at the beginning of Creation.

The goal of all humans Physical & Spiritual life!

Man fell by the false word of satan, a fallen angel.

Man will be restored to holyness again by beleiveng in the true word of God and Power of Messiah.

Similar process – opposite direction by FAITH!

Man fell into **IGNORANCE** by the
false word of satan, a fallen angel!

We remain entirely ignorant of the answers:

What is the original mind,
the wellspring of good desires?

What is the origin of the evil mind that incites
evil desires in opposition to the original mind?

What is the root cause of the contradiction that
brings people to ruin?

Internal ignorance and external ignorance.

The Culmination of All Civilizations

Spiritual and material civilization, built upon religion and science - the quests to overcome the two aspects of human ignorance - must be brought into harmony.

Only then can we resolve the fundamental problems of human life and realize the world of God's ideal.

- Depression
- Suicide
- Anger, Hate – Riots
- Rape – Violence
- ...

- Original Sin multiplied
- Evil spiritual Gravity!
- Free Sex – Porno
- Prostitution
- Teenagers cutting
- Drugs – Crime ...

What kind of weapons did Satan use?

He used an airborne weapon: that is smoking.

Next, the liquid weapon is liquor;
and then the solid weapon is drugs.

Through these means, **everything including your spirit is made to rot.**

He makes everything rot – your body and spirit, and everything from the nostrils to the lungs.

So we do not drink liquor or smoke cigarettes.

These are the **weapons Satan uses to destroy human beings.**

These three things, which are elements that prevent one's spirit from communicating with God, are the enemy's best weapons.

What comes next?

Free sex that destroys the order of love. (- Spiritual)

The world spends some \$1,000.000.000 annually on the military

68 million daily searches for pornography in the United States

Porno industry \$13.000.000.000 dollars in profit.

By comparison,

Hollywood released 507 movies and made only 8.8 billion

(Bridges and Wosnitzer, 2007).

The reasons to this can all be found in Divine Principle explanation of Fall of Man.

Chapter 2

The Human Fall

All people have an original mind which inclines them to reject evil and pursue goodness. Yet, even without our being aware of it, we are driven by evil forces to abandon the goodness which our original mind desires and to perform evil deeds which, in our innermost heart, we do not want to do. As long as these evil forces assail us, the sinful history of humanity will continue unabated. In Christianity, the master of these evil forces is known as Satan. We have been utterly unable to liquidate the forces of Satan because we have not understood Satan's identity or how he came to exist. To extirpate evil by its root, and thereby end sinful history and usher in an era of goodness, we must first expose the motivation and origin of Satan and recognize the destruction he has wrought in human life. This explanation of the human Fall will clarify these issues.

SECTION 1

THE ROOT OF SIN

No one has known the root of sin, which lies deep within and ceaselessly drives people toward the way of evil. On the basis of the Bible, Christians have held to a vague belief that Adam and Eve's eating the fruit of the tree of the knowledge of good and evil was the root of sin. Some Christians believe that the fruit of the tree of the knowledge of good and evil was the fruit of an actual tree, while others believe that

Bible Verses About Sins of Omission and Commission

James 4:17 - Therefore to him that knoweth to do good, and doeth [it] not, to him it is sin.

Luke 13:3 - I tell you, Nay: but, except ye repent, ye shall all likewise perish.

1 John 3:4 - Whosoever committeth sin transgresseth also the law: for sin is the transgression of the law.

Why did restoration through indemnity come about?
For what purpose did it appear after the Fall occurred?

If there were no portion of responsibility, then there would be no need for the term "restoration through indemnity."

In what position did human beings fall?

They fell during the course of fulfilling their portion of responsibility.

At that time, human beings handed over the realm of the portion of responsibility to Satan.

It was taken by Satan.

Therefore, we must regain the realm of the portion of responsibility. 1986.3.16 CSG Book 8 5:1

DIVINE
PRINCIPLE

Because John the Baptist gradually came to doubt Jesus and finally even undermined his work, the Jewish people, who had the highest esteem for John, were compelled to disbelieve in Jesus. [189\(cf. Messiah 2.2\)](#)

Consequently, the foundation of faith which John had laid for the first worldwide course to restore Canaan was invaded by Satan.

DIVINE
PRINCIPLE

Jesus himself now had to take on John's mission and restore through indemnity the foundation of faith (40 day fasting) in order to set out on the second worldwide course to restore Canaan.

When Jesus fasted for forty days in the wilderness, it was to separate Satan for the very purpose of restoring the foundation of faith; however, for this he lowered himself to assume the position of John the Baptist.

John the Baptist = returning Elijah

Still John denied it = Sin of Omission

DIVINE
PRINCIPLE

“Every human being is struggling to attain life-long happiness and overcome misfortune”.

/First sentens in Divine Principle

1. First, there is no freedom outside the Principle.
Freedom requires both free will and the free actions
pursuant to that will

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

3. Third, there is no freedom without accomplishment. When human beings exercise freedom and carry out their responsibility, they strive to accomplish results which complete the purpose of creation and bring joy to God.

**Chart 1: The Unfolding Manifestation of God's Word
in the Creation of the Universe and the Providence of Restoration**

No matter how broad the Christian cultural realm becomes, a perfected Adam who can manifest the true love of God must appear together with the bride.

Thus, you must fulfill your portion of responsibility and enter the realm of direct dominion.

You must prepare a foundation of true love in your family that can unite upper and lower, front and back, and left and right with love at the center.

Is this an easy thing to do?

/SMM1991.10.15

"Then the Lord saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was evil continually.

And the Lord was sorry that He created man on the earth and He was grieved in His heart."

SATAN WITH ADAM AND EVE (BOOK IV)

*Ah! gentle pair, ye little think how nigh
Your change approaches*

Blake

The first human ancestors destroyed this, the very thing that they should have perfected; as a result, the whole of humanity still has to fulfill its given responsibility.

To do so, everyone gains dominion over everything in the satanic world, stands in a position to dominate Satan, and reaches the position where they can receive the love of God with dignity.

When that happens, Satan will be cut off. /SMM1986.3.16

Quote SMM (SunMyungMoon) 1965:

There was no evil in the beginning.
Lucifer acted against the Principle.
That became evil.

Evil is not something entirely different from love.
Evil is the misuse of love.

Good is the right and proper use of love.

Good and evil started from one point -- love.

If we love God, that is all right.

But if we love something or someone against God's will,
that is evil.

If we love someone or something in accordance with
God's will, that is good.

The Influence of Good and Evil Spirits (Essentials Of The Unification Principle)

The struggle between the original mind and the evil mind is greatly exacerbated by the intervention of spirit men and women in the affairs of people on earth.

Good spirits, that is those close to God, have a beneficial influence on the spirits of men and women on earth.

However, evil spirits, who are close to Satan in character and direction, have a bad influence on the spirits of people on earth.

The Influence of Good and Evil Spirits

Because of the dislocation of spirit and body brought about by the fall, fallen individuals are generally unaware of the influence of good and evil spirits in their lives.

They tend to attribute fallen spiritual influences to their own moods, sentiments and inspirations.

Whenever the spirit of a fallen man or woman unites with the thoughts or activities of evil spirits he or she multiplies the power of Satan and evil in the world.

The “**evil eye**” is a malevolent look that many cultures believe able to cause injury or misfortune for the person at whom it is directed for reasons of envy or dislike.

A nazar (Turkish: nazar boncugu Old Turkic: gökçe munçuk) is an eye-shaped amulet believed to protect against the evil eye ("evil eye", from nazar and "amulet" from boncugu). The word "nazar" is derived from the Arabic, "sight" or "seeing".

Divine Principle
in Plain Language
by Jon Quinn

There is ample evidence today that the root of evil, the Fall, was an immoral sexual relationship.

God created the sexual act of love as the most precious, holy and exciting expression of love in our lives.

Yet throughout history the act of love has often been regarded as lowly and made a joke of.

ROOT OF EVIL — IMMORAL SEX

The Bible teaches us that although it is necessary for man to multiply, for those who can, it is best to be celibate (live single).

This was to be an indemnity payment for the Fall and implies that marriage has not had the complete sanction of God.

The Bible emphasizes not getting married.

In First Corinthians 7:38 we read,

“So that he who marries his betrothed does well; but he who refrains from marriage will do better.”

Celibacy is encouraged because God’s ideal was lost due to the misuse of love.

Comment: One can wonder why we inherit Sin.

Recent science study:

Genes (DNA) play a greater role in determining key personality traits like social skills and learning ability than the way we are brought up by our parents, researchers claimed.

DP: God created Man to inherit goodness from previous generations of ancestors. Because of the Fall, it was all turned upside down. Inheriting Sin and fallen nature.

The Fall of Man caused a heavy spiritual debt
on all Mankind

that only The Messiah can free us from.

Testimony by Kim Won-jong

On a different night when I was in bed, a snake as thick as a pillar appeared and after reaching my ankle it started climbing up my leg. It flicked a spatula shaped tongue and when it tried to bite my face, I grabbed its upper and lower jaws trying to rip its jaws apart. I looked down the cave-like innards of the snake.

At that point I awoke to find my blankets all wet. '

Two months after the episode, on Febr 2, 1962, the Reverend Sun Myung Moon came to Daegu on a tour. He spoke for six hours.

He said,

*"To know what was in the mind of the snake when he tempted Eve six thousand years ago, **grab the upper and lower jaws of the snake and shout, 'Snake! Let's have a look at your innards,'**" and unless you can see everything that is inside the snake, you cannot know the snake's mind."*

I once again felt that Father knew all the secrets of heaven.

HakJaHan Moon 2012:

God's providence never develops without going through indemnity.

Those who studied the Divine Principle know it well.

'Indemnity' does not necessarily means something bad.
It could give you a promise for the future.

Rev. Moon has unfolded God's providence on earth during this really difficult time.

Let's think of the Israelite from 2,000 years ago.

It was the Messiah that they, under Roman dominion, were waiting for with the pride that they were chosen people.

They believed that once the Messiah came, they would be liberated from everything and stand out in the world. However, providential history does not develop in such a fancy way.

They did not know 'indemnity.'

Consequently, they killed the only begotten-son of God. Then what happened to the Israelite?

They became a people who were exiled for 2,000 years.

/endquote

Paying Indemnity is like paddling upstream
the river of Sin.

Once you stop paddling (= stop paying indemnity)
and the “stream” will take you backwards.

People take-up the word "blessing" so easily, but they forget that behind this blessing is a great journey of suffering and hardship.

The Reality of Marriage under Satan

How about this:

Have you ever driven your car into a pothole and felt pain when the tire hit that pothole, though the car continued to ride smoothly?

The Reality of Marriage under Satan

How about this:

Have you ever driven your car into a pothole and felt pain when the tire hit that pothole, though the car continued to ride smoothly?

Marriage is in a different sphere.

Even those who date or do not want to marry know that marriage is a very serious commitment.

“Till death do us part,” which is sometimes spelled out as “As long as we both shall live.”

The Reality of Marriage under Satan

“Till death do us part,” which is sometimes spelled out as “As long as we both shall live.”

Did God intend for marriage to end at death? No.

This is the reality of marriage as disfigured by Satan.

The Reality of Marriage under Satan

They married under Lucifer's guidance.

Hence, the institution of marriage has been in turmoil and confusion because it started and expanded under Satan.

The Reality of Marriage under Satan

Satan wants people to consummate their sexual love before marriage, for doing so will continually compromise the realization of God's will.

The Reality of Marriage under Satan

Satan wants people to consummate their sexual love before marriage, for doing so will continually compromise the realization of God's will.

As Adam and Eve-Messiahs, the True Parents have established a platform of restoration upon which friendship can be restored to its original state.

The Reality of Marriage under Satan

Some people do not like the notion of marriage because they do not see it fulfilling anything.

Some people even call it a man-made prison.

This is because most of the marriages we see and are familiar with in this world have the form of God-planned marriage but the content of Satan-centered marriage.

Christian Nseka

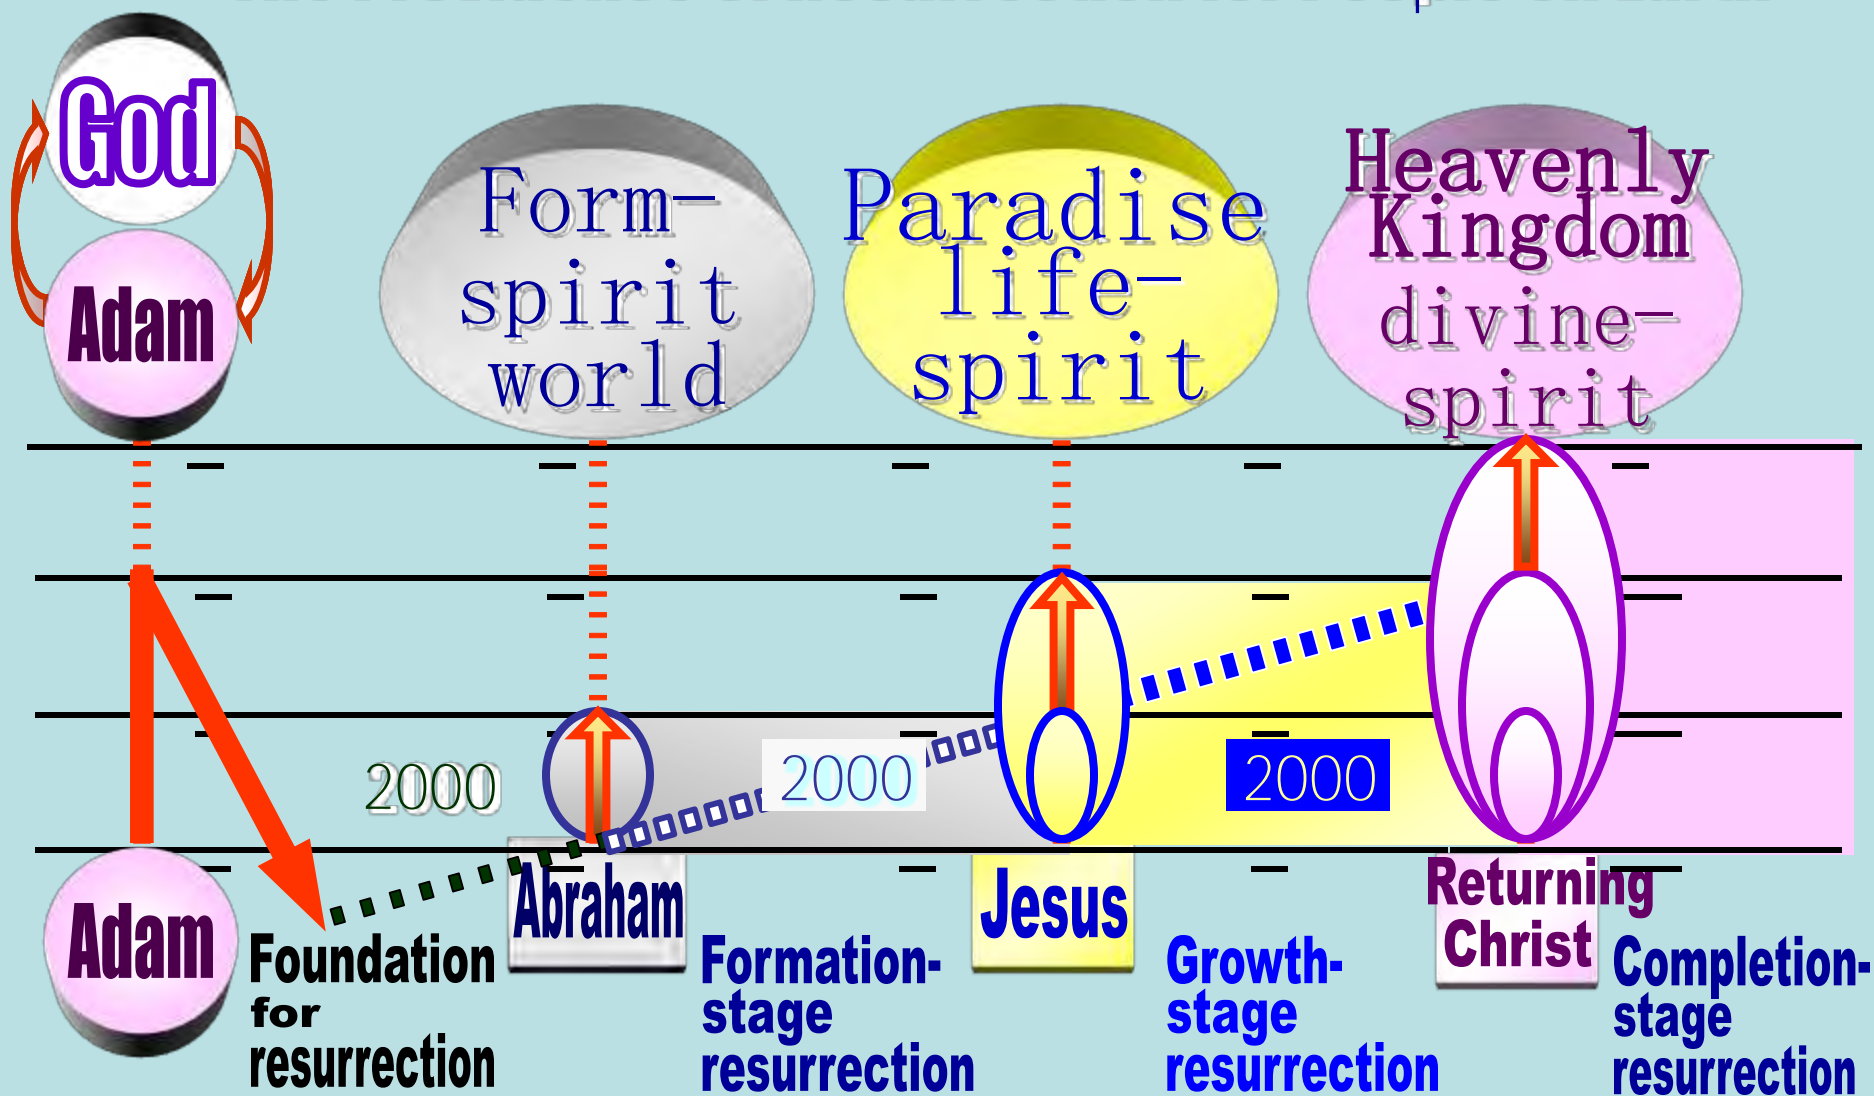

Born in Kinshasa, Zaire (the country currently known as the Democratic Republic of Congo), Christian Nseka joined the Unification Church in 1987 in his homeland and thereafter became a lecturer of the Divine Principle, the main teaching of the Unification Church.

The physical Body is the vessel to bring you to the Destination = Gods Divine Kingdom of Heaven and Earth.

If your vessel sinks on the way – due to Sin you need a new Vessel = own Physical Body = or Returning Resurrection

The Providence of Resurrection for People on Earth

Upon their death, the believers of this era will enter and abide in the Kingdom of Heaven in heaven, which is the divine-spirit level of the spirit world (p. 140).

FOUR ESOTERIC ACCOUNTS OF CAIN AND ABEL

1. The Zohar Account:

"For two beings had intercourse with Eve, and she conceived from both and bore two children.

Each followed one of the male parents, and their spirits parted, one to this side and one to the other, and similarly their characters.

FOUR ESOTERIC ACCOUNTS OF CAIN AND ABEL

On the side of Cain are all the haunts of the evil species from which come evil spirits and demons and necromancers. From the side of Abel comes a more merciful [Adam-like] class -- yet not wholly beneficial -- good wine mixed with bad. The right kind was not produced until Seth came, who is the first ancestor of all the generations of the righteous."
(Bereshith 36b-37a)

2. The Gnostic Christian Account:

"Then the [divine] authorities [i.e., Elohim]. . . sent seven [fallen] archangels to see what happened. They came to Adam. When they saw Eve speaking with him, they said to one another . . . 'let us seize her and let us cast our seed on her, so that . . . those whom she begets will serve us.' [Eve] conceived . . . and she bore the rest of the sons from the seven . . . angels." (On the Origins of the World, II:5)

3. The Islamic Account:

Allah's Apostle said, "Tonight two (visitors) came to me (in my dream) and took me to a town built with gold bricks and silver bricks. There we met men who, half of their bodies, look like the most-handsome human beings you have ever seen, and the other half, the ugliest human beings you have ever seen. Those two visitors said to those men, 'Go and dip yourselves in that river.

3. The Islamic Account:

So they dipped themselves therein and then came to us, their ugliness having disappeared and they were in the most-handsome shape. The visitors said, 'The first is the Garden of Eden and that is your dwelling place.' Then they added, 'As for those people who were half ugly and half handsome, they were those who mixed good deeds and bad deeds, but Allah forgave them.' (Sahih Bukhari Hadith: Volume 6, Book 60, Number 196)

4. The Rev. Moon Unificationism Account:

"Lucifer dared to seduce Eve at the risk of his life . . .
and [they] had sexual intercourse with each other. . .

Eve joined with Adam after she had the illicit relationship
with the archangel [Satan] . . .

and [Satan's and Adam's] elements were then transmitted
to their descendants . . .

and mankind has multiplied sin to the present day,
thus perpetuating the lineage of Satan."

(Divine Principle I.2.2.2)

Thus, we see virtually the same mixed-paternal parentage
attributed to Cain and Abel in all four scriptural accounts.

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

Swedenborg offers this general commentary on the sexual organs in the Universal Human:

But I have not been allowed to know the identity and nature of the communities that belong to the specific organs of generation.

They are actually **too inward for anyone in a lower sphere to understand**. They relate to uses of those organs that are deeply hidden and far removed from knowledge. The reason is providential—to prevent things that are intrin-sically most heavenly from damage by foul thoughts, which involve lewdness, promiscuity, and adultery.

/Emanuel Swedenborg, *Arcana Coelestia*

- Sex is not same as evil.
- Within Blessed Marriage it is the Holy of Holiest
- Most people have unconscious bad feeling about “sex” as dirty and low.
- This is all due to Fall of Man = Illicit Love
- Sex became animalistic and often brutal
- Abuse of wimen, Rape, Agressiveness, Hate, Murder...all have the same root
- “Free Sex” root = Fall of Man = Illicit Love

All across America we hear of babies being dumped in trash cans, schoolchildren shooting their classmates, and AIDS and other sexually transmitted diseases running rampant.

Among the seven sins in Dante's *The Divine Comedy*, this "scarlet sin" is said to be the worst.

God considers adulterous love to be the most serious of all sins, and He will never condone it.

Come now, and let us reason together, says the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. Isaiah 1:18

Fletcher: "Nobody can give away perfection. Perfection was the ideal, and perfection was mans goal from the beginning, but man choose himself to loose that perfection, and she must now choose to return to it. But it is really true that

no one can return to his homeland which he has forgotten, if not someone gives him a map or leads him along that road."

If you make a wrong start, you will end up in the wrong place. That is why when a ship sets out into the great ocean, it should chart out the course and follow the compass carefully from the moment it first sets sail from port.

Then, what is the port of departure for human life? People do not know. Where can we find the direction, the compass guiding us to reach our destination in the world beyond?

Human beings have not been able to find this, so they have been wandering about to and fro. No matter how they have tried, they have not been able to overcome their human limitations. /SMM 1988.1.3

Satan's goal is to separate men from God.

First, as man's accuser he sets us at odds with God.

Secondly, he tempts man to act in such a way that we will prove that his accusations are valid.

To do this, Satan takes advantage of our vulnerability to sin.

Satan does his most effective work as the all pervasive, invisible, yet almost irresistible "spirit of the times."

When man sins, an alien spirit enters and starts dragging its victim downward.

For this reason, in his ministry of exorcism, Jesus always distinguished between the possessing demons and the persons harboring them.

Satan holds people captive against their will, even if originally they were responsible for inviting the demons in.

Therefore Jesus' mission was two-fold:
to battle against Satan (Prosecutor) and
to fight for man (Defense attorney/Defender).

The Lucifer effect

Whatever one construes the biblical passages of the Fall, it is a powerful narrative which poses a number of questions. Phillip Zimbardo, for example, a Stanford professor of social psychology, published *The Lucifer Effect* (2007), in which he gives a reflective account of the notorious Stanford Prison Experiment he conducted in 1971.

In a mock prison at the psychology department at Stanford University, he witnessed the rapid transformation of good, mentally healthy, intelligent college students into abusive ones in a matter of days.

The Lucifer effect

Zimbardo, was deeply puzzled by the narrative of the Fall at the Garden of Eden.

By referring to the transformation of Lucifer to Satan in the Foreword of his book, he notes **the magnitude of this narrative, in contrast any other transformation of good to evil:**

That is the most extreme arc of transformation imaginable, and so sets the context for my investigations into lesser human trans-formations of good, ordinary people, not angels, into perpetrators of evil in response to the corrosive influence of powerful situational forces

Comment: From Rudolf Steiners "Cosmic Memory"

The longing for knowledge is produced by the fact that the soul develops inner organs, the brain and so forth, by means of which it gains possession of knowledge. This is a consequence of the circumstance that a part of the energy of the soul is no longer directed toward the outside, but toward the inside.

The superhuman beings however, which have not carried out this separation of their spiritual forces, direct all the energy of their soul toward the outside.

Therefore that force is also available to them externally for fructification by the spirit, which "man" turns inward for the development of the organs of cognition...

Now that force by means of which one human being turns toward the outside in order to act together with *another* is *love*. The superhuman beings directed all their love outward in order to let universal wisdom flow into their soul.

“Man” however can only direct a part of it outward.

“Man” became sensual, and thereby his love became sensual. He draws away from the outside world that part of his nature which he directs toward his inner development.

And thus that arises which one calls *selfishness*.

When he became man or woman in the physical body, “man” could surrender himself with only a part of his being; with the other part he separated himself from the world around him.

He became selfish. And his action toward the outside became selfish; his striving after inner development also became selfish.

Old Test. Offering

Abraham
Isaak

The significance of making the offering is to cut the parts in two, so that one is under God's claim and the other under Satan's claim.

In that case both the offering and the man who offered the sacrifice must become entirely one.

The man who offers the sacrifice is in the subjective position, while the offering is in the objective position!

Without these two united into one,
the purpose of the offering cannot be attained.
The offering being in the objective position to man as
the subject, it can represent the person's flesh-body.
The thing being offered (i.e., the animal) has to shed
blood in place of sinful man.

In other words, the offering is in place of man -- representing man.

Adam fell due to his disbelief.

Disbelief was the primary reason.

Next, Adam fell because he asserted himself.
He put himself, his ego in the center of everything.
Adam fell because he took a self-centered position.

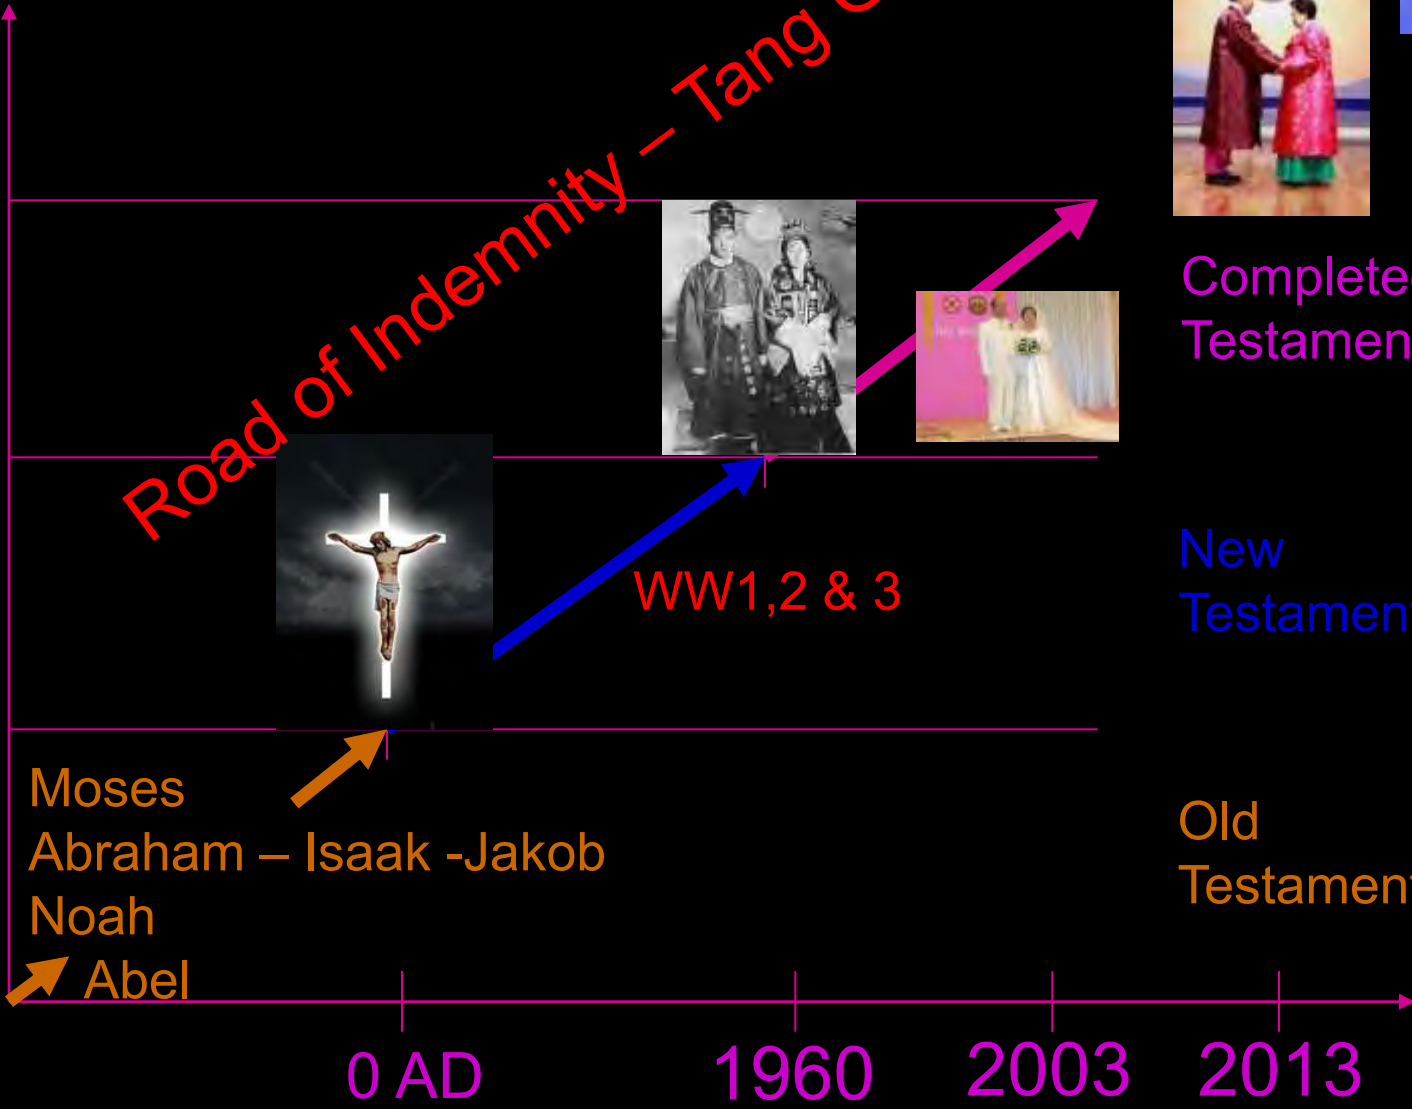

Next, Adam demanded a realm of self-centered love.

These are the three major elements of the Fall:
disbelief, self-assertion or self-centeredness,
and finally dreams of self-centered love.

King James Version (KJV)

5 And they came over unto the other side of the sea, into the country of the Gadarenes.

2 And when he was come out of the ship,

immediately there met him out of the tombs a man with an unclean spirit,

3 Who had his dwelling among the tombs; and no man could bind him, no, not with chains:

4 Because that he had been often bound with fetters and chains, and the chains had been plucked asunder by him, and the fetters broken in pieces: neither could any man tame him.

5 And always, night and day, he was in the mountains, and in the tombs, crying, and cutting himself

⁶ But when he saw Jesus afar off, he ran and worshipped him,

⁷ And cried with a loud voice, and said, What have I to do with thee, Jesus, thou Son of the most high God?

I adjure thee by God, that thou torment me not.

⁸ For he said unto him, Come out of the man, thou unclean spirit.

⁹ And he asked him, What is thy name? And he answered, saying,

My name is Legion: for we are many.

¹⁰ And he besought him much that he would not send them away out of the country.

¹¹ Now there was there nigh unto the mountains a great herd of swine feeding.

¹² And all the devils besought him, saying, Send us into the swine, that we may enter into them.

¹³ And forthwith **Jesus gave them leave.**

And the unclean spirits went out,

and entered into the swine:

and the herd ran violently down a steep place into the sea,

(they were about two thousand;)

and were choked in the sea.

3rd Adam

The spirit world could not function until the appearance of Unification Church. Why?

Because there was no handle to grab;
no rapport was established.

There was no love between the races.

There was no one who could prepare the base so that
God could really bring down His hosts of angels.

But now the Unification Church represents that base,
so God can bring down any number of angels or spirit
men He wishes.

3rd Adam

So far, there have been many, many evil spiritual phenomena. There are many evil, lost spirits haunting people.

Spirits can also actually cause diseases and accidents.

What is the difference between evil spirits and good spirits?

When an evil spirit approaches, you somehow feel fearful and uncertain and very unstable.

A satanic spirit is like the winter wind, making you shiver.

Comment: Modern science have mostly not understood evil spirit possession, and regard it as superstition or old religious dogma.

Quote:

Freud's student Carl Jung theorized that possession occurred when an individual came to identify with a complex from the collective subconscious.

Freud believed subconscious impulses were personal and often sexual in nature. / Joseph P. Laycock
(Remains from sexual Fall of Man – as in Divine Principle)

Jesus' great spiritual force caused the evil spirit to depart and this allowed the victim to immediately become normal.
The evil influencing factor had been removed.

But when some good spirit is trying to embrace you,
you feel so good without reason!
You'll be walking on Cloud 9!

A heavenly spirit is like spring.
It melts you, relaxes you,
and gives you the warmth of love and comfort.

You should feel that in the Unification Church.

3rd Adam

I have been conducting the program of the spirit world for everything.

I do not talk about how heaven is or how heavenly father is, and so forth.

I do not talk about them carelessly.

I only talk about them after I have digested them with the truth and can explain them in some systematic manner.

They are ignorant.

They know how to testify to the present, but they do not know how things operate. /SMM (68-276)

As he walked the course of restoration, Jesus did not delight in performing miracles. These miracles took place when Jesus shouted out in excruciating sadness.

When Jesus saw that the people were not likely to receive him by the words of God alone, he began to perform mighty works. He hoped that people could recognize him through his miracles.

Even though Jesus was born as the original son of God, he still needed to go the way of indemnity in order to save this world. (Compare O.T. blood, burnt offerings.)

Salvation,
But it also opened the way for 2000 years of Spiritual Salvation,
through Jesus voluntary blood sacrifice.
Compare O.T. blood offerings.

You must know that the bitter term
“restoration through indemnity”
emerged due to human beings being unable to fulfill
their portion of responsibility. / SMM 1983.3.1

The way of indemnity is necessary for us.
In order to save this world, you walk the way of indemnity.
Even though Jesus was born as the original son of God,
he still needed to go the way of indemnity in order to
save this world.

Since the world could not do so, and since the people
who were supposed to go the way of indemnity opposed
him, Jesus himself had to walk that path and had no
choice but to take responsibility. /SMM 1984.7.8

Jesus Christ came for the will of God, to transmit God's will to the chosen nation of Israel. God was moving in a certain direction and Jesus Christ was moving parallel to that direction, so certainly the people of Israel were supposed to move in a way parallel to Jesus.

If all three had been moving parallel in one direction, God's ultimate will could have been fulfilled in that nation. God and Jesus were united and all that was needed was to have the people of Israel unite with Jesus.

After man's having fulfilled on the national level, expansion of that fulfillment to the worldwide level would have been assured. /SMM 761225

The Root of Sin

This explanation of the human Fall will clarify these issues.

1.5 The Root of Sin

**First human
ancestors**

Angel

Illicit sexual relationship

The root of sin is that the first human ancestors had an illicit sexual relationship with an angel symbolized by a serpent (p. 61).

The image features a black background with several golden-yellow spotlights shining downwards from the top center. The beams of light create a dramatic, focused effect on the text below. The text is rendered in a bold, golden-yellow, sans-serif font with a slight 3D effect and a shadow.

Section 2

The Motivation

and Process of the Fall

God created the angelic world and assigned Lucifer^{(Isa. 14:12 [KJV](#))} to the position of archangel. Lucifer was the channel of God's love to the angelic world, just as Abraham was the channel of God's blessing to the Israelites.

In this position he virtually monopolized the love of God. However, after God created human beings as His children, He loved them many times more than He had ever loved Lucifer, whom He had created as His servant.

|

When Lucifer saw that God loved Adam and Eve more than him, he felt as if there had been a decrease in the love he received from God.

Comment: Look at a baby. If it sees its mother embracing any other child, it wants to push that child away!

2.2 The Spiritual Fall and the Physical Fall

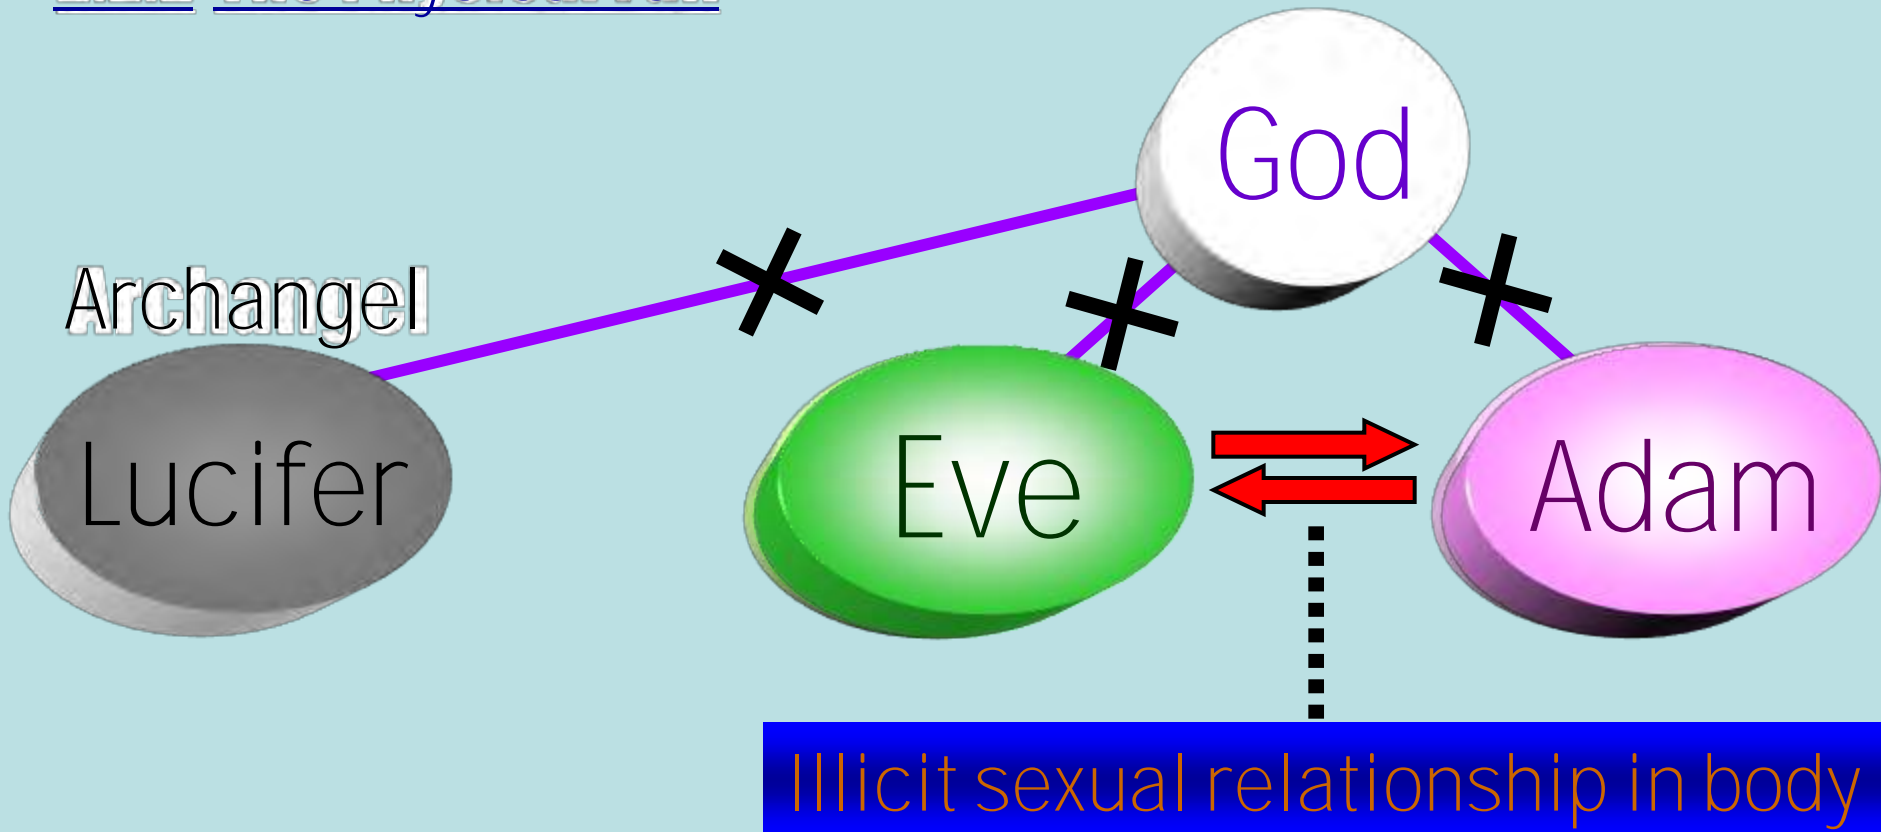

The fall which took place through the sexual relationship between the angel and Eve was the spiritual fall, while the fall which occurred through the sexual relationship between Eve and Adam was the physical fall.

2.2.1 The Spiritual Fall

Eve responded and formed a common base with Lucifer, the Archangel, and they began give and take action with each other, which brought them together in an illicit spiritual relationship of sexual love.

2.2.2 The Physical Fall

Adam responded and formed a common base with Eve, standing in the position of Archangel, and they began give and take action with each other, which brought them together in an illicit physical relationship of sexual love.

Behind the Fall

Eve approaching Adam not simply to seduce and have sex but with two agendas on her mind.

One was seduction because she had learned that from the archangel and thought this was the intended relationship.

The other was an unspoken cry for help as she was also struggling with separation anxiety and dread.

Adam failed to see this second issue – her confusion and her cry of pain, her cry for help.

Thus the blind sexual tryst, which they both fell into, failed to help.

Where Adam might have helped by retaining his natural dignity as a Son of God he had fallen into similar circumstances.

In this second area of the fall Eve had sought liberation from her internal suffering, her emotional psychological and spiritual agonizing albeit subconsciously felt but now both Adam and Eve were drawn into difficulties.

All this was a glimpse into the interior world of the self in trouble.

Ref: The Functionality of the Principle ~
Lecturer Joseph Kamiwatari

In our life:

Learning to read what lay under the persona presented to us is important.

This issue is called transference in the psychological world where an analyst may take on the feelings of a person in trouble thus seeking for the person suffering a transformation they might not be capable of themselves.

It is an act of service for others.

Adam failed to see his sister's suffering in this way
and became enmeshed in her sexual persona;

Understanding the importance of staying connected,
however, establishes true insight and then provides
a source of healing and redemption –
and that's the point.

Staying within the parameters of a healing
relationship can bring change to both.
It also leads to deeper insights.

Mathew 8:18 Verily I say unto you,
Whatsoever ye shall bind on earth (**with your physical body**)
shall be bound in heaven (**life in spirit world**):
and whatsoever ye shall loose on earth (**remove all evil**)
shall be loosed in heaven.

Mathew 5:48 Be ye therefore **perfect**, even as **your**
Father which is in heaven is **perfect**. (**without any Sin**)

Emanuel Swedenborg made the unique discovery that we each have *three* kinds or levels of blood—the red blood, the middle blood or Animal Spirit, and a higher blood fashioned from the human Soul.

The red blood maintains and grows a person's *physical body*, but the other two—from their purification—build and maintain a person's spiritual body, which houses the soul after death.

Sun Myung Moon: "Your body inherited **Satan's blood** lineage through his love.

Satan's blood has controlled you by the realm of power in order to trample upon your personality."

Summary: **The Fall of Humankind** is the story in the Bible of how sin and evil came into the world.

It was an event which was not simply the eating of a literal fruit, but was rather

the disobedience of Adam and Eve of God's commandment not to partake of sexual love until they were mature and could be

blessed by God in Holy Matrimony. (2nd Bible Blessing)

The Fruit of the Tree of the Knowledge of Good and Evil was Eve's Sexual Organ

Covering their sexual parts was an indication of sin

We do not know whether Eve picked and ate the fruit of the tree of the knowledge of good and evil or whether she ate an apple.

In order to do so, she would have had to first see it with her eyes, then move her hands to pick it, and finally eat it with her mouth.

Adam and Eve ought to have covered their eyes, hid their hands and covered their mouths;

yet they actually covered their sexual parts.

That is the problem. (54-62, 1972.3.11)

Quote: *"The idiom "to partake of a forbidden fruit" is still used today in Eastern cultures to mean the partaking of sexual love with a virgin woman."*

*/New Truth in the Last Days

Obvious sexual elements are woven into the Genesis story. The couple are at first naked, but they are ashamed following the act and cover themselves with fig leaves — a dress which was connected with sexual orgies.

The Works of Good Spirits and Evil Spirits

We use "good spirits" as a general term for God, spirits on the side of God, and good angels.

The general term for Satan and spirits on his side is "evil spirits."

The works of good spirits and evil spirits, as in the case of good and evil acts generally, have a similar appearance at the outset but pursue contrary purposes.

Over time, the works of a good spirit will increase a person's sense of peace and righteousness and even improve his health.

The works of evil spirits, on the contrary, will gradually lead to an increase of anxiety, fear and selfishness and cause his health to deteriorate.

It may be difficult for someone who does not know the Principle to discern the works of spirits, but eventually, often belatedly, he will recognize the nature of the spirits by the fruits they bear.

THIRTY YEARS
Among the Dead

The change called “death,” - the word is a misnomer – universally regarded with gloomy fear, occurs so naturally and simply that the greater number, after passing out of the physical are not aware that the transition has been made, and having no knowledge of a spiritual life

they are totally unconscious of having passed into another state of being.

Below it, the subtitle "Among the Dead" is printed in a smaller, white, serif font. The author's name, "H. P. Lovecraft", is faintly visible at the top of the cover.

THIRTY YEARS
Among the Dead

Deprived of their physical sense organs,
they are shut out from the physical light,
and lacking, a mental perception of the high purpose of
existence,

these individuals are spiritually blind and find
themselves in a twilight condition - the “outer darkness”
mentioned in the Bible –
and linger in the realm known as the Earth Sphere.

THIRTY YEARS
Among the Dead

Humanity is surrounded by the thought influence of millions of discarnate beings, who have not yet arrived at a full realization of life's higher purposes. A recognition of this fact accounts for a great portion of unbidden thoughts, emotions, strange forebodings, gloomy moods, irritabilities, unreasonable impulses, irrational outbursts of temper, uncontrollable infatuations and countless other mental vagaries.

While most doctors agree that our emotional state affects our physical health, few would give credence to "spiritual influences".

1998

Dr. Modi discovered that during hypnotic therapy **many patients claimed to have 'entities' attached to them, living in their energy fields and affecting their behavior.**

This book demonstrates the technique which she developed to "clear" these energy fields.

A Balanced Personality

Un-balanced Personality

The five personality distortions are as follows:

- **Schizoid** - Birth
- **Oral** - Infancy
- **Psychopath** - Early childhood
- **Masochist** - Time of potty training
- **Rigid** - Inner being is being threatened

The schizoid develop when trauma is present in the womb, at birth, or short thereafter.

The oral develops when the child feels in some abandoned during the infancy stage of total dependence.

Psychopath emerges when a real or perceived experience betrayal in early childhood is present.

The masochist appear about the time of potty training, when the development dependence and independence overlap, but are stagnated.

Last; the rigid develops when the child becomes aware that his or her inner being is being threatened.

In reality, people are generally a combination of different personality distortions.

Is there a fifth fallen nature?

In November of 2010, due to extenuating circumstances in our church community the Executive Vice President of the Family Federation for World Peace, Joshua Cotter, was asked to tour The United States giving a presentation entitled "A Period of Great Transition in History."

In that presentation he clarified the existence of a fifth fallen nature, "shifting the blame."

The Primary Characteristics of the Fallen Nature

Lucifer alienated from God, and got Eve and Adam to do the same.

The fruit "**Allienaton**" of man to man is therefor rampant today.

19 of 21 Civilizations!

Arnold Toynbee (1889-1975) observed that of the twenty-one most notable civilizations in history, nineteen of them perished not by external invaders but due to a collapse of internal moral standards.

Gonzalez also points to two other interesting studies. Through studying 80 civilizations over a period of 4000 years, Cambridge University historian J.D. Unwin noted that those civilizations that accommodated sexual promiscuity declined and collapsed.

Those that exercised sexual restraint managed to survive.

Perhaps one of the strongest indicators that the fall was sexually related is found in **the aesthetic practices of the great religions.**

The play Romeo and Juliet arguably equates love and sex with death.

Throughout the story, both Romeo and Juliet, along with the other characters, fantasise about it as a dark being, often equating it with a lover.

Capulet, for example, when he first discovers Juliet's (faked) death, describes it as having deflowered his daughter.

Juliet later erotically compares Romeo and death. Right before her suicide she grabs Romeo's dagger, saying "O happy dagger! This is thy sheath. There rust, and let me die."

Answer: During the time when children are growing, they do not know love.

These days, children see through TV and through parents, they see the love affair before they really mature and sense by themselves.

In Adam and Eve's case, they had nothing to see. They did not know about sexual love.

As long as they didn't know anything about it, God could not teach them. God had to wait until they matured and knew something about it before they could come under His Direct Dominion.

Until that time, God could not tell them, "Don't do this.
Don't have a sexual relationship with Lucifer".

Until that time, God could not tell them, "Don't do this. Don't have a sexual relationship with Lucifer".

Through natural growth and development, they would have matured and learned to know of love.

Salvation = Restoration
The role of religion

Introduction to restoration

- The providence of restoration refers to God's work to restore the fallen people to their original, unfallen state so that they may fulfill the purpose of creation.

- Since the providence of restoration is God's work of re-creation, which has as its goal the fulfillment of the purpose of creation, God works this providence in accordance with His Principle. In the course of the providence of restoration, this principle is called the Principle of Restoration.

The restoration and perfection of fallen people

- Human beings fell from the top of the growth stage and have been held under Satan's dominion.
- To be restored, we, fallen people:
 - ① First need to go through a course to separate Satan from ourselves in order to restore ourselves in form to the spiritual level which Adam and Eve had reached before the Fall—the top of the growth stage.

The restoration and perfection of fallen people

② On this foundation, we are to receive the Messiah and be reborn, remove our original sin, and thereby be fully restored to the original state of human beings before the Fall.

③ Finally, by following the Messiah, we should continue our growth to maturity,

④ Where we can fulfill the purpose of creation.

The Principle of restoration through indemnity

Where do human beings stand after the Fall?

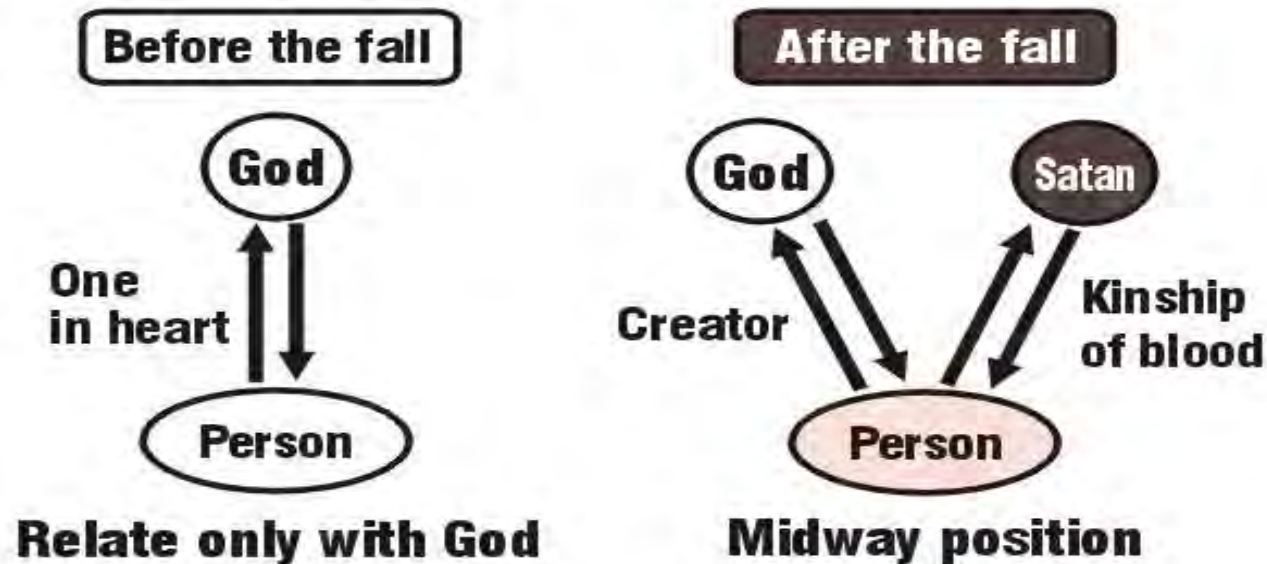

Relate only with God

- If the first human ancestors had reached perfection, they would have lived relating only with God.

The Principle of restoration through indemnity

Where do human beings stand after the Fall?

- However, due to their Fall, they joined in a kinship of blood with Satan. Hence, immediately after the Fall, they found themselves in the midway position between God and Satan, where they were relating with both.
- A fallen person will go to God's side if he makes good conditions and to Satan's side if he makes evil conditions.

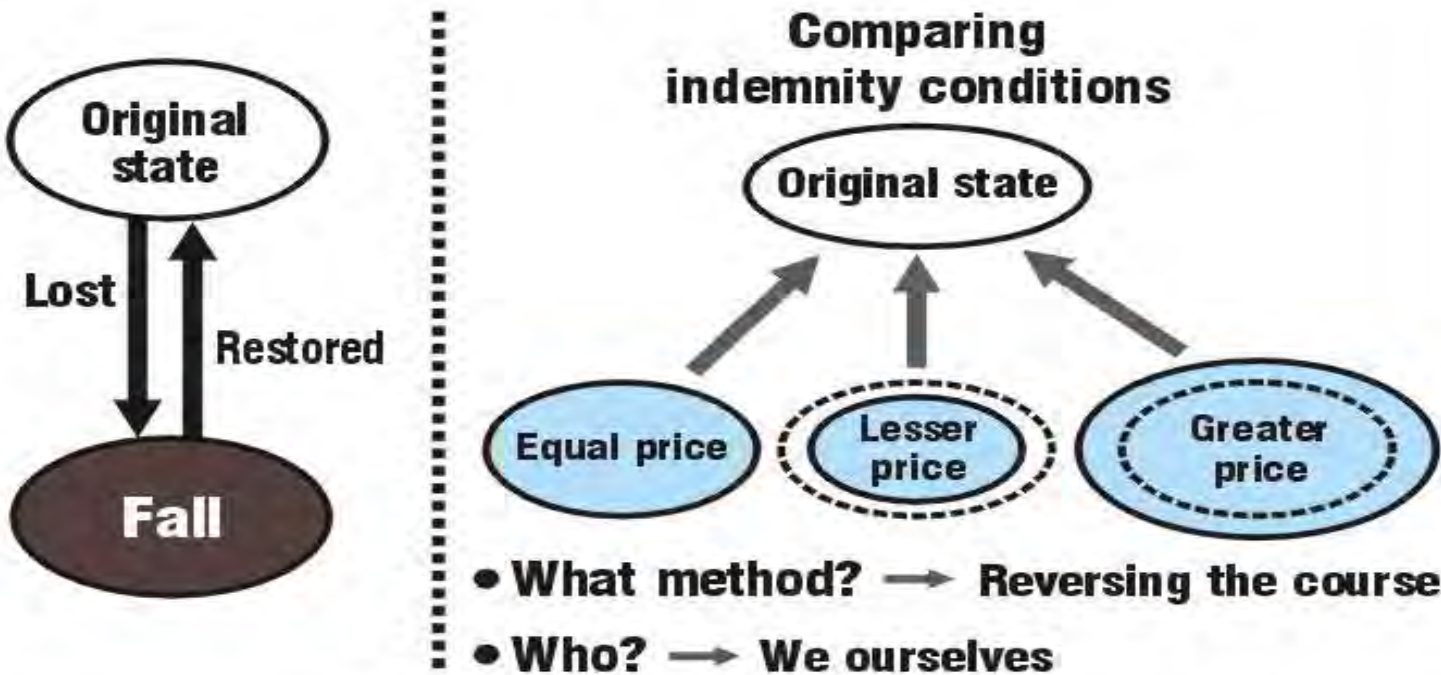

Establishing indemnity conditions

Comparing indemnity conditions

- When someone has lost his original position or state, he must make some condition to be restored to it.
- The making of such conditions of restitution is called indemnity.
- How does a condition of indemnity compare with the value of what was lost?

Establishing indemnity conditions

- An indemnity condition can be made at a price equal to, less than, or greater than the value of what was lost.
- As for the method, an indemnity condition is made by reversing the course through which the original state was lost.
- It is we ourselves who must fulfill the necessary indemnity conditions as our portion of responsibility.

The foundation for the Messiah

How Adam failed to achieve the purpose of creation

- For us, fallen people, to receive the Messiah, we must establish the foundation for the Messiah.
- To establish this foundation, since an indemnity condition is established through a reverse course of the failure, we must know how Adam failed to achieve the purpose of creation.

The foundation for the Messiah

How Adam failed to achieve the purpose of creation

- First, Adam should have established the foundation of faith by keeping strictly God's commandment and passing through a set growing period.
- Second, Adam should have established the foundation of substance: after establishing an unshakable foundation of faith, he was then to become one with God, thereby becoming a perfect incarnation of the Word and attaining individual perfection.

The foundation for the Messiah

How Adam failed to achieve the purpose of creation

X **Purpose of creation realized**

- However, Adam failed to establish these conditions and thus failed to achieve the purpose of creation.

How we can lay the foundation for the Messiah

+

Foundation
of
faith

- Therefore, in order to receive the Messiah and complete the purpose of creation, we must restore the foundation of faith and foundation of substance and thereby the foundation for the Messiah.

How we can lay the foundation for the Messiah

Foundation for the Messiah

- In order to restore the foundation of faith, first there must be a central figure. Second, a condition must be offered. Third, a numerical period of indemnity must be completed.
- In order to lay the foundation of substance, we must make the indemnity condition to remove the fallen nature.

That is why the path of salvation which Unification Thought is teaching is not individual salvation.

O.T.= Offering – Symbolic salvation

N.T.= Individual Salvation

C.T.= Family Salvation

If the family is not saved then nothing can be saved.

It is the salvation of couples and children.

If we are not able to save our children then we must wait in the spiritual world.

Thus in the spirit world the educational law is established.

Everyone must go to the spirit world in a single line.
Do you understand?

In the spirit world there is an educational system,
and all the things which were not able to be accomplished
on the earth are educated and everyone
must cross (pass?) over together.

We believe for the sake of family salvation.

Do you understand? [Yes.]

The works of re-creation follow the course of re-storage through indemnity; indemnity is carried out through the works of re-creation.

For this reason, it is a reasonable conclusion to say that sacrifice is inevitable.

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

When we say “restoration through indemnity,” it means indemnity for the sake of restoration.

Restoration through indemnity is the way to attain completion (perfection).

Only after indemnity can restoration take place; then we can go the path of perfection.

Thus, you can consider that
indemnity and restoration are one.

Thus, you can consider that indemnity and restoration are one.

Perfection cannot be attained automatically; it is attained through indemnity.

Therefore, human beings living in the fallen world cannot reach completions (perfection) unless they set up conditions of indemnity.

I. It is We who created you and gave you shape; then We bade the angels, “Bow down to Adam,” and they bowed down; **not so Iblis, he refused to be of those who bow down.** [God] said, “What prevented you from bowing down when I commanded you?” **He said, “I am better than he; You created me from fire, and him from clay.”** God said, “Get down from this place; it is not for you to be arrogant here; get out, for you are of the meanest of creatures.”

III. During the (Blessing) ceremony, the officiator, Rev. Moon, suddenly changed into the shape in which God had appeared in the Garden of Eden before the human fall; God's rays spun in splendid and enrapturing colors and circled around Rev. Moon, whereupon he assumed God's body.

III. Then, the whole scene of the Blessing ceremony was showered with brilliant light, as if floodlights of thousands of volts had been turned on in a dark room. In this ceremony, God's light touched each and every couple. At this time, my wife was on earth and I was, of course, in the spiritual world.

From Lucifer to True Parents:

I am offering this to True Parents. Since all people call you True Parents, I call you True Parents. I am very sorry that I gave you an extremely huge difficulty to straighten out the countless aspects of evil history of sin that I committed.

What word would I have to tell you? Once, I, undeserving and selfish, desired to receive the blessing.

I am very sorry for this.

If it is possible, I ask for your generous punishment, as you are the parents of humankind.

As I see the countless ways of evil and sin, the ways of indemnity, even with my eyes, I can see that the only way of my return is the way of bloody bruises. However, if it is the last way of suffering to go to God and True Parents, I will follow obeying.

The Meaning of Freedom from the Viewpoint of the Principle

1. First, there is no freedom outside the Principle.
Freedom requires both free will and the free actions
pursuant to that will

2. Second, there is no freedom without responsibility. Human beings, created according to the Principle, can reach perfection only by fulfilling their responsibility based on their free will.

- ***Following a doctrine does not qualify anyone as a child of God***
- ***You must not bargain with heaven, or look for the easy way***

Freedom from the portion of responsibility in relation to restoration

If Adam and Eve had fulfilled their portion of responsibility their descendants would not have been burdened with the responsibility for restoration.

They would have entered into an era of family ethics that would have been like sovereign law.

Until today, although God could move through 360 degrees on that same level plane, He could not teach us directly and we have been waiting for the emergence of a central figure (3rd Adam). That is why difficulties arose.

(136-316, 1985.12.29)

True Parents had to pass through an indemnity course on the level of the individual, family, tribe, people, nation, world and cosmos.

Love is restored by separating from Satan and by fulfilling man's portion of responsibility that was lost because of him.

Satan cannot invade those who love their enemies and love their enemies' countries.

Comparison Jesus Life & Death
and
The Life & Death of Sun Myung Moon

- Jesus Death and Resurrection

- True Fathers 7 Close Deaths and Resurrections

As a Messiah, to accomplish resurrection is an extremely meaningful accomplishment.

We were created by God but then,
because of the Fall, we fell away from God.
So for us, returning back to God's direct dominion
that is resurrection.

Jesus came in order to recreate mankind back into the state of being in God's direct dominion.

But Jesus was not able to accomplish that completely because he went the way of the cross.

He did manage to accomplish the spiritual resurrection but the physical body remained in the realm of Satan.

So Jesus died once, was resurrected once, spiritually.

And forty days after, he reappeared to mankind and was able to establish a very huge Christian church foundation based on that one resurrection.

True Parents have **faced death seven times** and been resurrected seven times, not only spiritually, but spiritually and physically.

This means that True Parents have an extremely huge gift to give to mankind because of the victory of those resurrections.

That's the grace of the seven deaths and resurrections.

True Parents have also discussed that we need to go through eight stages of horizontal [resurrection].

We have to accomplish victories at the individual, family, tribal, race, nation, world, cosmic levels.

1. The first resurrection was in the prison at Gyeonggi do.
Father was imprisoned in October 1944.
He was imprisoned for about 4 months until February 1945.
2. The second death and resurrection was at the Jeongju police station in North Korea. He was imprisoned for about a week during October of 1945.
3. The third time Father was imprisoned was by the internal security forces in 1946.

4. Hungnam death camp 1948-1950
*Father was able to witness and gain 12 disciples,
12 people who devoted themselves to Father at the risk
of their own lives. /WonPihlKim*
Korean War 1950-53, to Liberate True Father.
5. After Hungnam, Father was imprisoned again in
Seodaemun prison in 1955.
6. The sixth resurrection was when Father was held in
Danbury from July 20, 1984 until July 4 1985.
7. The seventh resurrection was 2008
the “helicopter accident”.

If we compare Jesus' resurrection and Father's resurrection,
True Parents were substantially resurrected.

Jesus shed blood on the cross.

True Parents were resurrected without shedding blood.

Jesus died alone and had to go and re-gather his disciples
when he was in spiritual form.

True Parents were not alone.

They had their followers with them in the helicopter and their followers saved them.

Jesus had to witness to himself as the Messiah after his resurrection.

But there were many, many people to witness to True Parents as the Messiah. They did not have to do it themselves.

Imagine now, True Parents have been resurrected seven times,
physically and spiritually.

So at this time, we need to believe in True Parents and
lead a clean and holy life.

We need to become one with True Parents.

We need to live for others.

We have to throw away all our old habits and become a model family following True Parents.

We are the people who should be following those eight stages of resurrection.

We need to clean ourselves internally and join with True Parents.

We are the people who should be following those seven stages of resurrection.

We need to clean ourselves internally and join with True Parents.

The Decline of Violence

The Decline of Violence

What led you to write a book on violence?

As I explain in the Preface, it was an interest in human nature and its moral and political implications, carried over from my earlier books.

In *How the Mind Works* (518–519) and *The Blank Slate* (166–169, 320, 330–336), I presented several kinds of evidence that violence had declined over time.

Then in 2007, through a quirky chain of events, I was contacted by scholars in a number of fields who informed me there was far more evidence for a decline in violence than I had realized.

More independent references to a sexual root in Fall of Man

William Branham

William Branham USA had been hearing voices since he was seven years old. Finally, in May of 1946, Branham was **commissioned by an angel from God to be the forerunner of the Second Coming of Christ.**

(1909-1965)

One of the more radical beliefs of the group is that of **Serpent Seed** which states that **the first sin committed occurred when Eve engaged in sexual activities with the Serpent in the Garden of Eden thus causing "the fall of man."**

*“What did he do? **He begin making love to Eve.***

And he lived with her as a husband.

*And she saw it was pleasant, so she went and told her husband; but **she was already pregnant by Satan.***

And she brought forth her first son whose name was Cain, the son of Satan.

My comment: In June 1946 TF went to Pyong Yang to search for the prepared Spir. groups.

Seams like that Heavenly mission "spilled over" to US.

"*Genesis* is deeply symbolic, and cannot be grasped by a literal interpretation," he explained. "Its 'tree of life' is the human body."

The spinal cord is like an upturned tree, with man's hair as its roots, and afferent (ingoing) and efferent (outgoing) nerves as branches.

The tree of the nervous system bears many enjoyable fruits, or sensations of sight, sound, smell, taste, and touch. In these, man may rightfully indulge; but he was forbidden the experience of sex, the 'apple' at the center of the bodily garden.

"The 'serpent' represents the coiled-up spinal energy which stimulates the sex nerves.

'Adam' is reason, and 'Eve' is feeling.

When the emotion or Eve-consciousness in any human being is overpowered by the sex impulse, his reason or Adam also succumbs (collapses).

Comment: "The interpretation of the text, which understood it to refer to a miscegenation between fallen angels and w o m e n , was given additional emphasis by a variant reading of the text of the Septuagint Greek translation of the Old Testament in verses 2 and 4.

Instead of reading "hoi huoi tou Theou" this variant gave "fioi angeloι tou Theou" - that is, it was directly stated in this variant that it was "the angels of God" w h o went in to the daughters of men.

This variant reading was for long the most widely accepted in the early Church.

The Apologists of the second century found no difficulty in accepting the notion of commerce between angelic spirits and women.

For example St, Justin Martyr dearly knows the text of the Book of Enoch and the Book of jubilees, and explains that the offspring of this unnatural union were the demons who tempt and prey upon men (Apologia II.5).

The same tradition is continued by Athenagoras, Irenaeus, and Clement of Alexandria, who held that although the angels took part of the spiritual world, they were capable of being attracted to a lower beauty.

Likewise Tertullian calls these fallen angels "desertores Dei, amatores feminarum", and uses this example to warn women against cosmetics and bewitching finery.

Julius Africanus took the "daughters of men" to be the "daughters of the race of Cain".

The Clementine apocrypha of the third century explained that after falling from their high estate into an illicit union with women the wicked spirits revealed to women evil arts.

As in exegesis of the Eden story, so here there was a readiness to see **w o m e n** as especially connected with the origin of sin and evil.

Lactantius explained that there were two kinds of demons; the first were spiritual creatures only, fallen from heaven; the others were the descendants of the perverse sexual union mentioned in Genesis VI."

Since there are moral connections between all people, it follows that the effects of sin are not shut up within the individual but are passed down through the human race.

"If we are units," Bushnell wrote, "so also are we a race, and the race is one — one family, an organic whole; such that the fall of the head involves the fall of all the members."

C. G. Jung, Man and his Symbols

Every culture has a mythological story about a fall from grace –
Alienating Common symbols - from Mankind's common
"Collective Subconscious" symbols indicate a sexual guilt!

The English poet John Milton wrote in 1667:

After eating the fruit, then Adam and Eve had pleasurable sex, and only Adam is convinced that Eve was right when she thought that eating the fruit would be beneficial.

However, they soon fall asleep and have terrible nightmares, and after they woke up, they experience guilt and shame for the first time.

Realizing that they have committed a terrible act against God, and begin to accuse each other.

Graham Greene in an interview in 1949:

“I've always been interested in the mystery of sin.
It is always the foundation of my books.

Since publication of the first, I've had an audience ready to receive the message and be sensitive to this issue.

T.S. Elliot argues that

before 1930 had authors no sense of original sin.

But that situation has changed, especially after the war.

Comment: *1935 SMM mission to the principles reveal the true origin of sin = Illicit sexual union between Eve - Lucifer and then Eve – Adam producing Original sin, Ancestral, Collective and Personal Sin.*

Ruth Montgomery, spiritual medium
An example of a drug addict's death experience

People who die as an alcoholic can hover around people on earth who drink too much, crave alcohol still unable to break the habit bands that bound them to their physical bodies.

Same with heavy smoking or drug use, there or here, or sex maniacs who exploit others in order to appease the bodily desire for intercourse.

To escape the ... we must break ties,
the shackles that bind us to satisfy the physical body.

So try to break the bad habits of the earth.
It is clearly easier to SOLVE them on earth.

Those who do not drink or smoke or use drugs or
lust for sex will be free from these shackles
on the other side.

It is easier to break these shackles while in physical form
than to undo them on the other side,
there are no temptations in our way (in spir. world).

Thus, there is no reward for behaving correctly here in spirit,
because there is something to tempt us with.

The hard school is in the physical, and it is there that we must
face and overcome temptation.

Apology of Lucifer

I am offering this to God.

God, I am very sorry.

How could I dare to ask for Your forgiveness?

I will return as Lucifer, wishing all humankind to be happy as children of God.

“You have to be carefully taught to hate and fear.”
People’s insecurities allow them to uplift themselves as long as they think they are better than someone else. Thus, we have the slave system that existed in the American South, the caste system in India, Shiites versus Sunnis in the Middle East, Jews in Israel and Palestinians in the West Bank and Gaza.

We can go back through time to Vietnam, Korea, World Wars I and II, the Russian Revolution, the Crimean War, the Spanish-American War, the Crusades, and all the religious wars through the historical tribal warfare all the way back to Adam and Eve.

Summary:

- John the Baptist did witness to Jesus as Messiah, at Baptism
But then failed to follow Jesus, recognize himself as Elijah
and lay a physical and spiritual protective foundation.
- Jesus crucifixion was murder and hindered Jesus to fulfill the ultimate messianic mission of removing Original Sin.
- The removal of Original sin will open a door of Salvation
and ultimately lead to the removal of all sins
(**Original, Collective, Ancestral, and Personal**)

Summary:

- The one and only reason for Jesus to promise his return is to repeat and fulfill the messianic mission, of physical and spiritual salvation = removal of Original Sin
- This will be done by a messianic new birth on Earth and a Holy Marriage of the Lamb.

Summary:

Restoring the Spiritual Fall

From Hyung Jin Nims Lecture

High -Noon

"Before you desire to have dominion over the universe, you must first have dominion over yourself."

Your conscience knows everything about you. It knows them even better than God knows.

So if you place your conscience in God's position over your life, and go the way of absolute obedience, of "high-noon settlement", it is certain that you will establish a realm of resonance between your mind and body and perfect their unity.

/SMM 13 Jun. 2006

The kingdom of heaven in heaven is the world of "high noon", where God and man can meet without any shadow in a total union filled with brightness. /SMM 2 Jan. 1983
