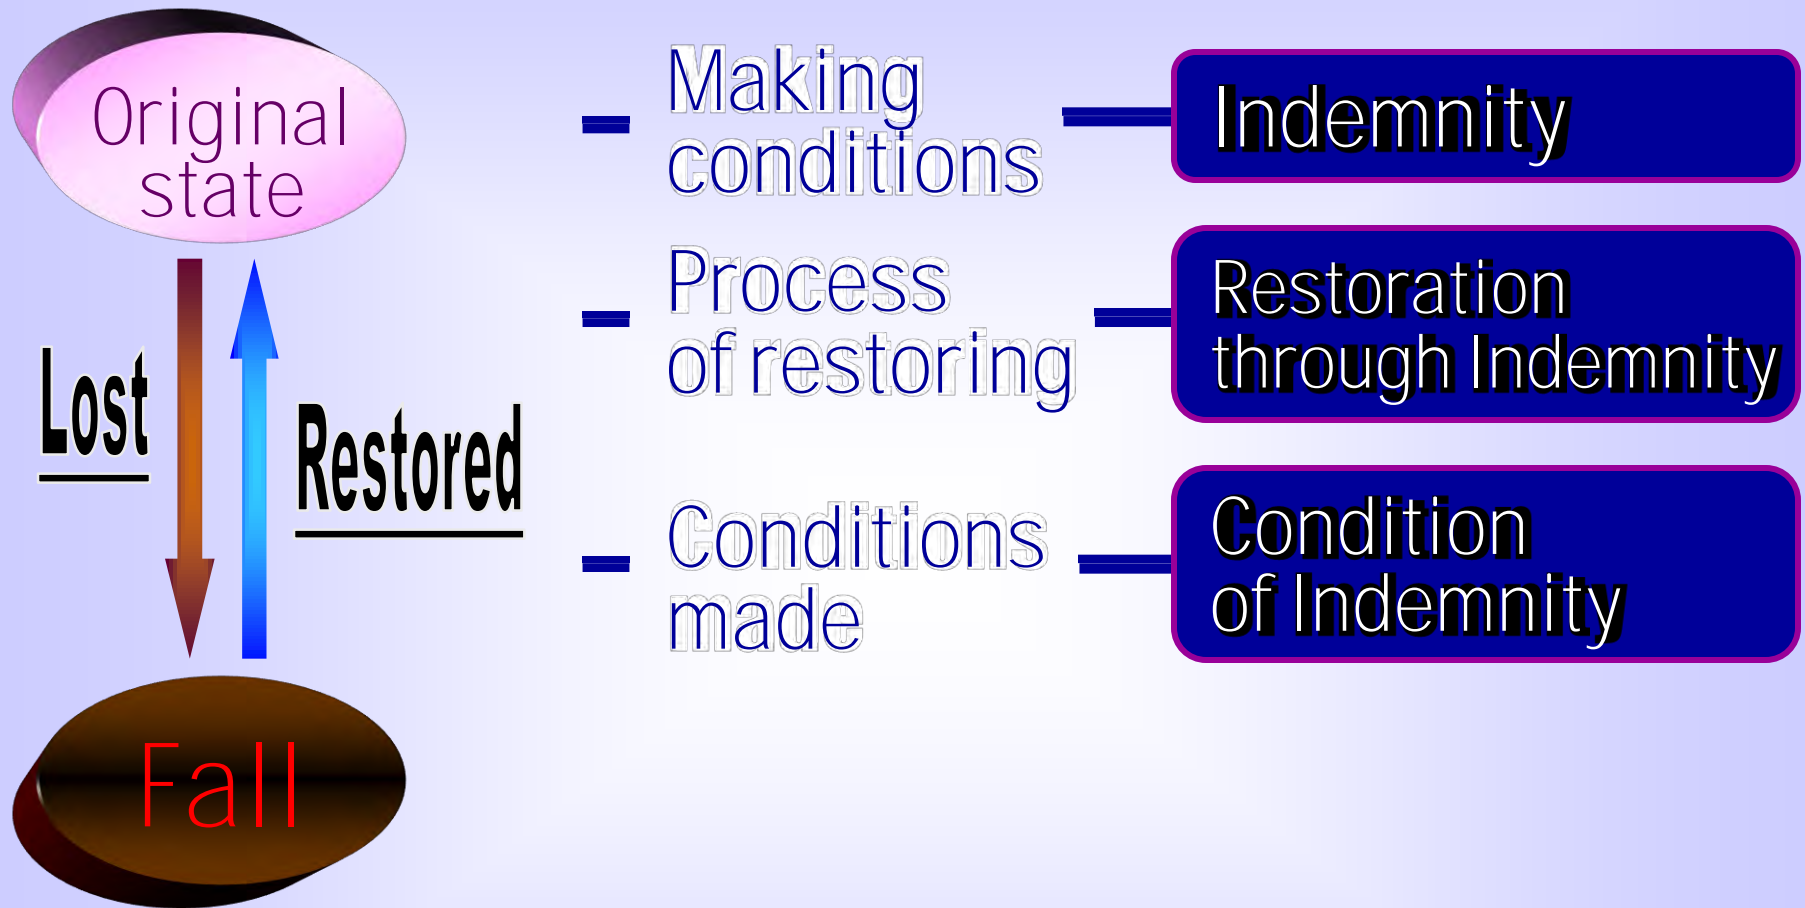

- The making of such conditions of restitution is called indemnity.

(3) Restoration through Indemnity

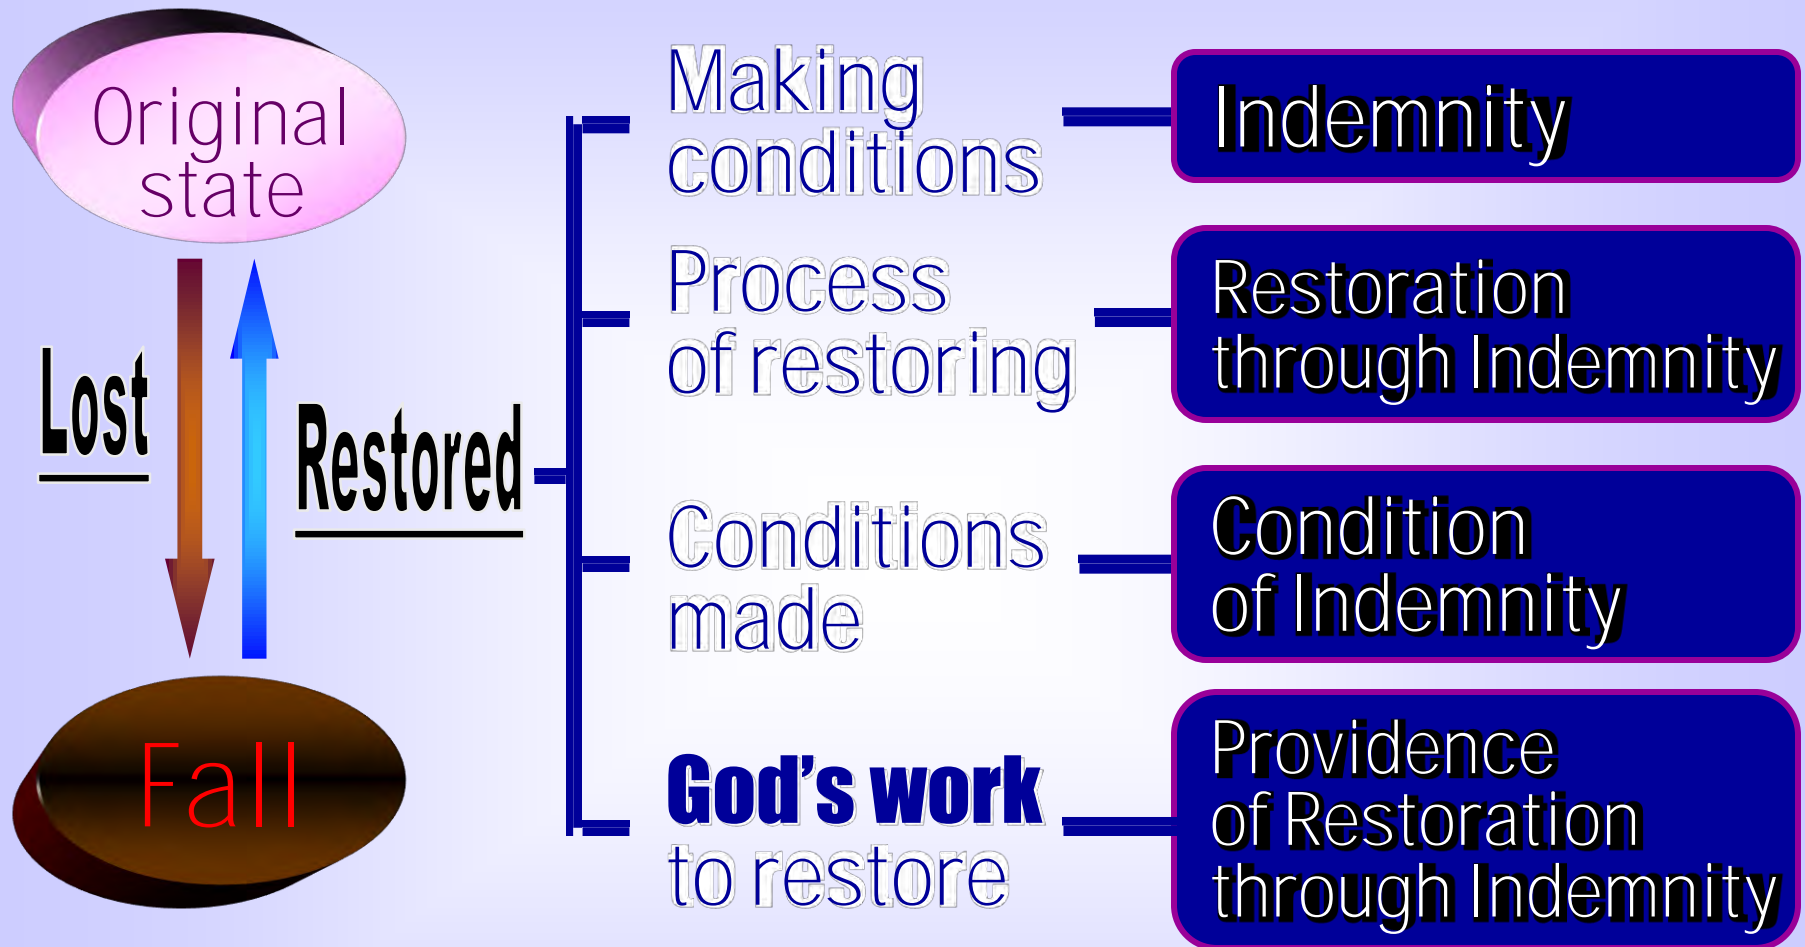

- We call this process of restoring the original position and state through making conditions restoration through indemnity.

(3) Restoration through Indemnity

- And we call the conditions made a condition of indemnity.

(3) Restoration through Indemnity

- God's work to restore people to their true, unfallen state by having them fulfill indemnity conditions is called the providence of restoration through indemnity.

Compare when you break a Countries Laws
and if you are caught

Indemnity = A Fine, Jail or Social Service must be paid

If you break Spiritual Laws
you are always caught
Suffering in this and next World
Suffering for your lineage

(4) Comparison of conditions of Indemnity

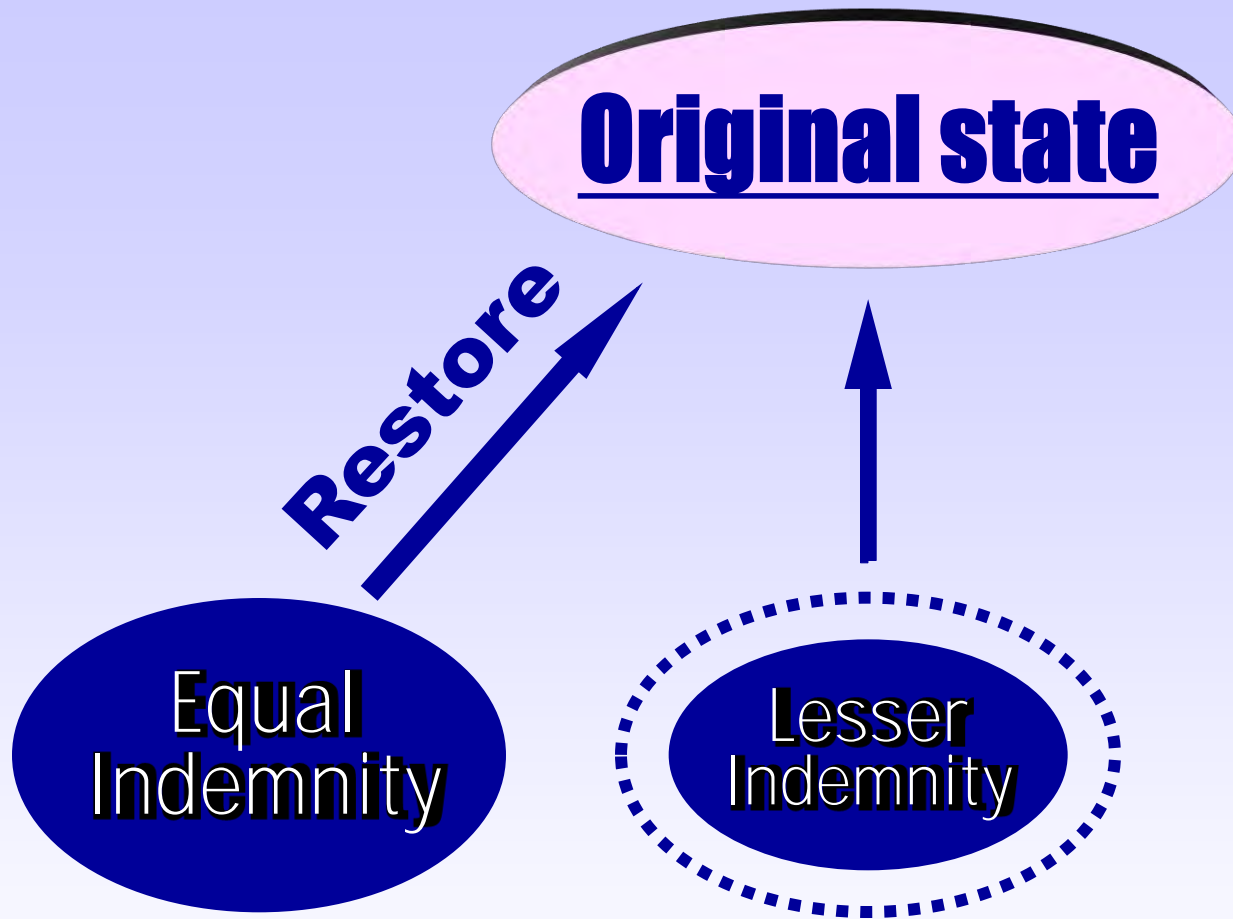

- **How does a condition of indemnity compare with the value of what was lost ? (p. 177)**

(4) Comparison of conditions of Indemnity

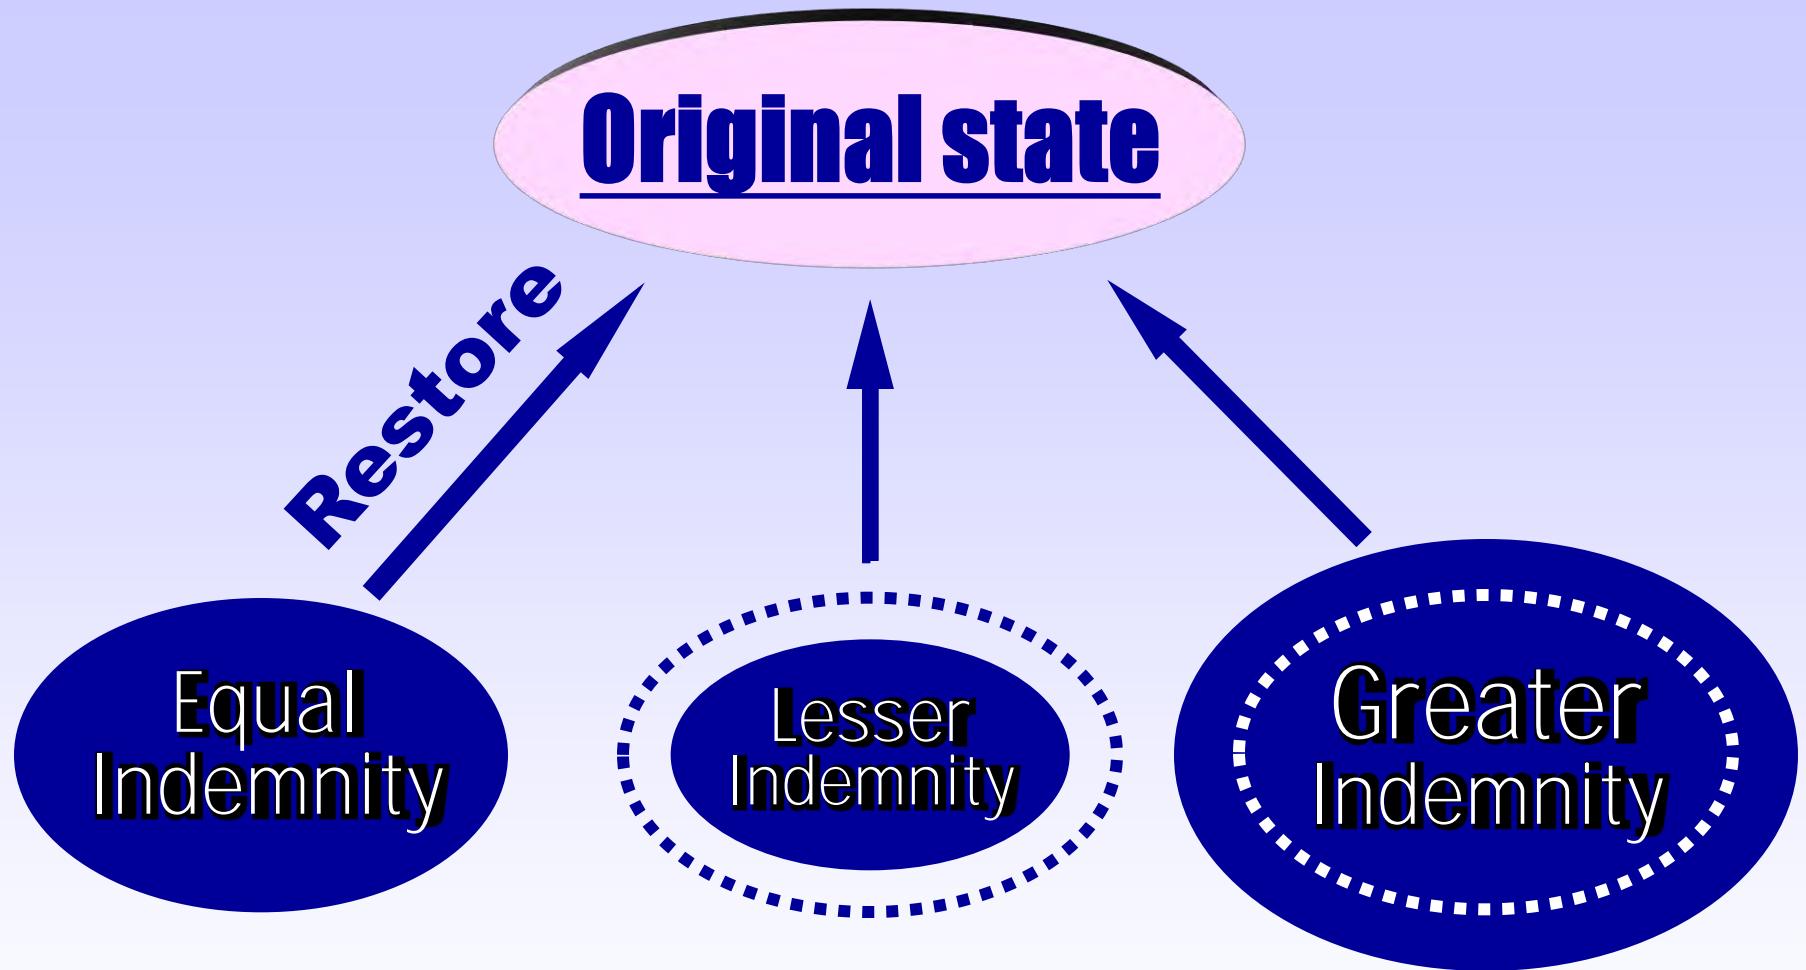

- First, in the case of a condition of equal indemnity, restoration to the original state is achieved by making a condition of indemnity at a price equal to the value of what was lost (restitution or compensation).

(4) Comparison of conditions of Indemnity

- **Second, in the case of a condition of lesser indemnity, restoration is achieved by making a condition of indemnity at a price less than the value of what was lost.**

(4) Comparison of conditions of Indemnity

- Third, in the case of a condition of greater indemnity, when a person has failed to meet a condition of lesser indemnity, he must make another indemnity condition to return to the original state, this time at a price greater than the first.

(5) Indemnity condition: method?

– Reversing the course

- Let us study the method of fulfilling indemnity conditions. For anyone to be restored to the original position or state from which he fell, he must make an indemnity condition by reversing the course of his mistake (p. 178).

(5) Indemnity condition: method? who?

- Who should make indemnity conditions? We ourselves must fulfill the necessary indemnity conditions as our portion of responsibility.

1948

Israel & Korea

Global/Collective Indemnity:

- **Jewish 2000 year of diaspora (lost their nation)**

“In 1948, Israel became independent; therefore, some might think it reasonable for the Lord to come back to Israel. The fact that the Jewish people, who had been wandering for 2,000 years, found their nation, shows that all their sins had been forgiven.”

Therefore, they could return to their original position. The prophecy that Israel would be restored when Jesus returned was fulfilled.”

Global/Collective Indemnity:

- **Korea 40 years under Japanese rule**

”Korea also became independent in 1948.

However, Korea was liberated from Japanese colonization, in contrast to modern Israel's situation.

Conceivably both countries may have become independent at the same time because the physical Israel inherited something from the spiritual Israel, Korea.

Because Jesus' death was indemnified, mankind was able to receive forgiveness and the Lord of the Second Advent could come.”

/ The Turning Point of History S.M.Moon

Global/Collective Indemnity:

- **First World War**

With the victory of God's side in the First World War, the foundation was laid for the Second Advent of the Messiah. From that time, the formation stage of the dispensation of the Second Advent commenced.

Global/Collective Indemnity:

- **Second World War**

While Hitler was the antitype of Jesus on Satan's side, Stalin was the antitype of the Second Advent of Christ on Satan's side.

The fact that Hitler and his nation were destroyed, while Stalin and his foundation of worldwide communism grew strong, indicated that the time for building the spiritual kingdom under the leadership of the resurrected Jesus had passed, and the age for building a new heaven and new earth under the leadership of Christ at the Second Advent had begun.

At the conclusion of the Second World War, the growth stage of the dispensation of the Second Advent commenced.

Many Christians began receiving revelations about the return of Jesus, and God's spiritual works began occurring throughout the world.

Global/Collective Indemnity:

Ended around
1992

- **Third World War**

The time has come when God conducts this dispensation on the world level. God intends to restore through indemnity the entire providence, which was prolonged to the third stage, by winning victory in the three world wars, which belong to the final chapter of providential history.

The providence of restoration can be completed only after fallen people restore their heart toward God through God's life-giving Word, are saved both spiritually and physically, and inherit God's lineage. [19\(cf. Moses and Jesus 3.3.2\)](#)

The victories of God's side in the three world wars will fully restore through indemnity all these aspects of the providence of restoration.

During a 1933 baptismal service at the Ohio River at Jeffersonville, Indiana, this SUPERNATURAL BEING appeared before hundreds of people saying to him, "As John the Baptist foreran the first coming of Christ, you will forerun His second Coming."

William Branham a Christian minister in USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was commissioned by an angel from God to be the forerunner of the Second Coming of Christ.

One of the more radical beliefs of the group is that of **Serpent Seed** which states that the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."

On February 28, 1963, over in Arizona, U.S.A., a constellation of seven angels appeared to Reverend William Marrion Branham in the form of a ring shaped-Cloud.

These seven angels came from the presence of God revealing to him the hidden mysteries of the Bible which were sealed in the Book of Daniel and the Book of Revelation yet were ordained to be unveiled at the end time.

1.2 The Foundation for the Messiah

- **For fallen people to be restored to their original state, we must receive the Messiah and remove the original sin. Before we can receive the Messiah, however, we must first establish the foundation for the Messiah (p. 179).**

1.2 The Foundation for the Messiah

Realize the purpose of creation

- For Adam to realize the purpose of creation, he was supposed to fulfill two conditions:

1.2 The Foundation for the Messiah

Realize the purpose of creation

Foundation
of
Faith

Adam

(person)

God's commandment (condition)

Growing period

(time)

- First, Adam should have established the foundation of faith by keeping strictly God's commandment and passing through a set growing period.

1.2 The Foundation for the Messiah

Realize the purpose of creation

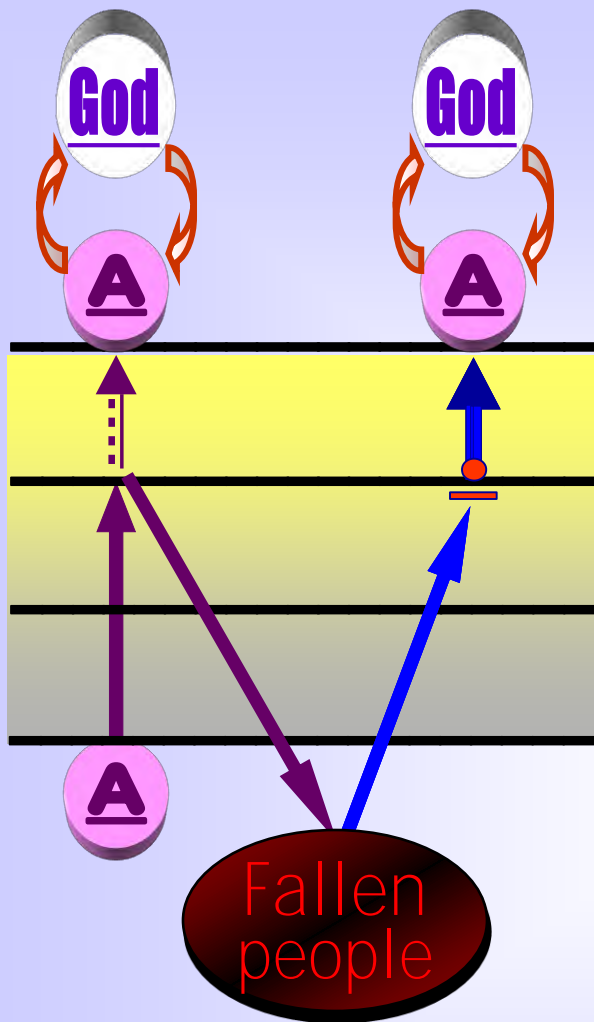

- Second, Adam was supposed to establish the foundation of substance. After he established an unshakable foundation of faith, he was then to become one with God, thereby becoming the perfect incarnation of the Word with perfect character.

Comment:

**Compare with how Jesus always first asked for Faith
then he could perform the Healing
(Foundation of Substance)**

And Jesus said unto him, Go; thy faith has saved thee.

*And immediately he received his sight and followed Jesus
in the way. - Mark 10:52*

Foundation of Faith

- To restore the basis upon which they can complete the purpose of creation, fallen people must first restore through indemnity the foundation of faith which the first human ancestors failed to establish (p. 180).

- On this foundation, we need to establish the foundation of substance and thereby the foundation for the Messiah, through which we can receive the Messiah and be cleansed of the original sin.

This is required in order for us to become perfect incarnations of the Word (p. 181).

2. The Course of the Providence **of Restoration**

2.1 The Ages in the Course of the Providence of Restoration

- However, the Jewish people sent Jesus to the cross. Thus, these two thousand years were lost yet again to Satan. The period to restore those lost years through indemnity to God's side is the two thousand years from Jesus' time until today (p. 183).

3. The History of the Providence of Restoration and I

Each one of us
(Product of history)

- As an individual each one of us is a product of the history of the providence of restoration (187).

3. The History of the Providence of Restoration and I

Indemnity conditions

To this end, I must fulfill in my lifetime (horizontally), through my efforts, the indemnity conditions which have accumulated through the long course of the providence of restoration (vertically).

3. The History of the Providence of Restoration and I

- Only by doing this can I stand proudly as the fruit of history, the one whom God has eagerly sought throughout His providence.

- To become a historical victor

① **God's Heart, purpose, and mission**

- To become such a historical victor, I must understand clearly the Heart of God when He worked with past prophets and saints, the original **purpose** for which God called them, and the details of the providential **missions** which He entrusted to them.

- To become a historical victor

- ① **God's Heart**, purpose, and mission
- ② Through Christ at the Second Advent

- We must understand all these things through Christ at the Second Advent, who comes to fulfill the providence of restoration.

- To become a historical victor

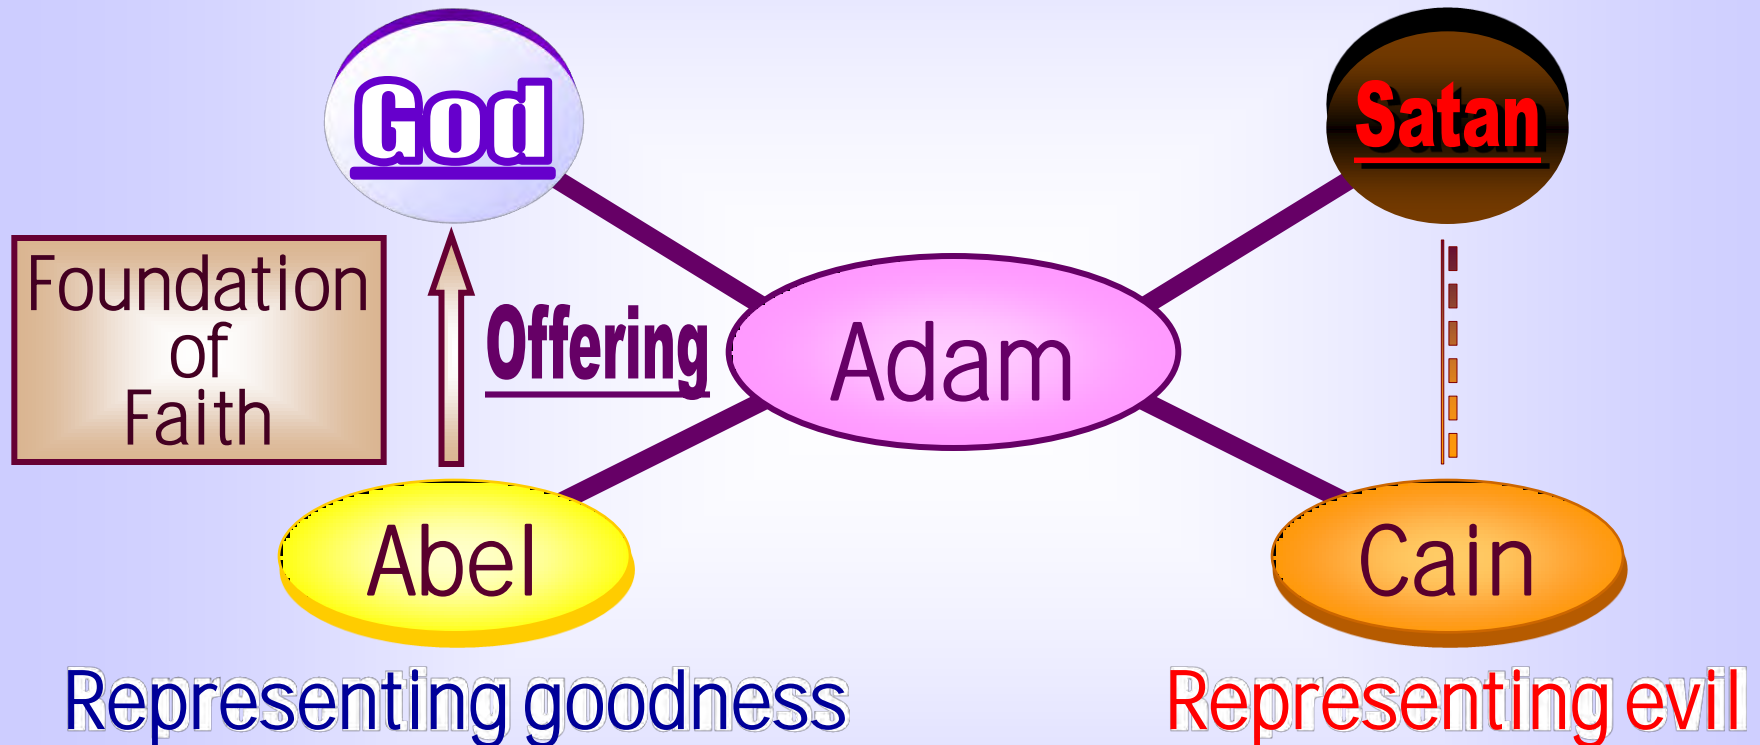

- ① **God's Heart**, purpose, and mission
- ② Through Christ at the Second Advent
- ③ Believe, become one with, and attend him

Moreover, when we believe in him, become one with him, and attend him in his work, we can stand in the position of having fulfilled horizontally with him the vertical indemnity conditions in the history of the providence of restoration.

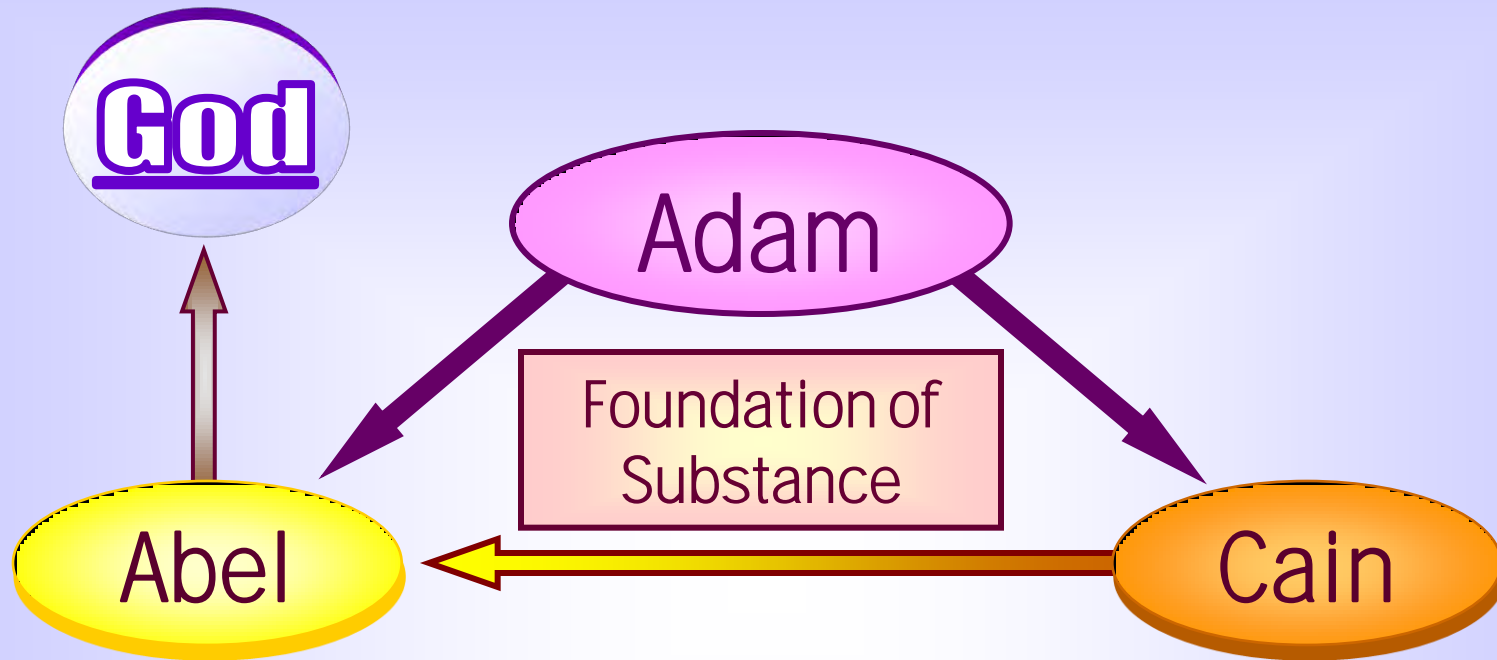

1.1 The Foundation of Faith

- Object for condition ----- Sacrificial offering
- Central figure ----- Abel

- Abel made the offering in a manner acceptable to God. In this way, he successfully laid the foundation of faith (p. 192).

1.2 The Foundation of Substance

Indemnity condition to remove the fallen nature

- Had Cain fulfilled the indemnity condition to remove the fallen nature, **God** would have gladly accepted his sacrifice. The foundation of substance would then have been laid in Adam's family.

Adams Family

- Cain killed Abel. In murdering Abel, Cain repeated the sin of the Archangel. That is, he re-enacted the very process which had given rise to the primary characteristics of the fallen nature.

- Consequently, God's providence of restoration through Adam's family could not be fulfilled.

2.1 Overview of the Providence Led by Moses

Moses

2.1.1 The Foundation of Faith

Rather, he could restore the foundation of faith merely by obedience to God's Word while fulfilling a dispensation of forty for the separation of Satan (p. 232).

2.1.3 The Foundation for the Messiah Moses

and the Israelites under Moses' leadership were to restore through indemnity the national foundation of substance. This would have constituted the national foundation for the Messiah.

2.2.3.3 The Foundation for the Messiah

Moses

Therefore, it would be necessary to build a Heavenly sovereign kingdom before the Messiah could come.

Divine Principle: (God started the Salvation Providence
already in the first family of Adam)

Adam's family should have set up the condition of indemnity
to restore the foundation of faith and the foundation of substance
(incarnation),
and, on the foundation to receive the Messiah
automatically laid by the previous two,
should have finally received the Messiah
before the providence of restoration could be realized.

Course to subjugate Satan

- Jacob walked the symbolic course to bring Satan to submission, while Moses walked the image course. Their courses pioneered the way for Jesus to walk the actual course (p. 267).

Course to subjugate Satan

- In walking the worldwide course to subjugate Satan and restore Canaan, Jesus followed the model demonstrated in the national course to restore Canaan when Moses was working to subjugate Satan.

Fatima Prophecy

This has been spoken of as the beginning of the Aquarian Age.

It is the shadow of the beginning of the Aquarian Age.

All beginnings incorporate birth and the pains and labors attendant thereunto.

Do not believe that in your struggles and searches for truth, and in the turning of many persons today in the direction of such a search, that you have even begun to endure the work, the labor, even the struggles and pains of birth, the issuing forth of a new manifestation at the physical plane of collective awareness within the world.

You see, those things which are to come are far greater in their effect upon the physical, mental, and spiritual man than those which have transpired in recent years.

Fatima Prophecy

So important are the things which occurred prior to, during, and after the recorded life of the Master Jesus that these have become an archetypal manifestation in the world today, and yesterday, and will be tomorrow-whether you like it or not.

For man's becoming God - or God's becoming man, more accurately - is no petty, commonplace event in the history of man's evolution.

You are not yet ready to understand the full significance of what might be given in relationship to that topic.

During a 1933 baptismal service at the Ohio River at Jeffersonville, Indiana, this SUPERNATURAL BEING appeared before hundreds of people saying to him, "As John the Baptist foreran the first coming of Christ, you will forerun His second Coming."

William Branham a Christian minister in USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was commissioned by an angel from God to be the forerunner of the Second Coming of Christ.

One of the more radical beliefs of the group is that of **Serpent Seed** which states that the first sin committed occurred **when Eve engaged in sexual activities with the Serpent** in the Garden of Eden thus causing "the fall of man."

On February 28, 1963, over in Arizona, U.S.A., a constellation of seven angels appeared to Reverend William Marrion Branham in the form of a ring shaped-Cloud.

These seven angels came from the presence of God revealing to him the hidden mysteries of the Bible which were sealed in the Book of Daniel and the Book of Revelation yet were ordained to be unveiled at the end time.
