**TOWARDS
HUMAN UNITY

Anthony Brooke**

1964

*Sir Anthony Brooke (former king of Sarawak, in Malaysia)
meets SunMyungMoon and members in Korea March 2 1964*

From Brookes book TOWARDS HUMAN UNITY:

At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A., a questioner bluntly asked him (SMM):
"Are you Christ?"

In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying: "and so are you... and you... and you also, if you can accept it." (Prophecy)

On another occasion a translation of what he said in the Korean language was given as follows:

"This is God's world and it has no boundaries.
It is one.

-

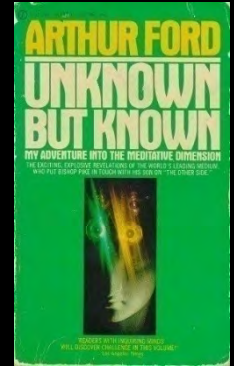

Your life is one of universal significance and I call upon
you to share my mission. Be urgently concerned for the
world and know, feel and act in accordance with the
Divine Will.

The purpose of the coming Lord is that some day all
shall be like him – like Christ."

It is in his own conscious acceptance of this mission that Sun Myung Moon has meaning for the world. It is the need for urgent, immediate and sustained action in the service of the universal Christ which remains our predominant and enduring thought and inspiration as the result of our meetings in Korea with Sun Myung Moon.

Contin.

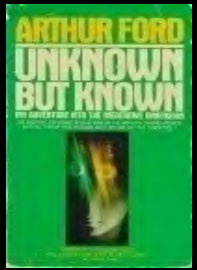

Walter Voelker: What can we ourselves do to help?

Fletcher: Hear the word and do not allow tradition to blind you to revelation.

Walter Voelker: How can we reach others and bring this to their attention?

Fletcher: I know of no way except individuals who experience God in some form - who have had the courage to look at what they are and what they have and what they believe through the lens of revelation and inspiration - then speak.

1965

Mr. Moon reminded me that in the Book of Revelation there is a picture of the New Jerusalem, the Holy City, coming down out of the heavens.

And there was a door on the east and a door on the south, a door on the north and a door on the west – and when the teacher comes, he always has to come through the eastern gate.

In the Holy City of Jerusalem there is an eastern gate long since sealed and blocked.
It will never be opened until the new teacher comes.

/Arthur Ford sitting 1965

The Hebrew name of the Golden Gate is Sha'ar HaRachamim (שַׁעַר הַרַחֲמִים), Gate of Mercy. In Jewish sources the eastern gate of the Temple compound is called the Shushan Gate., this would make it the oldest of the current gates in Jerusalem's Old City Walls.

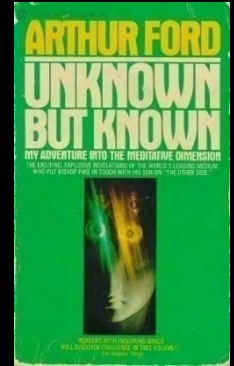

**I can only repeat the vision of John, that when the New Age comes, the Eastern Gate will open, and not only man –
but Revelation – will flow out of that gate. /Fletcher**

According to Jewish tradition, the Shekhinah (כינה) Divine Presence) used to appear through the eastern Gate, and will appear again when the Anointed One (Messiah) comes (Ezekiel 44:1–3)

Comment :

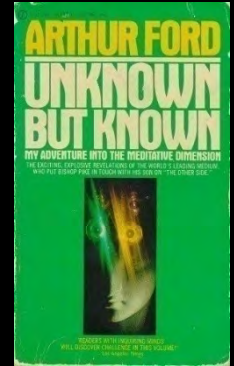

Divine Principle claims Messiah comes from the East, Korea!

Anthony Brooke: Can you say how near we are to such a breakthrough of universal truth?

Fletcher: You are in the process now. But before Jesus became manifest there were people who had been prepared - John the Baptist came prepared. But the world has grown and multiplied - the means of communication have become simpler and easier.

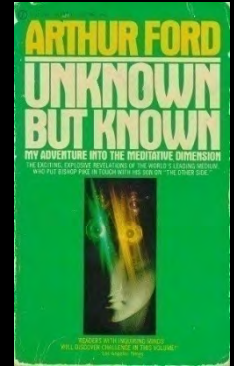

It takes not one man in a little country to be a John the Baptist, but many men in many countries to herald the coming.

Fletcher: Tell him that he did well to come here....

This is the end of an age, and the battle that is raging is really Armageddon. It's a battle between the selfish, brutal men who do not think in terms of God or things which are associated with that word - against those peoples who will be the harbingers of the New Age.

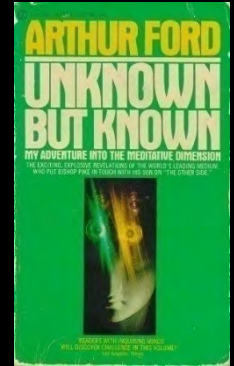

You are now in the new Age - and old things are being destroyed - and new things - which are eternal but which are new only because mankind has now reached the point where it is able to recognize them and use them.

Fletcher: The Jesus of Galilee will not return –
it is not necessary.

The Christ who manifested through him is
the Eternal – he will manifest again.

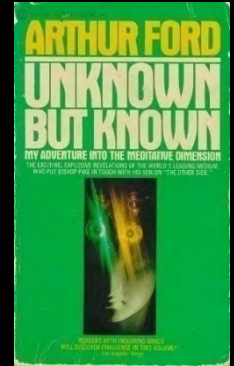

(Comment: New Adam will again be manifested in a
human babys body – like Jesus 2000 yrs ago)

Walter Voelker: May I ask a question, Fletcher?

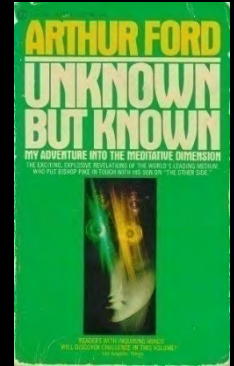

For persons like me, familiar with the teachings of Jesus and to whom the Divine Principles seem strange,

can anyone tell the relationship between the "teachings of Jesus" and the "messages of Sun Myung Moon" so that I will not be confused?

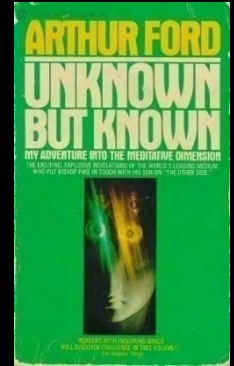

Fletcher: I will have to speak for the people here. Truth never contradicts itself. Quite often what you call the teachings of Jesus may be - they often are - interpretations which men have made, and about which men have built institutions.

You cannot, in your age, rely upon any ancient formula or any ancient definitions of God or man. The other religions develop dogmas and doctrines about both man and God. And when they declared them, science challenged them - and then chaos, confusion, set in.

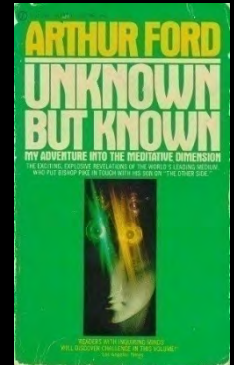

In the age in which you are living,
all the debris that has accumulated around Truth must
be brushed aside, for all Truths become loaded with
ideas, organisations, which grow up in the heart of
devout people, but which have no relation really to the
Truth itself.

But if you try to build a life, a philosophy, or a religion
only on those facts which you are able to perceive
through your senses - and if you rely only upon sensory
perception and experience, you will not find the Truth.

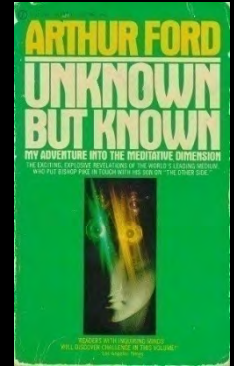

There was no Evil in God's creation; there is no Evil in the Mind of God.

But **man through his own choice** - and because he has yielded to the instinctual urges which are a heritage of his **animal ancestry** as a physical vehicle - has created **a dual universe**.

And you will be compelled to end the Battle of Armageddon. But it will be a victory in which all the selfish nationalism, the creeds, the hates that grow out of these things will be ended.

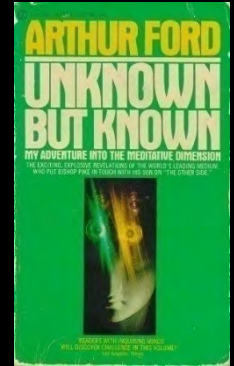

It will not be finished in your lifetime, but your lifetime is not limited to this little expression through your physical bodies. You will still be a part of the chosen; you will still be a part of those who will be influencing and guiding and throwing light on the path of those who will build the Kingdom of God on earth.

Miss Kim: Do you mean the Christ of 2,000 years ago?

Fletcher: There was no Christ 2,000 years ago there was a *man* 2,000 years ago through whom the Anointed One was able to manifest.

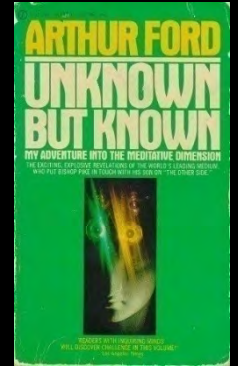

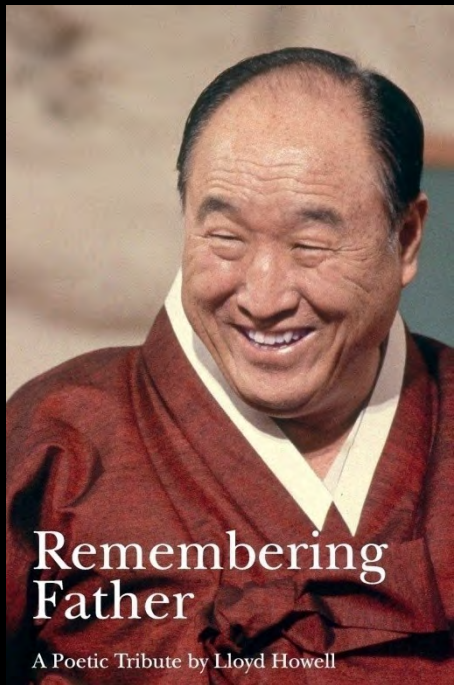

The man died - Christ lived - and, as the Holy Spirit, has been helping. You must remember that, when this man said, "I will be with you until the end of the age," it was not the Galilean speaking, it was the Incarnate Christ....

Miss Kim: Will there be many leaders in the New Age?

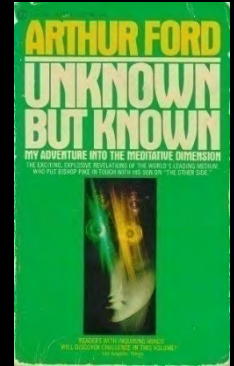

Fletcher: Even if there is a Christ he had to choose the twelve, and they, in turn, touched the lives of others. Because the message could not have been given if it had been limited to one man, to one race, to one group.

But always, as this man said, it has to start with one man - and always the revelation is founded upon the truth *once* revealed, but it is added to, and expressed in terms not of yesterday, but of the future.... There must always be someone who can accept the responsibility of passing the truth on.

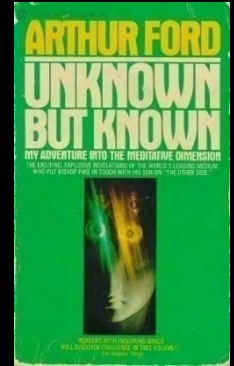

The Spirit of Truth, like the sun, will light the whole world.

Miss Kim: Do you know that there should be one true father and mother - true parents for the New Age?

Col. Pak: Could you give me some forecast of our leader's work, the teaching and educational process of this new truth, in the United States?

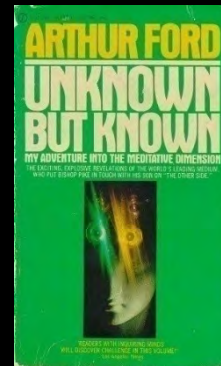

Fletcher: First of all, he must be willing to listen, to speak, and then have his words translated - and they will be translated into many languages.

But you cannot expect the message to be accepted immediately by vast numbers of people only those who are ready and who are willing to listen and to whom this particular message seems to be right and meaningful. That is the way that all the world teachers have had to go.

And remember one thing only, that if it is of God, it can not fail.

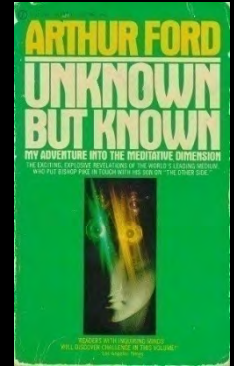

And it is of God.

You are very fortunate to have a man who can be used so greatly to lift the pall of spiritual darkness. It is no accident that Mr. Moon was chosen because he was born into a part of the world, where at this particular moment, the battle is raging most fiercely.

He will be able, through his influence and the people whom he reaches with the message to turn the Battle of Armageddon into victory in the East.

I can only repeat the vision of John, that when the New Age comes, the Eastern Gate will open, and not only man - but Revelation - will flow out of that gate.

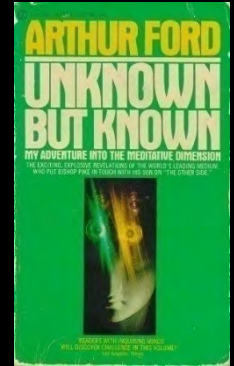

Col. Pak: One question. Do we have to overcome the greater degree of a kind of persecution or oppression while we are enforcing our spiritual movement in this world?

Fletcher: Every spiritual movement has to meet opposition even from other spiritual movements, because you have to, by your lives, demonstrate that you have something that is superior.

No argument will win the victory in a spiritual contest - except the transformed personality.

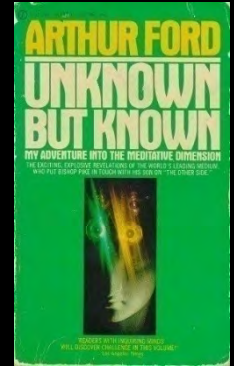

You have it, sir. Others have it.

Gordon Ross: Will you say when the New Age began?
What year?

Fletcher: The New Age moved in gradually - it has been gradually coming for half a century, but four years ago - -
- Never make the mistake of saying Christ was born -
Jesus was born in Bethlehem - Christ the Incarnate One
used his body -
he lived before - and he lives now.

2. Remarks by Sun Myung Moon as interpreted by Bo Hi Pak Arlington, Virginia, - April 21, 1965

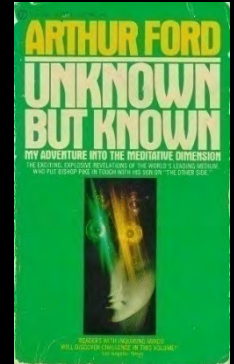

My endeavor now comes to the point that it must be manifested and fulfilled.

My utmost interest is focused upon two major points.

ONE, the liberation of humanity - the true liberation I mean - the liberation from sin -- liberation from the bondage of evil forces.

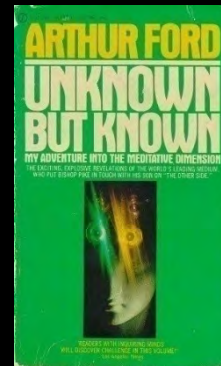

This is my focus of attention and this is my very endeavor in which I am dedicated; and

2. Remarks by Sun Myung Moon as interpreted by Bo Hi Pak Arlington, Virginia, - April 21, 1965

SECOND, how I can remedy or rectify the broken heart of God - how the sorrow of God can be interpreted and learned by all people.

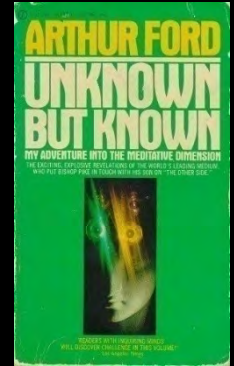

In other words, how can we liberate the World of Spirit as well as the Physical World from the bondage of satan. You may not know very well, but I say that I am a rather controversial person, maybe not in this world as yet, but certainly in the World of Spirit.

The world has known many saviors.
The very word savior means a healer.
Mr. Moon is one who is to heal, not simply
the bodies, but the minds and the spirits of men.
And when a person is healed he is free.

...he will speak of basic things out of which every spiritual yearning and aspiration must grow. He will speak of an eternal God. And he will speak of that God in action through men.

And he will help you, as Jesus tried to help you - and which so many of you have forgotten - that the man who is spiritually healed and free is no longer under law.

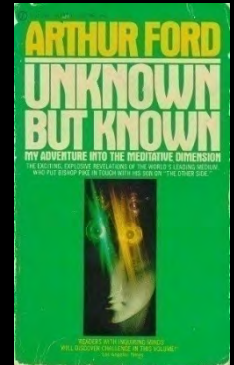

He is doing exactly what Jesus in his life tried to do!

The religion of tomorrow will not be called Christian as you know it now.

You are already living in a New Age, a post-Christian age.

Principles of the Christ are not limited to any age.

He is a fortunate man who has found a teacher who does not mouth pseudo-truths, who strips away everything to hide you from the only truth - that God is - that God is in you.

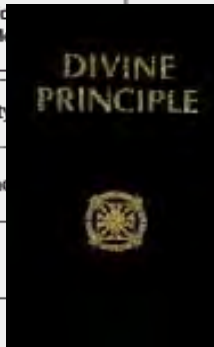

You do well to follow Mr. Moon. But Mr. Moon does not include within himself all of God. He includes more of God than any of you - but that God seeks through him to completely enfold you into the One - so that you may find yourself in peace.

Baba Vanga
blind Bulgarian

1911-1996

Baba Vanga's prophecies made her famous; probably not as famous as Nostradamus, but still, for a humble, illiterate, blind Bulgarian she made headlines all over the world.

Interesting fact:

Baba Vanga mentioned a
new religion that will take the earth by the storm:

The White color associated with that new religion
is often associated with the White Brotherhood,
but is more possibly representing
a religion coming from Korea,
known as the people of the white clothes.

"Christ will Return as a peacemaker"
and unify all religions.

Vanga promises that the prophecy in the Bible
concerning the Second Coming of Christ will come true.

She described him as a peacemaker who comes to our time
and "will sign the eternal peace".

In Vanga's words God is one and religions will soon find a
common purpose
and the whole humanity will come to believe one truth.

The new religious leader, coming from the East as
the Messianic figure to guide humanity towards peace
will unite all religions;

He will build a world highway with super fast trains, resolving all barriers and resentments by using marriage to promote peace and love where there was hatred.

In fact most of what she described him doing can be associated with the Universal Peace Federation and its founder, Rev. Dr. Sun Myung Moon.

"He will come (2001-2025) and unify the world.. Foolish people will not recognize it. The one who is to come will establish a foundation in the early part of his life. In his latter years (2001-2025) he will accomplish the will of God..“

"He will suffer and shed tears of blood... and reach out to the four corners of the world. He will unite Confucianism, Buddhism and Christianity and he will come as the true man.. He is the one who builds the new Heaven, new earth and the clean and clear new world."
It's predicted that he will suffer before being recognized,

"This man will surely achieve his goal after enduring much difficulty. All people of the world must accept and uphold these words as God's own commandment. He is the one who comes to this world from Heaven in the last days, to save every person on earth."

He will be born in the north part of the Korean peninsular, "The one comes from a peninsula on a corner of the eastern continent... born north of the 38-th parallel and comes with God's great mission.. He is the one prophesied to come.. "king of the clouds".. and those who follow him will prosper."

"Foolish people will see him but they will not recognize him. They will hear him but not understand. It's lamentable. Be diligent and try hard, and do not miss the Heavenly-given time.. Peace in the world will be achieved."

"The Savior is the one which appeared not the first but second. His family name will be hidden when it is sent to earth from Heaven. **This family name is Moon.**"

Dr. Sun Myung Moon

Prophecies for bright future: "Expect changes for the better, religions will unite, peace will be established on earth, people will understand the existence of the spiritual world.

After 2000 there will be no flood, instead we will see peace and prosperity.

But humanity must recognize and the guidance of this Messianic personality. "

Unity of Religions

Religions will vanish and humanity will believe in one doctrine.

This will bring together humanity together as one family and bring peace and prosperity, **predicts**

Vanga. "Humanity will survive many upheavals and many violent events.

Will change and people's minds.

"There will Come hard times, people will be divided into groups of faith.

All religions will one day disappear!

Will remain just teaching."

Unity of Religions

Vanga predicted current selfish separation of religions.

"Now different religions want to benefit from any cooked, but their time goes. Mankind will shed these chains.

Religion will have another task. "Rather than argue and quarrel with each other religions will join hands to build a new and peaceful world by accepting the Messianic person who will come."

The Second Advent

Vanga predicted the coming of the Second Coming "... it is He who again returns to us as was promised."

And she mentions that the saints of the spiritual world will inspire all people on earth for the changes he should make on the earth."

The Second Advent

"All the apostles are now in motion, all the saints are on the Earth since the time of the Holy Spirit comes."

According to her words, obviously this is now.

She talks about the emergence of "holy man", (1987)- she meant the moral grandeur of the future leader" "from another country".

Her prophecies point to the East and the Korean people.

The Second Advent

It seems that he has already come, but the changes he will bring will become visible only after time.

Vanga is clear that this person will work to remove the religious divide, which is the cause of many ethnic and religious wars and tensions around the world.

Also from her prophecy is clear that he comes as a peacemaker to bring peace to mankind.

Or as she puts it,

"He who will sign the final contract for the peace of the planet."

According to Baba Vanga, her powers were derived from “invisible creatures” whose origins were unknown.

Yet, they could communicate with her.

She also claimed to have healing powers, and would often prescribe herbs and spices to cure diseases and ailments.

But she said that people had to heal themselves only with the herbs from the country they live in.

Spirit World was real to her:

She predicts that the time will come soon when science will prove the existence of life after death. She was not afraid of the death, because according to her “after death the body decomposes, like everything alive, but a part of the body – the soul, or something I don’t know how to call it, does not decompose.

You talk about second birth. I do not know what it is. But what remains from a man - it’s the soul. It does not decompose, and continues to develop to reach higher states. This is the eternity of soul.”

Don't seek revenge - Vanga never allowed anybody to seek revenge.

She believed that a man is born to make good.

No bad thing ever remains unpunished.

It is always punished and if it does not affect the man who made the wrong, it affects his children.

Vanga predicted the 9/11 terrorist attacks in the United States, when she said that American brothers would fall under attacks of birds of steel, the perestroika in the USSR, the death of Princess Diana, the sinking of the Kursk submarine and that the 44th US president would be black and would be “the last one.” She went on, saying that following his stepping into position, there would be a spectacular economic crisis and a conflict between north and south states, with Indonesia getting involved.

2018 - China becomes the new world power.

2023 - Earth's orbit will change slightly

2028 - Development of a new energy source. (Probably controller thermonuclear reaction) Hunger slowly stops being a problem. Piloted spaceship to Venus deploys.

2033 - Polar ice caps melt. World ocean levels rise.

During the years before Ron was elected to public office, I had often detected a spiritual side to him. For example, I remember once when I gave a small dinner party at the Beverly Hilton Hotel and invited him.

He brought up the subject of the Second Coming of Christ.
The same subject came up with him on other occasions as well.

(Billy Graham Biography *Just As I Am*)

If he (Jesus) had been allowed to live

He would have gone on teaching and in the end,
been accepted by all as the Son of God,
and the world would have become
a better place for it.

But Man has free will and He was put to death
and the plans made by God were thwarted.

PREDICTIONS FROM THE DIARY
OF POPE JOHN THE 23rd

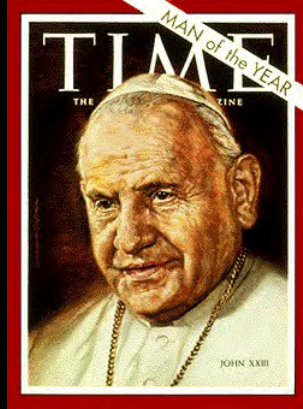

1881 – 1963

*Pope John XXIII (Latin: Ioannes PP. XXIII; Italian: Giovanni XXIII),
the 261st Pope of the Catholic Church and Sovereign of
Vatican City on 28 October 1958.*

He called the Second Vatican Council (1962–1965)

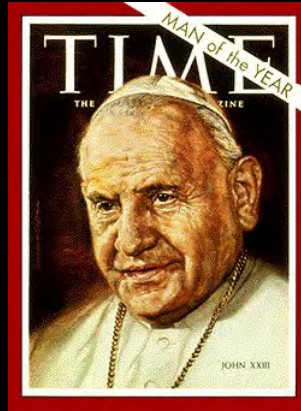

The following is from the diary of Pope John the 23rd who reigned from 1958 to 1963. This copy that appears in total was distributed by certain groups in several Catholic churches in metro Manila (Phillipines).

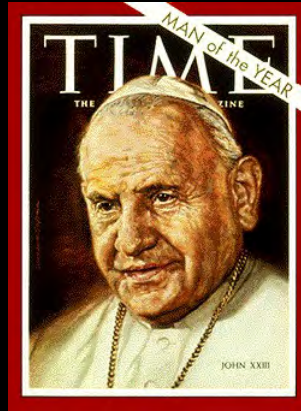

The world will suffer through a painful period of violent wars, deadly famine, and destructive natural disasters over the next eight years (1958-1964).

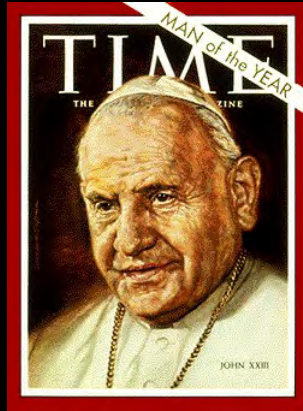

But that nightmare will be followed by a lengthily stretch of love and harmony, a beautiful serene heaven on earth.

Those startling predictions come from the sensational lost diary of Pope John the 23rd, the beloved Pontiff who died June 23, 1963. The dusty, leather bound diary containing hand written predictions was found by a Vatican cleaning woman who was sorting through boxes stacked in a little used storage room.

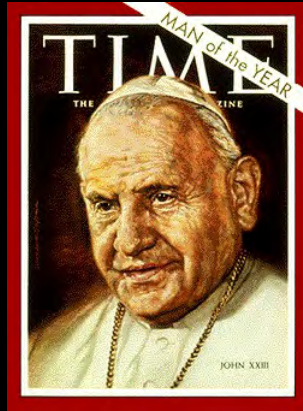

The entries clearly spell out the assassination of John F. Kennedy, the Vietnam war, the unrest in the Middle East, and the fall of communism years before they took place. Later entries call for even more troubled times.

Pope John had periodic visits from both Jesus and the Virgin Mary says a reverend who has poured over the wondrous tales. These sessions in the Pope's chambers resulted in fantastic glimpses into the future of mankind.

The Pope was saddened to learn that **conditions will get much worse before they take** a sudden sensational turn in the year 2000 that will return the world to the pristine beauty that was here for Adam and Eve.

January 30, 1960

Christ comes to me again. I yearn to tell my fellow Christians of these miraculous appearances, but I am advised to keep quiet until the time is right. I can not help but think I could perhaps head off some of the trouble that looms for us all. But Christ tells me that misery must take place for the master plan to succeed.

internal John the Baptist.*

This did not happen. So, like the original John the Baptist at the time of Christ, JFK lost spiritual protection and was killed. However, the providence goes in cycles.

Therefore, new responsibility fell upon JFK, Jr. From a certain providential view, he was placed in the position of both JFK and Pope John the 23rd. Therefore, he received the name John John, representing both of these providential figures.

From his book TOWARDS HUMAN UNITY:

At a meeting held in the eastern part of the United States on the occasion of his first visit to the U.S.A., a questioner bluntly asked him:
"Are you Christ?"

In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying:

After spending a month in Korea as his guest, I can myself testify to the remarkable revelations which come to those who are attuned to him.

It seems to me that because Sun Myung Moon is incarnate upon the earth at this time and has a particular link with the Christ Ray, he make an indispensable bridge for many people who are being given exceptional and life changing experiences by taking his powerful name into their meditations.

It does not seem to me to be adequate to dismiss this Revelation with the advice of Gamaliel as given in Chapter 5 of the Acts of the Apostles.

It is surely not enough simply to say:

"Let these people alone.

If this movement is merely human
it will collapse of its own accord,

whereas if it is of God it cannot be overthrown."

"Sun Myung Moon is direct link with Ashtar Command. Through him the forces are dispersed where necessary. These forces are not of one planet alone. They are gathered from many and are the chosen ones for this work for their knowledge and for their great love for the universal God."

Google for "Universal link"

It is in his own conscious acceptance of this mission that Sun Myung Moon has meaning for the world. It is the need for urgent, immediate and sustained action in the service of the universal Christ which remains our predominant and enduring thought and inspiration as the result of our meetings in Korea with Sun Myung Moon.

Buffalo Signals Messianic Age to Native Americans *by Renee Thomson-Madison, WI*

Early in the morning on Aug. 20, 1994, in Janesville, Wisconsin, Dave Heider, a local livestock farmer, went out to his field to check on his herd of buffalo.

He could not believe what he found; rubbing his eyes and looking again, he realized that the white buffalo calf standing in front of him was not an apparition. In those early moments of bewilderment, Mr. Heider did not truly understand that the newborn calf he was marveling at was the fulfillment of a prophecy of the Native Americans.

Local news reports from The Janesville Gazette have presented the issue to the public: "Mr. Heider said, 'It's like the second coming of Christ for Christians. It is very sacred. I still don't know why God gave us this white calf."

(Thursday, Sept. 1, 1994)

Background. Among the Korean world community they have recognized the growing number of prophecies focusing upon independent western christian testimonies about Korea as the future spiritual hub of the world.

The prophet foretold the world focus is directed toward Korea!

Anthony Brooke testifies to Sun Myung Moon in Norway July 1973

Our missionary in Reykjavik (Iceland), Miss [Ase] Ulimoen, went to such a lecture in the hope of finding some open minded and searching people among the listeners whom she could witness to.

She was surprised to learn that Mr. Brooke was an "old friend of the Family" and that he was repeating again in his conversations with different people after the lecture a message he receives from "the spiritual realms".

The content of this message was simply, "Watch Korea!"

1973

Modern prophecies

When he was referring to other telepathic communications Greta Ahlberg (Finnish medium) and he received, he said that they were speaking about a big and sudden change in human consciousness, in the not too far future.

If mankind were not prepared enough for this change, then terrible confusion and chaos would be the result.

There was a possibility that this change would come about by some "energy explosion" not necessarily atom energy.

He was also talking about telepathic messages which would reach people directly in that situation and the "Commander in Chief" who would send out these telepathic messages as the main sender would be Sun Myung Moon.

GOD'S PLAN FOR KOREA

Modern prophecies

After the unification of South and North Korea,
Korea is the world's most powerful spiritual country.
It will be the economic powerhouse of the world
Many prophets has an eye toward Korea.

Catherine Brown

In a vision, I see an open heaven over Seoul.

As I look upwards, towards God's throne,
the view is clear and magnificent. High in the heavenly
realms I see two angels poised over Seoul, one with a
trumpet and the other with a bowl full of golden liquid.

The first angel begins to blow the trumpet, whilst the
second pours out the bowl (answered prayers and the
glory of God) on the capital of South Korea on the many
thousands of people who are gathered to pray and praise
Christ our King.

With uplifted hands the believers worship, their prayers and praise being orchestrated from the Throne Room of God our heavenly Father.

This releases a wave of glory on the capital. I see this wave has a ripple effect in like manner to a pebble being thrown into a still pool of water. The effects are wide reaching! Praise God!

The large gathering I witness in the vision in Seoul is followed by further smaller gatherings along the border between South and North Korea.

These coming assemblies (some as few as one and two people) are for worship and praise to Jesus. Many angels are stationed and positioned as the Lord's border control agents. I hear the Spirit of the Lord say, "It is possible to pass through the borders.

Even though mankind has set up blockades and has made passing through them seem impossible, my precious children nothing is impossible with Me.

Salvation will not be held back and I declare that the prisons of North Korea are a harvest field full of My glory.

Still others will pass through the borders for I am cloaking my children and overshadowing them in my glory.

Rick Joyner

Korea is going to be one of the most strategic focuses of the world in the times ahead.

We need to understand the spiritual reasons for this. South Korea has become one of the world's greatest bastions of Christianity.

The Korean church is one of the strongest in the world and is being used to give strength and resolve to Christians around the world.

We must pray for what the enemy intends for evil to be turned into a great victory for the gospel — the reuniting of North and South Korea.'

There will be a time when the doors to great change will be open in North Korea.

There will be the opportunity for the two nations to be reunited, and if they do, Korea will become one of the most powerful nations on earth, both spiritually and economically.

This will help the economy of Northeast Asia become the second most powerful region in the world, economically surpassing both Japan and Germany.

It will also become a stabilizing influence to the nations through the great chaos that is coming.

The Koreans have maintained a remarkable respect for authority that will enable them both to be a great light to the nations in the times ahead when lawlessness is spreading.

God has gifted the Korean people with great wisdom and endurance for a future that will be a bright light to many in the dark times. The great danger will be if the watchmen become weary and let down their guard before the time.

A youth movement will also arise in Korea that will produce some of the great Christian leaders for the last days. The enemy has laid many traps for this movement which is destined to touch so many.

There is safety for this movement in honoring the fathers and mothers of the faith, and in loving the Scriptures.

The Lord wants to give Korea peace and unity. However, compromise is not the way of peace or unity.

True peace and unity will only come from steadfastness, endurance, and the resolve to never compromise basic convictions, while at the same time being respectful of those who are still in bondage, and generous to them when they open the door.

Cindy Jacobs

"The Lord said,
'We're entering the time of the last harvest.

I'm searching for people who will declare these words to the Jews, the people I chose. I will anoint Korea. I will use Koreans for the Great Harvest of the Jews.'

When I was praying, God showed me a vision.
He showed me the breath of God over Korean Peninsula.
That breath becomes a strong wind blowing toward China
and all across Asia and swiftly covers all the world.

When the breath of God, the breath of the Holy Spirit starts to blow in S. Korea, I saw what that breath was made of.

It was people that was inside the breath. They were Korean missionaries!

The door of God will open to many nations. We'll see the great door opening in S. Korea, the movement of returning to Jerusalem.

He showed me N. Korea. The power of evil in N. Korea will be destroyed and God will allow miraculous restoration to N. Korea. God will shake N. Korea.

Their gate will be opened. Korea will be united and God will pour out great spiritual, material wealth on united Korea.
Korea will be lifted up high among the nations."

Shan Bolz

An angel who looked like a political advisor from Korea recently appeared in my room, three days in a row.

I received revelation in which I saw God releasing a "mission briefing" from Heaven over Korea.

The briefing in these pages revealed how He is about to position Korea for His purposes--both nationally and internationally.

On the first page of the document in this vision, was a picture of a man who was running for president. As Korea's presidential elections are quickly approaching, I saw that this man had the favor and wisdom from God upon him.

God wants to position a man in office who understands how to reposition the nation of South Korea according to His desires.

God wants to use Korea's next president to bring a number of strategic shifts and new positioning for the destiny of Korea, Asia and the world.

What if Korea's destiny is about to affect the whole world?
It's time to pray!

The Lord also wants to give Korea a mandate over poor nations.

The nation of Korea is going to hold keys in future humanitarian efforts.

Not only will Korea send people to help, but God is going to give Korean scientists and engineers new designs for technology that will change the quality of life in third world nations.

God wants to bring a peaceful resolution to the division between North and South Korea.

He wants to put His favor upon the South Korean government so that they can play a critical role in the resolution process.

God is inviting nations right now to work together, and He is going to reveal strategy on how to deal with North Korea over the next three years.

This strategy is going to be crucial for enabling North Korea to come into the place that God desires. If South Korea positions themselves correctly, this strategy will unfold more quickly than we can imagine.

There will be a revival in the Korean Church that will prepare the way for the entire nation to experience a true transformation! God is about to mature the whole church in Korea very quickly.

He is sending in people who can advance the culture and government of the nation's leading churches. New apostolic works in Korea will change the face of Christianity there in a short amount of time.

Transformation that would normally take 20-100 years will take place in 5-10 years.

As this shift takes place in Korea, the Korean Church will become a strong voice that influences other cultures.

Books will be published from the Korean language into other languages as struggling churches throughout the world will benefit from the real authority and teaching flowing out of the Korean Church.

PART II
Chapter 5
The Period of Preparation
for the Second Advent of the Messiah

- In the course of the providence of restoration, a false representation of the ideal appears before the emergence of its true manifestation.

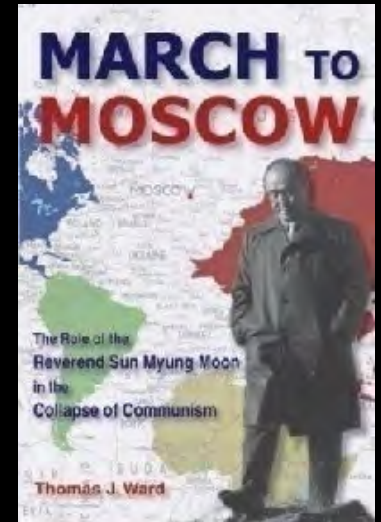

The biblical prophecy that the antichrist (**Communism**) will appear before the return of Christ is an illustration of this truth.

SunMyungMoon Prophecy 1972

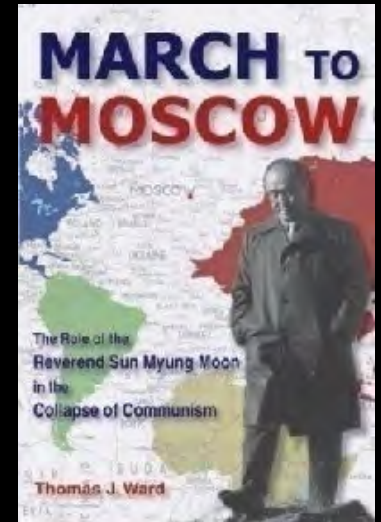

Tamar became pregnant with twins who fought within her womb.

The time of birth came and the first son, Zerah, pushed out his hand. The midwife tied a scarlet thread around his wrist.

This was a symbolical prediction that in the time of the Last Days communism, a satanic ideology, represented by the-color red, would appear first before God's kingdom is established.

SunMyungMoon Prophecy 1972

After 7,000 biblical years--6,000 years of restoration history plus the millennium, the time of completion--**communism will fall in its 70th year.**

Here is the meaning of the year 1978. Communism, begun in 1917, could maintain itself approximately 60 years and reach its peak. So 1978 is the border line and afterward communism will decline; in the 70th year (1987) it will be altogether ruined.

Prophecy by SMM in Chicago on October 24, 1975

“Wait and see,”

I told a gathering in Chicago on October 24, 1975.

“Within the next thirty years, there will be a president of the United States who was born into an interracial black and white family.”

The prophecy I made that day has now come true in America with the inauguration of President Barack Obama, who spent much of his adult life in Chicago.

This prophecy did not come true on its own.

Many people **shed their blood and sweat** to do away with the struggles between the races, and those efforts have now finally blossomed.

A danish author and mystic. His collected writings called
the Third Testamen.

Martinus says in one of his books
we are on the doorstep to a New Age!

DP: “In the Last Days, disasters and devastation will abound, as Jesus said,
“For nation will rise against nation, and kingdom against kingdom, and there will
be famines and earthquakes in various places.”

In the midst of such wretchedness, God without fail will establish the center of
the emerging good sovereignty in order to usher in a new age.”

Mayan Calendar

The Great Cycle started in 3114 BC and ends in December 2012.

In 2012 the plane of our Solar System will line up exactly with the plane of our Galaxy, the Milky Way.

This cycle has taken 26,000 years to complete.

Virgil Armstrong also says that two other galaxies will line up with ours at the same time.

A cosmic event!

Kalevala (finnish national epic)

Some of the Kalevala stories describe a sacred Mill called the Sampo (derived from sanskrit Skambha = pillar or pole) with a "many ciphered cover".

This spinning Mill is a metaphor for a Golden Age of plenty and the starry sky spinning around the Pole Star (known as the Nail of the North), which in the Far North is almost straight over head.

The Mill at some point is disturbed, its pillar being pulled out of its peg, and a new one - a new "age" - must be constructed.

Titanic!

Titanic sank 10th of April 1912.

Exactly 100 year before the year 2012!

Was it a “symbolic catastrophe” 100 year before the absolute end of our Age!

Interestingly, in the past, Catholic priests had prophesied that the Lord would come to Jardim.

Hence many people said that the place where I built New Hope Farm was a blessed place.

At an altitude of 900 meters, it is a good region for agriculture; it is suitable for growing both grains that do well in tropical regions and vegetables from the cooler regions. Rice farming or any kind of farming can easily be done here.

Hoon Dok Hae

'WHO IS HE? A BOOK OF PROPHECY'
by independent journalist Mr Ku Sung Mo

After 20 years of studying prophecy by many Korean prophets throughout the ages Mr Ku concludes that someone must come to Korea as the second coming of Buddha, Christ or Confucius.

He writes quite directly that Father (Sun Myung Moon) is the one.

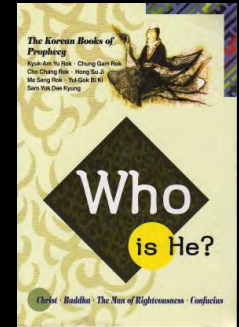

True Father (S.M. Moon) comments:

This book came out 3 months ago (1998) and has already sold 7000 copies.

Someone should translate this book into English.

It would be very difficult to translate into English because of the oriental philosophical concepts involved but someone should do it.

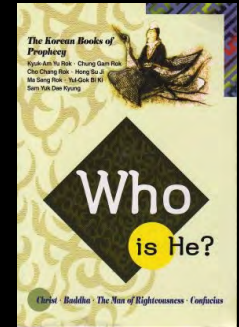

True Father (S.M. Moon) comments:

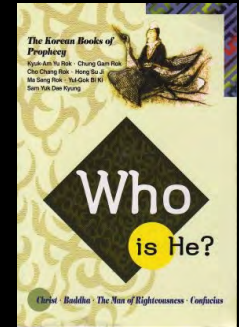

This writer must be crazy to write that this man must be Rev Moon.

He has not met True Father.

Christians already accuse us that we either wrote this book or paid for it to be written.

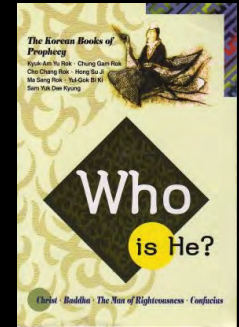

The author will receive a lot of persecution. Previously a spiritualist woman, who had become famous for an accurate prophecy of Kim Il Sung's death, once said that Rev. Moon will die soon. (the date the woman mentioned was three years ago) A spiritualist man challenged her publicly saying 'Rev. Moon would not die because he is connected to God with a vertical energy line. He will only die when God takes him after 100 years.' Afterwards this spiritualist was heavily accused by Christians of taking bribes from us.

Now the holy man, the eldest son of God the Creator, is situated in the center of Seoul, on the southern Korean peninsula of the eastern continent.

He is directing the world with a God-given great mission, giving good men and women the blessing to become the heavenly humankind and establish the millennial kingdom.

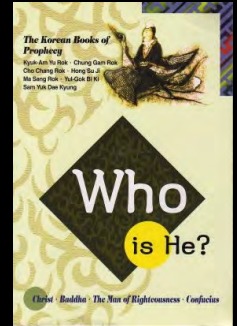

He is to extend the ideal of the principle of true love and true family, and as the king of all kings he will build ideal nations and world peace, step by step.

He is managing everything spiritually as the king of all kings.

A white cross, a great heavenly way
that unifies Confucianism, Buddhism, Christianity
and all other religions into one.

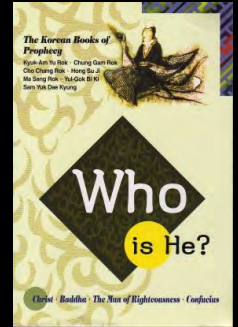

He will come
April year (2000-2001) or
2024-2025 (Moon Calendar).

Believe in God (this is the teaching of the holy man who
came from Heaven).

The reading began again

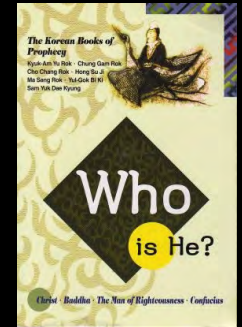

FIND THE SAVIOUR

Within four years or thirty years there will be a final showdown between this Holy man and evil. He will start doing his work in the centre of Yong San. He is the one who came here to do God's will. Who is he? Two saints will be sent the first will be the false one. The second will be true and have the name Moon. Only the ones with eyes (Spiritual?) will be able to recognize him.

He will be born in North Korea. He will marry many young people and **go through many persecutions.**

Who else can it be other than the Rev Sun Myung Moon.

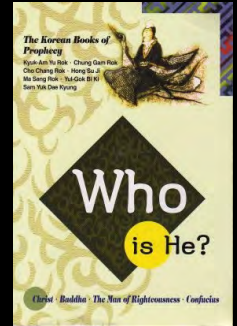

Author Comments:

- *Master Nam Sa Go 450 years ago, was the Nostradamus of the East.*
- *Kyuk-Am-Yu-Rok*
- *He is the master of both the east and the west; he is the holy man coming from the olive tree and he appears to be a man but he is not a man.*

At a meeting held in the eastern part of the United States on the occasion of his first visit to the USA (1965), a questioner bluntly asked him: "Are you Christ?" In reply Sun Myung Moon raised his hand and pointed to various members of the audience in turn, saying: "and so are you... and you... and you also, if you can accept it."

"This is God's world and it has no boundaries. It is one. Your life is one of universal significance and I call upon you to share my mission. Be urgently concerned for the world and know, feel and act in accordance with the Divine Will. The purpose of the coming Lord is that some day all shall be like him - like Christ."

SPIRITUAL COMMUNICATION WITH THE
APOSTLE PAUL GIVEN THROUGH
THE CLAIRAUDIENT MEDIUMSHIP
OF REV. LOUIS W. LUSARDE

MAY "20-21, 1962"

Rev. Lusardi (if I recall the spelling correctly) was a spiritual medium living in the SF Bay area. He was young enough at the time to still be living today. He was the one who received the message from the Apostle Paul.

The message(s) were circulated and read in the US movement (Dr. Kim's branch) in the late 60s and early 70s. I remember feeling at the time that they had the ring of truth to them.

/Dan Fefferman

St. Paul: “The Jews fell away because they thought that the Old Testament was sufficient for them.

Their rejection of Jesus is proof enough they were blinded to the fact that He was the fulfillment of the scriptures.

I bear witness to the fact that the Old Testament and the New Testament combined are not sufficient to live by in the New Cosmic Age we have ascended into.”

“To be saved, every man, woman and child must commence their mission before they leave this earth plane.

And before they can do this they must find the reason for the original sin and what original sin is.

Perfection and resurrection can only be achieved through work and that work must be done in the body, the spirit of Truth demands it.”

New Message 9th of September 2001:

St Paul: "Now after learning the Principle, I became even more confident that the Apostle Paul's traditional view of God was very mistaken.

We necessarily should have attended God, the resurrected Jesus and the Messiah.

Whenever people frustrated God's Will, they prolonged the history of the Dispensation for Restoration, requiring a new central figure."

“True Parents!

The partial ideas Paul planted into Christianity have acted as obstacles to the providence of the Messiah, haven't they?

Now in spirit world I will never repeat my mistakes.

I promise to study the Principle and lead Christian believers here in the right direction.

I have been making thorough preparation for accomplishing my assigned mission.”

1. Jesus' Message to Christians and All People on Earth

- *I came to Earth with the mission from God to be the Messiah.*

In the Bible I could not reveal all of the conflicts between the religious believers and non-believers in those days. In fact, there are many providential matters that the Bible does not reveal.

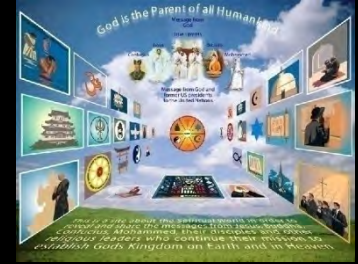

*Reverend Sun Myung Moon is the returning Messiah
for whom you have been waiting and waiting.
He inherited my mission at the age of 16.*

Dear Christians, are you still looking up and waiting for Christ to return on the clouds?

Reverend Moon travels throughout the world on the clouds.

He is investing all of his heart and soul for the realization of world peace.

*Dear fellow Christians, fellow Buddhists,
and believers of various religions!*

The four great religious founders, Jesus, Buddha, Confucius, and Mohammed, and saints such as Socrates, Augustine and others, have already held this seminar a number of times.

Its theme is always the same: " God is the Parent of All Humankind."

During the seminars, we are always studying the Divine Principle revealed by Reverend Moon.

In Order To Realize the World Of Peace
Rev. Sun Myung Moon
February 6, 2003

A prophecy

I would like to ask you to take deep interest in the prophecy that I am about to make.

Humankind is at a turning point.

This era is that long-awaited time in which the power of God will become manifest in our lives, even though He is invisible and has seemed almost powerless and nonexistent in the past.

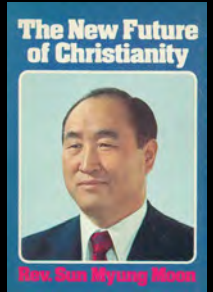

In Order To Realize the World Of Peace
Rev. Sun Myung Moon
February 6, 2003

The time has come when the absolute power of God, who is the Lord of the holy order and laws which really do exist in all things and in the universe, will manifest in amazing ways and be experienced by people in their daily lives.

In this way, humankind will naturally experience the laws of the universe, and become true people through a clear change in character.

Through this, people will learn that the existing order of the universe and the relationships of humankind **were not made to be centered on oneself or self-interest;** rather, they were made to live for the sake of others altruistically.

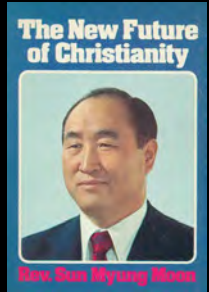

John the Baptist of 2000 years ago was a person of tremendous influence, enjoying great prestige all over Israel as a great man of God -- just like Billy Graham of today, a great Christian leader.

Let us say some unknown young man suddenly appeared and began proclaiming himself to the world as the Son of God.

As a student of the scriptures, you would ask him,
"If you are the Son of God, where is the promised Elijah?"
If this man said, "Do you not know that Billy Graham is Elijah?"

what would be your reaction?

You would undoubtedly say, "Impossible!
How could Billy Graham be Elijah?
He did not come out of the blue sky.
We all know he came from North Carolina!"
You could not accept that, could you? Precisely this same kind
of unbelief confronted our Lord Jesus Christ.

People could not accept John the Baptist as Elijah,
simply because he did not come from the sky.
The people of 2,000 years ago were stubborn in their belief
that the prophecy of Elijah's return must be fulfilled literally,
that he must come from the sky.

They were the victims of the letter of the Old Testament

We must not doubt the messages from spirit world.
When we enter there, we will be measured by our
belief in spirit world messages.

When we speak, we spread 100,000 to 140,000 droplets of saliva like a fog. Due to this spreading, if just one person in the neighborhood gets infected, all living animals and humans will also be infected with the virus. It will be a great judgement. It will be scarier than Noah's flood judgement. That's why you have to wear a mask. [611-176, May 10, 2009 (Sunday), Cheon Jeong Gung Palace]

at the Cheon Jeong Gung Palace:

When we speak we spread 100,000 to 140,000

(Unofficial English translation)

If something like the swineflu virus rapidly spreads to humans, it is possible that we may catch it through the air and die. The problem is neither atomic nor hydrogen bombs. We have come to an extremely dangerous time. How can we handle it? We must become able to solve the problem by discovering how the natural laws work. God's holistic and all-inclusive view, his unrestricted authority and omnipotence must operate. Everything will go away (be solved) when the power of the correct method starts to work.

This did not happen. So, like the original John the Baptist at the time of Christ, JFK lost spiritual protection and was killed. However, the providence goes in cycles.

Therefore, new responsibility fell upon JFK, Jr. From a certain providential view, he was placed in the position of both JFK and Pope John the 23rd. Therefore, he received the name John John, representing both of these providential figures.

Unification Church Universal Holy Blessing

Disclaimer: Next slide is UNOFFICIAL
interpretation of the time 1920-2113

Feel free to be inspired/challenge and discuss 😊

Most members know the parallels of History, from Adam to Joseph, from Joseph to Jesus, and from Jesus to True Father. However, I have noticed a new parallel, proceeding at ten times the speed of previous parallels, which started with the birth of True Father. Be aware, I do not claim that this is a new revelation. I only report what I have clearly seen happening. If I have erred, it is on my head, and no one else's. In the chart below, I have omitted the line from Adam to Joseph in order to emphasize the parallel time periods of Judaism, Christianity, and Unificationism.

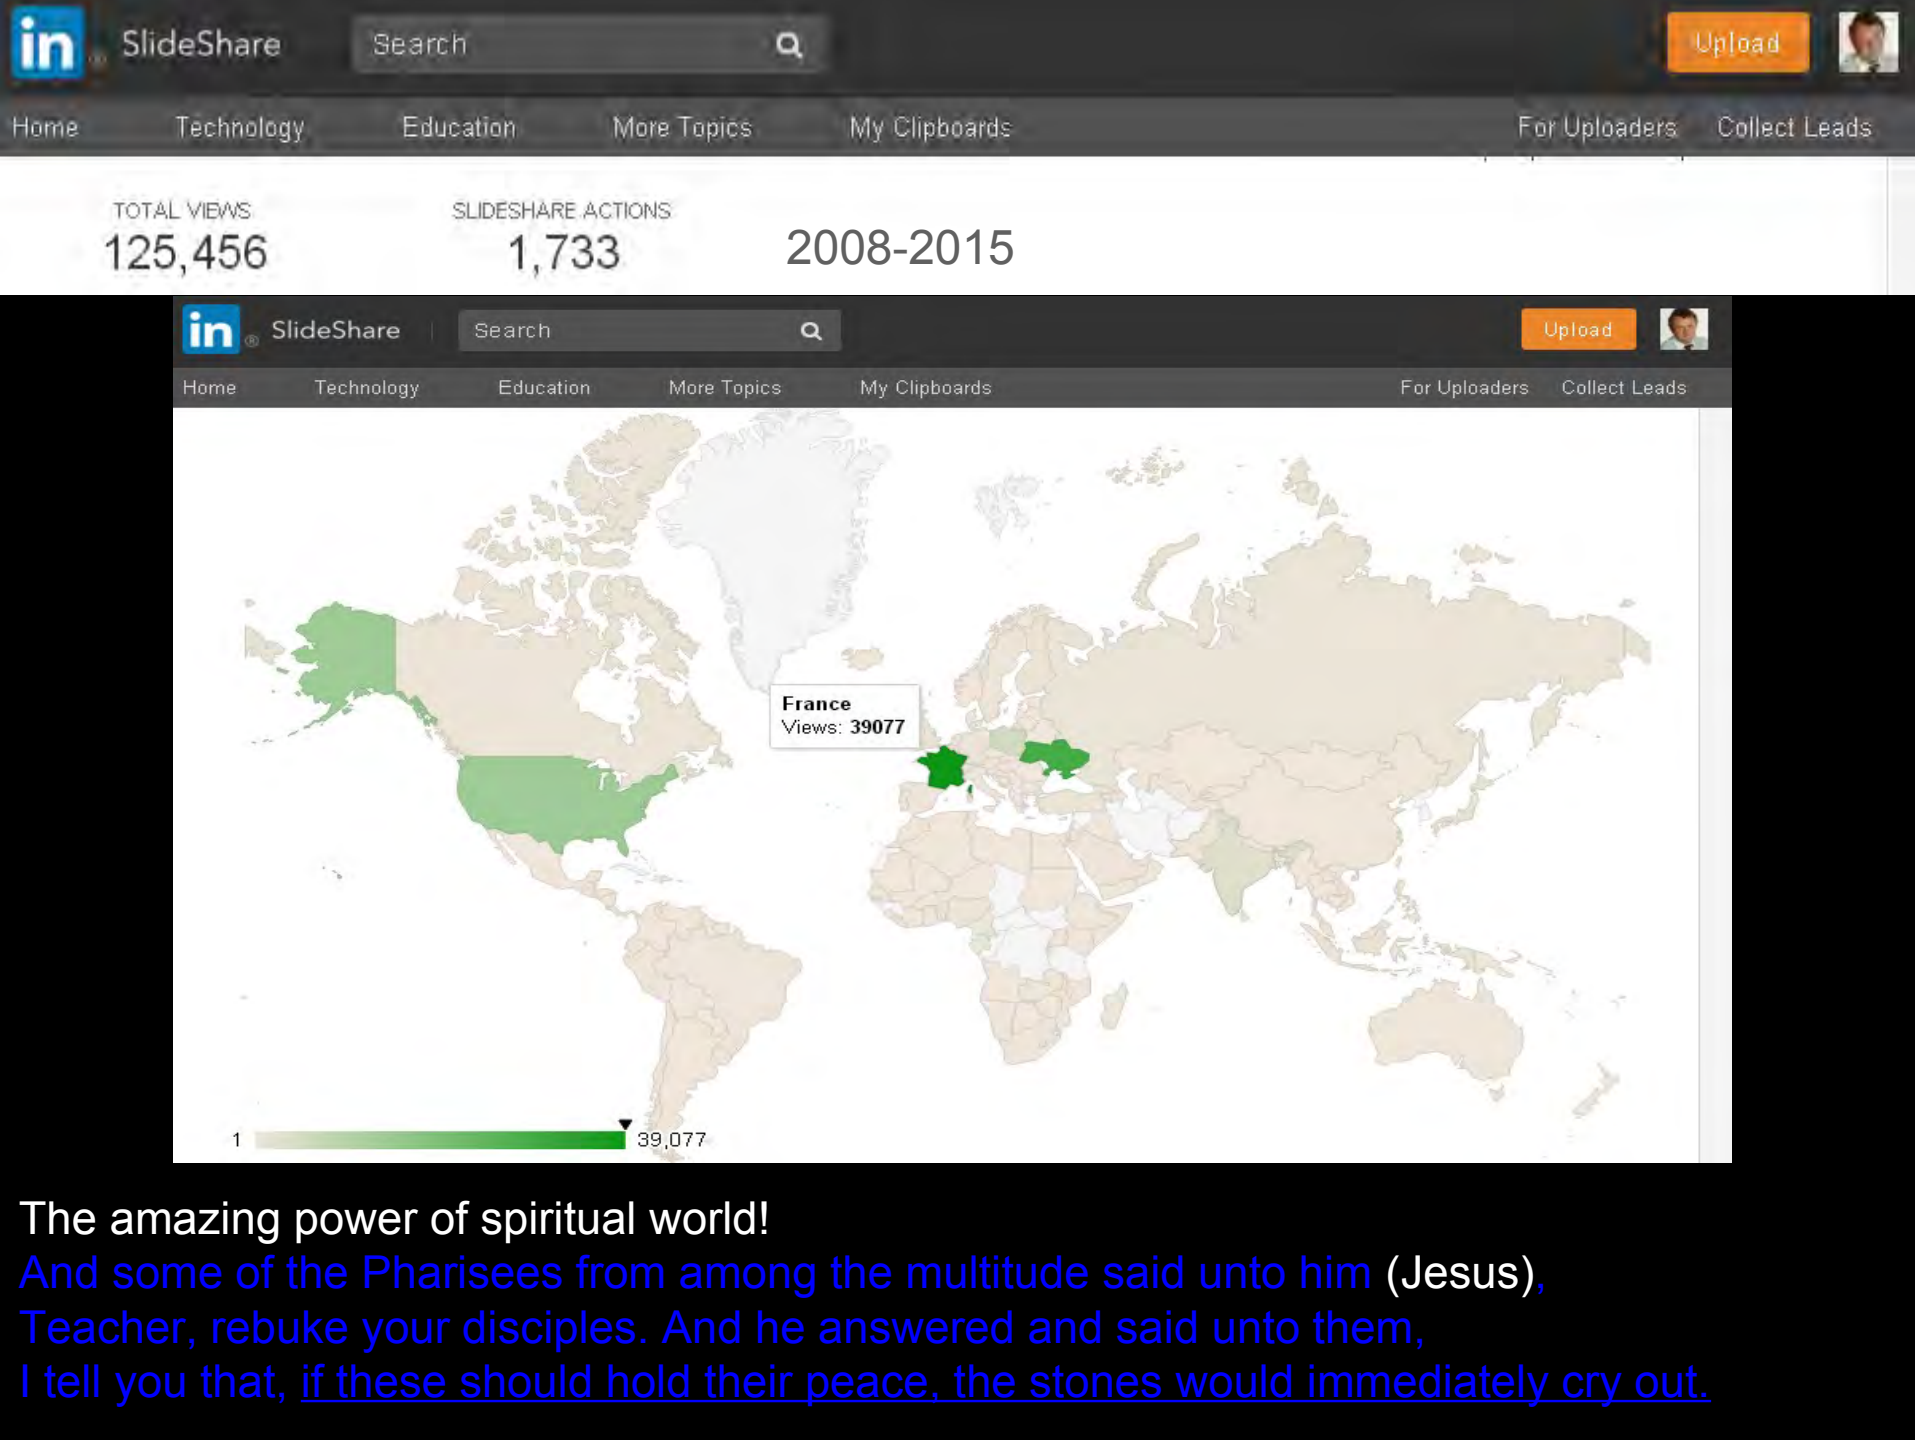

From 1920, the year of Father's Birth to 1960, the year of True Parent's Blessing, was the period of the heaviest persecution of both Father and his movement. Father nearly died three times.

From 1960 Father sent out missionaries all over the world. He told members to treat the National Leaders as if they were True Parents. Their position paralleled that of the Judges and the Patriarchs before them. If you had been around at that time, you would have seen clearly how revered National Leaders were.

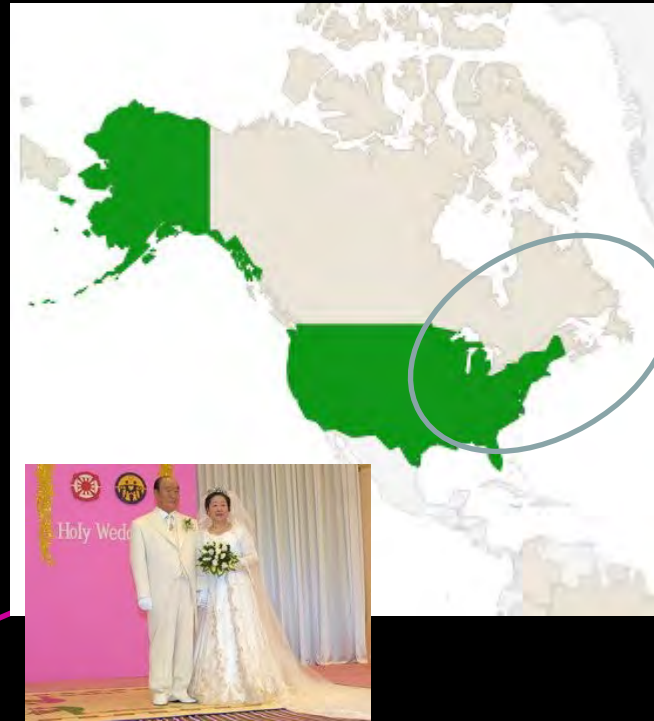

In 2001 Father held a coronation ceremony, similar to the coronation ceremonies that began the United Jewish Kingdom and the United Christian Kingdoms. We built a temple: Chun Pyung. Chun Il Guk actually means Heavenly KINGDOM.

After the ascension of Father the church was clearly divided, between Hyun Jin, who is clearly following the Cain path, and Hyung Jin who is following the Abel path. Both need to unite with Mother, but I don't know if that will occur. If it does, it could lay the groundwork for the parallels to end and the Kingdom of Heaven to actually begin. Failure will likely result in an eventual exile of some sort. How that exile will occur, I have no idea. All I am saying is this is following a clear pattern.

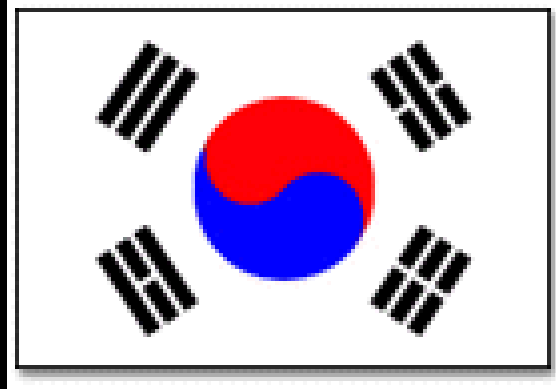

The amazing power of spiritual world!

And some of the Pharisees from among the multitude said unto him (Jesus), Teacher, rebuke your disciples. And he answered and said unto them, I tell you that, if these should hold their peace, the stones would immediately cry out.

I have already proclaimed that

January 13, 2013 = February 22, 2013 (Solar Calendar)
will be “Foundation Day.”

That day will be the actual beginning of God’s Kingdom of Cheon Il Guk.

That day will be the origin. Yet, less than three years remain until then.

Therefore, it is time for all people to be humbly obedient to Heaven’s decree. An unavoidable time is upon us today when we must invest ourselves completely with a life or death commitment for these remaining three years under the guidance of the True Parents who carry out the providence on earth as the substantial representatives of God, the king of kings.

All the good spirits in the spirit world are mobilized and are already moving forward, a step ahead of you.

I am working hard to send my anointed representatives to all nations.

The era in which they live is one in which mistakes such as that of John the Baptist will never be repeated.

Unlike Jesus, whose time ended abruptly through his going the way of the cross, I surely will complete the restoration of God's homeland on this earth, as I have received Heaven's seal as the King of Peace.

With God and the King of Peace as the central axis,
I shall lead the anointed representatives sent throughout
the world and so create the original ideal kingdom of
everlasting peace.

Summary:

Prophecies are

not for the purpose of the satisfaction of human curiosity,
rather to prepare us for the future.

Mans 5% + Gods 95% = 100 % Fulfillment of Gods Will!
Be Responsible – Witness - Do Good!

We are at the center of the providence.
On us it depends whether we will bring
blessing or curs in our future.

So in the present case I tell you, keep away from these men
and let them alone, for
if this plan or this undertaking is of man, it will fail;
but if it is of God,
you will not be able to overthrow them.
You might even be found opposing God!”

/Gamaliel, a teacher of the Law
held in honor by all the people

/Acts of the Apostles, chapt 5, vers 34-42

Conclusion: Let Gamaliels word of 2000 years today again ring true in our modern time.

if this plan or this undertaking is of man, it will fail
but if it is of God,
you will not be able to overthrow them.

And let the hard test of time...
show the truth about True Parents, through the Blessing
and the new Holy Words now over 18 meter high book pile.
