The Earth in its orbit around the <u>Sun</u> causes the Sun to appear on the celestial sphere moving over the <u>ecliptic</u> (red), which is tilted with respect to the equator (blue-white).

Generations come and go ... for Eternity

Concequencies from the Past + Potentials of the Future are <u>both present in the present</u> <u>Now</u>

Timeline: Past+<u>Now</u>+Future

Past

Both Jesus and Sun Myung Moon could see the providential value of <u>NOW!</u> in building for the **Great future**!

### Eternity does not start when we die, but at the moment we come to know God's will.

Here, if for even an instant there is <u>a leap</u> in the relationship of time or an abyss created, <u>eternity will be interrupted</u>.

Therefore, while walking the path of faith in the course of your lives, do not procrastinate by **deferring your providential responsibilities** from this year to the next, and then to the year after that, or from your youth to your midlife and finally into your old age.

We cannot live like that.

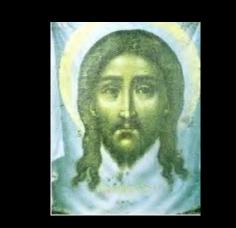

People with such a lifestyle will die without having ever spent even one day of being one with the Will over the course of their lifetime.

They cannot go to the Kingdom of Heaven. /SMM 27 Dec 1970

## 2000 year parallells of history in Divine Principle

- The Providence is conditionally time dependent.
- IF ...spiritual conditions are fulfilled it shortens the Providence
   Ex. The sacrifices of Abel,Noah Araham-Isaak-Jacob Moses
   Rebecca, Tamar and Mary Jesus – Accepted or Rejected Sacrifice by Jesus on the Cross

Lord of the Second Advent accepted!

• The Providence is <u>conditionally time dependent.</u>

• IF NOT fulfilled... indemnity= suffering and/or TIME has to pass Ex. Babylonian Captivity Jesus Crucifixion 400yrs Christian Martyrs under Roman Empire The Jewish diaspora 2000 years True Parents 40yrs suffering course 1954-94 Lord of the Second Advent ?

**Indemnity** is needed:

1. To Give Inviolability and Perfection to the Principle

God is perfect, therefore His Principle should also be perfect. God created the Principle first, in the beginning.

According to the Principle of Creation, God is to control perfected man through His love. God cannot control an immature or unperfected being.

**Indemnity** is needed:

2. To make God Alone the Creator

God controls or intervenes only in things which are created by Him.

**Indemnity** is needed:

3. To Give Man the Qualification to be the Lord of all Creation

3<sup>rd</sup> Biblical Blessing

Abel,Noah Araham-Isaak-Jacob Moses Rebecca, Tamar and Mary Jesus – Sacrifice on the Cross Jesus – Sucessful Resurrection

Lord of the Second Advent accepted! in Korea and the World

Horizontal - Earth Time Biological decay, Physical laws...

Religious or Spiritual time; can be seen as Vertical time displaying horizontally. Dependant on Gods + <u>Mans successful</u> effort. Jesus was clearly under both Times during his Earthly life;

1.He was clearly <u>aging</u> – normal cell decay – old age death (potential)

2. He was going the way of Gods <u>eternal will</u>
– the 3 Blessings. – opening Paradise as New Adam

12 years old

Ministry 30-33 years old If age 40 Marriage - Family ... if the first man he returns to fails to complete the indemnity condition within the given period and dies, he returns to another man and helps him.

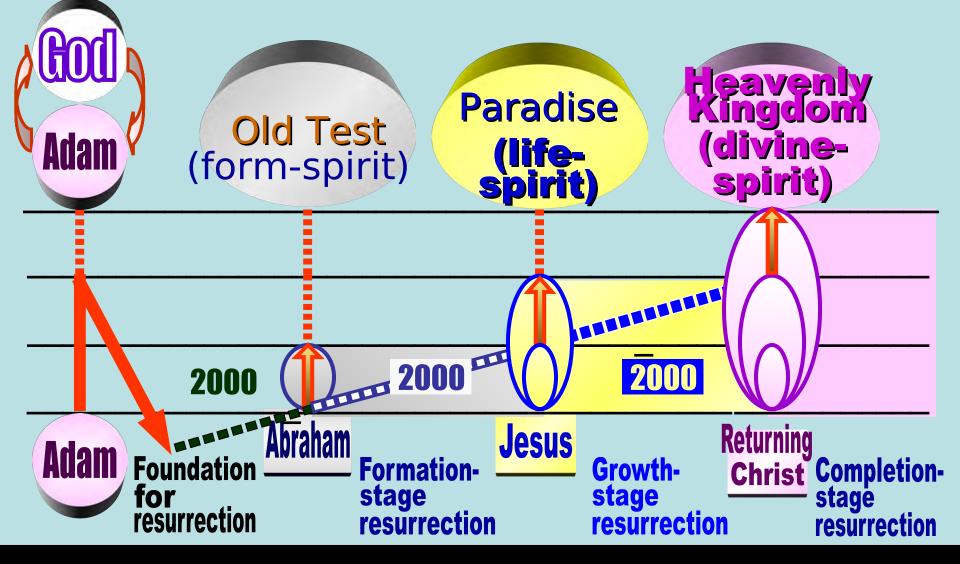

Indemnity is necessary.

According to the Principle, indemnity is not completed in a short time.

For this reason, if the second man does not fulfill the indemnity, a third man is chosen for a returning resurrection.

# The Providence of Resurrection for People on Earth

Upon their death, the believers of this era will enter and abide in the <u>Kingdom of Heaven</u> in heaven, which is the divine-spirit level of the spirit world (p. 140).

## The Providence of Resurrection for Spirits Purpose and Way of Returning Resurrection

## We call this process <u>returning resurrection</u> (p. 145).

Returning Ressurection will take time:

Education of Spirits needed. – Unification of 3 Generations on Earth is needed!

Compare how it took time for Saul to be a convinced St Paul. All the Christians martyrs before Christianity was firmly established.

The Gospel confirming prophecies on Jesus as Messiah, written Ca. 70 years **after** the crucifixion. Why was that knowledge NOT readily available when Jesus walked the earth and would have needed it **to be accepted**...

We must complete our mission to three separate ages.

We should liberate the spirits in the spirit world, liberate the people living in the sinful world today, and liberate the future generations from here as well.

The realm of liberation for three generations comes forth in this way.

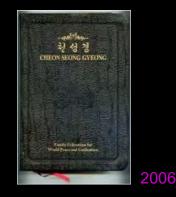

This is an immense and remarkable process.

What will happen if such dream-like things come to pass? Your eyes will open wide, your mouth will open in awe, your ears will prick up; but you will then have to bow your head. /SMM 1970.1.11

The family is the smallest unit that connects the past, present and future. It is a microcosm of the world.

As the grandfather, father and son coexist in the family, they connect the past, present and future. When the son has sons and daughters, he rises to the position of the father, and his father rises to the position of the grandfather.

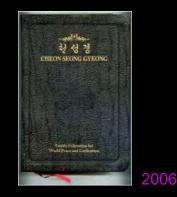

From the grandfather to the father to the son, these three generations are to unite into one. The links of the past, present and future should unite them. No matter how much the world pitches and rolls, society will not adversely impact that sort of family. It will maintain a basis for happiness.

### (28-162, 1970.01.11)

It is people's original nature and tendency to seek the greatest love, so it is inevitable that we return to our family. The grandfather and grandmother are envoys of Heaven, and the father and mother, as the center of the family, represent the king and queen of the world.

The grandfather and grandmother are the father and mother of the past, your own father and mother are the father and mother of the present, and you and your spouse are the father and mother of the future.

When these three generations join as one, the past ages of the spirit world are connected to the historic realm of love on earth, going beyond the present family, and align with heavenly law in the future.

Then all people of the world will be able to unite.

The family is the core unit of harmony; ultimately all humanity must bind together as one ideal family.

/SMM 2000.02.11

Returning Ressurection will take time:

Today: These days in this heavenly kingdom of spirit world flowers are in full bloom with the spring of blessing.

When there are <u>blessing events on earth, we in spirit world</u>, <u>are talking with each other about our euphoria (happiness)</u>, <u>intoxicated with more ecstasy and beauty than earth</u>, and blooming of flower of the mind. Returning Ressurection will take time:

Rev. Hyo Won Eu (the first president of HSA-UWC in Korea) **gives DP lecture restlessly**, Heung Jin Nim and Great Mother Hong pray again and again for True Parents health with incredible sincerity.

Everyday our life consists of prayer, singing our hymn's, and service. Our life is such a beautiful heavenly kingdom life.

PRINCIPLE

1973

Suppose there is an earthly man who is entitled to go from the sphere of benefit of the family level to that of the tribal level, through the benefit of the age in the providence of restoration.

However, <u>if this man has a certain debt of sin, either his</u> <u>own or his ancestors', he cannot go to the sphere of benefit</u> <u>of the tribal level without having liquidated the sin</u> by setting up a corresponding condition of indemnity.

PRINCIPLE

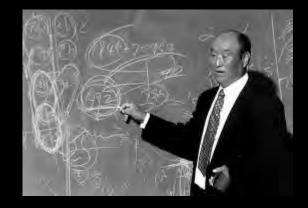

1973

In this case, God can <u>allow the evil spirit to torment the</u> <u>earthly man as punishment for his sin</u>.

Then, <u>if this man gladly endures the torment given by the</u> <u>evil spirit man, he can graduate from the sphere of benefit</u> <u>of the family level to that of the tribal level</u>, with his endurance as the condition of indemnity.

In this case, the evil spirit man receives a share of the benefit. In this way, the providence of restoration broadens its scope in accordance with the benefit of the age, from the sphere of <u>benefit of the family level</u>, to that of the tribal level, <u>national level</u>, and finally to that of the worldwide level.

We learn from the Principle that <u>history repeats</u> <u>itself in expanded versions</u>.

Because Jesus did not complete his mission 2000 years ago, (to marry and become True Parent) the pattern of history has to be repeated in our time,

and <u>we have to **pay the indemnity** for</u> people's failure at the time of Jesus. The base (time slot) upon which the mission of Jesus had to operate was lost.

<u>God has since prepared</u> <u>a similar foundation upon which the Messiah</u> <u>can come and **complete** the mission of Jesus</u>.

God has been seeking a similar nation a nation of suffering — (Korea) for the base of the Second Coming of the Messiah.

/<u>SMM Jul 1 1973</u>

In 1948, Israel became independent; therefore, some might think it reasonable for the Lord to come back to Israel.

Korea also became independent in 1948.

However, Korea was liberated from Japanese colonization, in contrast to modern Israel's situation.

Conceivably both countries may have become independent at the same time because <u>the physical Israel inherited</u> <u>something from the spiritual Israel, Korea</u>. The fact that the Jewish people, who had been wandering for 2000 years, found their nation, shows that <u>all their sins had been forgiven</u>.

Therefore, they could return to their original position. The prophecy that <u>Israel would be restored when Jesus</u> <u>returned was fulfilled</u>.

Because Jesus' death was indemnified, mankind was able to receive forgiveness and the Lord of the Second Advent could come.

<u>**IThe Turning Point of History S.M.Moon</u>**</u>

We must commence missionary work in 12 countries before the end of 1965. I know this is a difficult task.

<u>However, restoration cannot occur at just any time</u>. Restoration is like seizing one spray of water in the middle of the ocean.

The time of restoration is like the time when one grain of millet is worth as much as the entire ocean. <u>There is only one such time</u>.

There will always be people and money, and there will always be tomorrow and thousands of years from now. But <u>the right time is something that is rarely available</u>.

You must think that your prayer today may not be fulfilled until thousands of years from now.

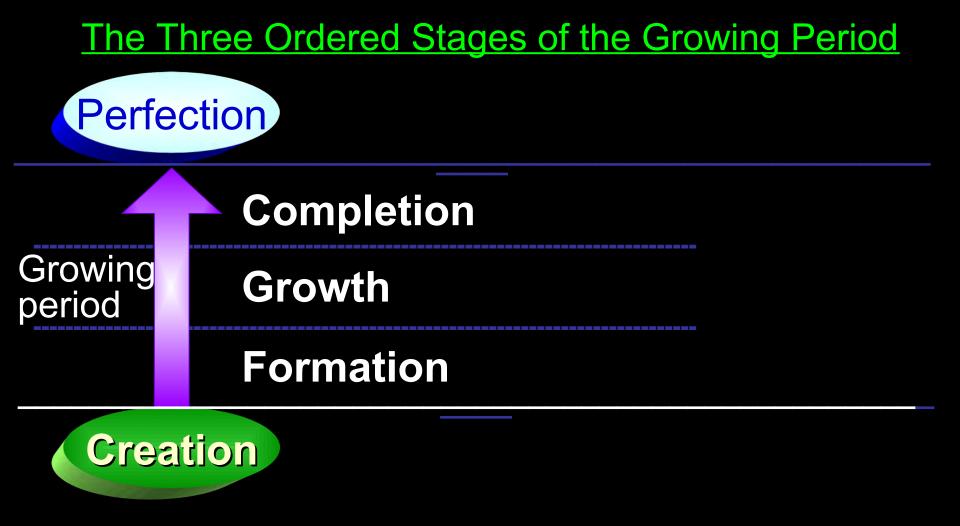

I pray such prayers.

I am not praying just for this world today; I am praying for 1 000 and 2 000 years from now.

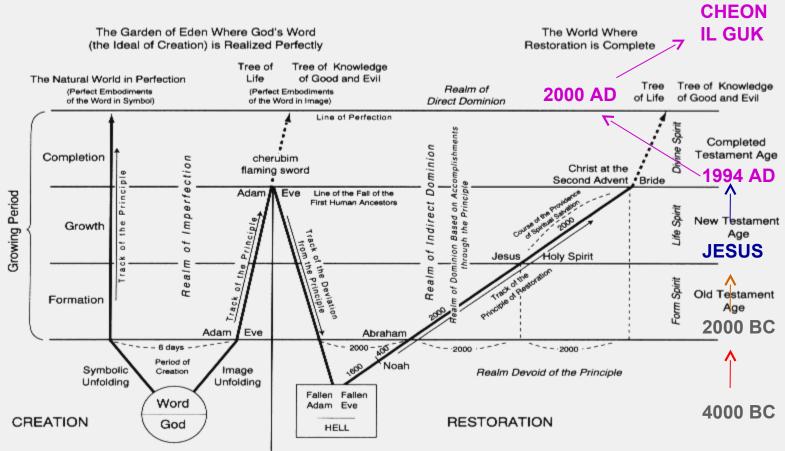

If <u>that prayer makes a bridge between that time</u> <u>and now</u> then the Unification Church will continue to flourish even a long time after I am gone from the earth.

That kind of prayer is needed.

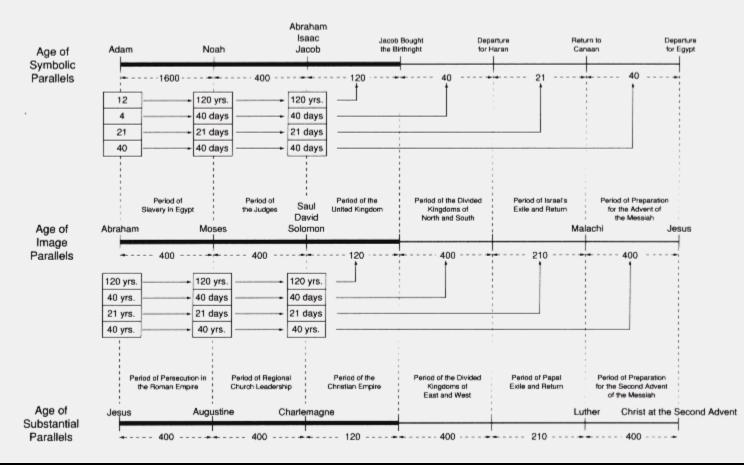

All <u>creation</u> reach perfection by passing through three ordered stages of growth: the <u>formation</u> stage, the <u>growth</u> stage and the <u>completion</u> stage.

 Ezekiel's famous vision of the Divine Throne above the <u>Four Living Creatures</u> with their "<u>wheels within wheels</u>" contains all the elements of **lightning**, **fire**, a **whirlwind**, and **great noise** that typically attend the great revelations of God's Word.

- And when I looked, behold the four wheels by the cherubims, one wheel by one cherub, and another wheel by another cherub: and the appearance of the wheels was as the colour of a beryl stone. /King James Bible
- The revelation of the Bible Wheel confirms and amplifies the ancient Christian tradition that Ezekiel's Vision of the "wheels within wheels" was <u>a vision of the entire Bible in which the Old and and New</u> <u>Testaments are inextricably interwoven</u>.

ALBERT SCHWEITZER The Quest of the Historical Jesus

Schweitzer said that Jesus threw himself upon the wheel of history <u>in an attempt</u> to bring it to a halt, to bring this world to an end and to usher in the Kingdom of God in its fullness and power;

but the wheel continued to turn, and it crushed him.

Even now, said Schweitzer, his mangled body hangs on that wheel as it turns, and "this is His victory and His reign."

I've meditated on this image often and over many years, and I can only agree that <u>Jesus' sacrifice was a victory</u>,

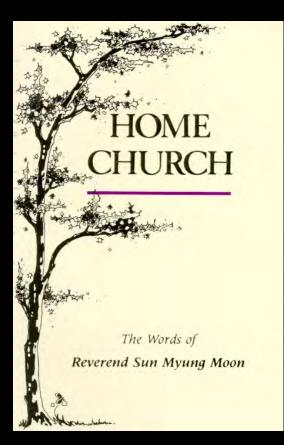

not because it placated a vindictive God, but because by <u>it he diverted the wheel of history onto a new course</u>, (Christianity) opening up a new world of possibilities within the old.

But the wheel turns yet, and the innocent still are crushed by it. Sometimes in the silence of worship I seem to hear the voices of those who fall under the wheel in our time.

They seem to be crying out for the presence of Christ, the Christ we meet in Jesus, the poet who brings the light of *tsedeq* and *shalom* into the darkness of their world.

And as I reflect on their cries in the light of Whitman's query, "Who shall soothe these feverish children?", in the light of the new possibilities opened up by the poetic genius of Jesus,

I must acknowledge in fear and trembling that the longed-for poet is I—is each of us.

Remember this and consider, recall it to mind, you transgressors, remember the former things of old, for I am God, and there is no other; I am God, and there is none like me, declaring the end from the beginning and from ancient times things not yet done, saying, 'My counsel shall stand, and I will accomplish all my purpose,' calling a bird of prey from the east,

the man of my counsel from afar country.

I have spoken, and I will bring it to pass;

I have purposed, and I will do it.

Isaiah 46:8-11

Whatever you do -- eating, walking down the street selling papers, witnessing or fund raising – that is the real battle, the most precious one and the one that will be recognized in history.

That's the way your life is today. Yesterday I talked about how establishing home churches will be like bombs exploding throughout New York.

Do you have spiritual matches you can light to set the bomb off?

Do you know the right time to push the button? If you are sleeping you will miss the time.

You cannot do this at just any time.

The instructions will come from heaven to push the button, but if you are sleeping then you will not hear them.

You might shrug and say, "Oh well, I can push it next year."

The tiny little fingers of women, even if the women are wearing ugly dresses, can do magic if they know the heavenly schedule.

The arsenals of the world will have no power if they do not know the heavenly schedule, and all their weaponry will be to no avail. God always keeps time, and if you match His time then there will be a resounding explosion.

### /SMM Home Church 1981

## <u>The Marriage of Heaven and Hell</u> by Blake

"Eternity is in love with the productions of time".

From the Swedenborgian EDWARD F. SYLVIA, M.T.S. Philosopher/Theologian

- Time is cyclic (periodic) because all process in the universe travels in repeating patterns. Within these patterns are distinct and smaller units of periodic process (like Ezekiel's vision of *wheels within wheels*). Therefore, time is layered and operates on different scales.
- That is why everything in the universe is unified, and has order and orientation.

### Einstein was one of the first modern thinkers to believe that <u>time was a part of the very fabric of physical reality</u>. He was basically correct.

 But where his theory jumped the tracks is that spacetime was not *continuous*—like a linear sheet of paper or a membrane.

Ezekiel's Vision interpreted as the Old and New Testaments by Fra Angelico (1455 AD)

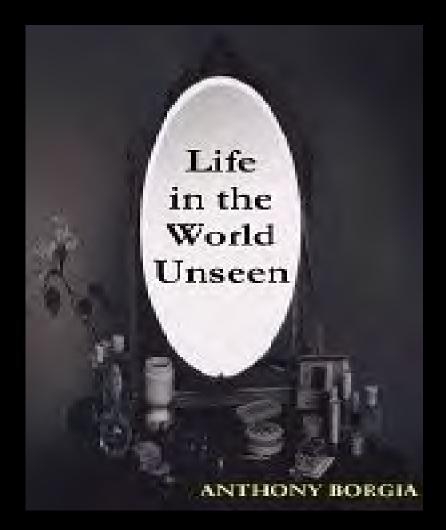

## Because time is the result of God's influence in the world, all time finds its successive moments leading to some cosmic result—that is, some utility. The universe is nothing but process finding form in *uses*. Time cannot manifest outside this cosmic law—which promotes interdependence through utility.

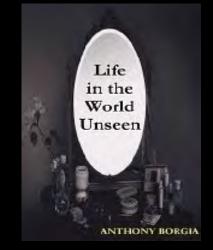

# • To go backwards in time would mean to thwart God's unifying activity and the directionality of Divine Providence.

Comment: Judas Iscariot and the Pharicees thwarted Gods providence by betraying and crucifying Jesus the Messiah, 2000 years ago. A potential KoH postponed another 2000 years until today.

 To move into the future, one would have to jump ahead of God's creative activity and providence — which means that you would have to know where God is taking the world and be able to do God's Will all by yourself!

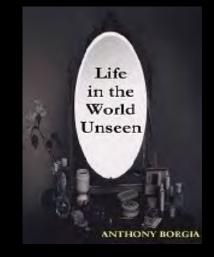

Comment: By paying indemnity, the possibility of moving the providence forward, is possible. Problem is sinful Man can not be reached by Gods direct guidance until he/she is in the direct dominion of God. Meaning The Blessing must have been given by the sinless Messiah.

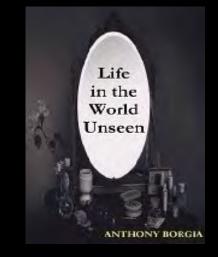

In the spirit world we have no clocks or other mechanical contrivances to indicate the passage of time. It would be the simplest thing in the world for our scientists to provide us with such if we felt the need for them. But we have no such need.

We have <u>no recurrent seasons</u>, <u>no alternations of light</u> <u>and darkness</u> as external indications of time, and, in addition, <u>we have no personal reminders</u>, <u>common</u> <u>to all the incarnate</u>, <u>of hunger and thirst and fatigue</u>, <u>together with the ageing of the physical body</u>.

We have two conceptions of time, one of which, as upon the earth-plane, is purely relative. Five minutes, let us say, of acute pain suffered by the physical body will so affect the mind that the passing moments will seem an age.

But five minutes of intense joy and happiness will seem to have flown with the rapidity of the same number of seconds.

If, normally, we have none of the customary means of measuring time because we have no need to do so, we can -- and we do -- return to make contact with the earth-plane, where we ascertain the exact time of day, the day of the year, and the year itself.

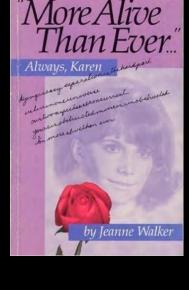

I have spoken to some who have made this journey, and they were all amazed to discover the unsuspected scores of years that had passed by since their transition. Conversation between Mother on Earth and Daughter Karen K: Motion moves things. Space conducts.s>

M: So space is the conductor of things. And motion is the impetus that makes the receiving and the conducting happen?

K: Time receives. Space conducts.

M: We (in Physical World) manipulate time, space, and motion; you (in Spiritual World) manipulate receptivity, conductivity, and frequency.Is the "manipulation" anything like what we do when we make time and space seem shorter or longer?

K: Yes. But our manipulation is more real.

#### Visions of Time and Destiny in Realms beyond Time

Psychically gifted people undoubtedly do see glimpses of the future, and time in the spirit world is not like earth time. In A *Wanderer in the Spirit Lands,* Franchezzo is twice instructed by his teacher, Ahrinziman, on how the future interpenetrates the present.

The first is a description reminiscent of Einstein's theory of relativistic space-time:

In the spirit world, where time is not reckoned by days or weeks or counted by hours, <u>we judge of how long an</u> <u>event will take to accomplish or when an occurrence will</u> <u>happen by seeing how near or how far away they appear</u>,

and also by <u>observing whether the shadow cast by the</u> <u>coming event touches the earth or is yet distant from it</u>

we then try to judge as nearly as possible of what will be its corresponding time as measured by earthly standards... Many things may intervene to delay it and thus make the date incorrect.

An event may be shown to be very near, yet instead of continuing to travel to the mortal at the same speed it may be delayed or held in suspense, and sometimes even turned aside altogether by a stronger power than the one which set it in motion."

Now this mountain I must climb, (Finding True Love in a Fallen World) feels like the world upon my shoulders (Saving the World) Through the clouds I see love shine, (Gods Love) it keeps me warm as life grows colder

In my life there's been heartache and pain I don't know if I can face it again Can't stop now, I've traveled so far, to change this lonely life Let's talk about love, I want to know what love is The love that you feel inside, I want you to show me And I'm feeling so much love, I want to feel what love is No, you just can't hide, I know you can show me I want to know what love is (let's talk about love), I know you can show me. (TRUE LOVE)

#### One Vision – 1985 spiritually very inspired

Queen

One man one goal one mission, (Messiah – Christ – LSA) One heart one soul just one solution, One flash of light yeah one god one vision.

One flesh one bone, One true religion, One voice one hope, Wowowowo gimme one vision.

No wrong no right, I'm gonna tell you there's no black and no white, No Blood no stain, All we need is one world wide vision. (DP - True Parents)

One flesh one bone, one true religion, (Divine Principle) One voice one hope, Wowowowo gimme one vision. I had a dream, When I was young, A dream of sweet illusion, A glimpse of <u>hope and unity</u>, <u>And visions of one sweet union</u>,

But a cold wind blows, (FallofMan) And a dark rain falls, (Fallen Spirits down to Earth) And in my heart it shows, Look what they've done to my dream. So give me your hands, Give me your hearts, I'm ready, There's only one direction, One world one nation, (KoH, Korea) Yeah one vision. (DP – Christ - True Parents) No hate no fight, Just excitation, All through the night It's a celebration wowowowo yeah.

One flesh one bone, one true religion, (True Love) One voice one hope, (Messiah – Christ –LSA) One real decision. Gimme one night, Gimme ione hope, One man one man, One bar one night, One day hey hey, Just gimme gimme One vision. (DP – Christ – True Parents)

#### A Kind Of Magic – 1986 spiritually inspired

It's a kind of magic, It's a kind of magic, A kind of magic, **One dream, one soul, one prize, (Messiah – Christ –LSA) One goal, one golden glance of what should be,** It's a kind of magic, **One shaft of light that shows the way, No mortal man can win this day,**  It's a mind of magic, The bell that rings inside your mind, It's challenging the doors of time, It's a kind of magic, The waiting seems eternity, yeah, **The day will dawn of sanity,** Is this a kind of magic, **There can be only one, (Messiah – Christ –LSA)** 

diccin 11

This reign that lasts a thousand years (Biblical) Will soon be gone, This flame that burns inside of me

I'm hearing secret harmonies It's a kind of magic, **The bell that rings inside your mind, Is challenging the doors of time,** It's a kind of magic, It's a kind of magic, **This reign that lasts a thousand years, Will soon be will soon be, Will soon be gone,**  This is a kind of magic, There can be only be one, This reign that lasts a thousand years, Will soon be gone, Magic - it's a kind of magic, It's a kind of magic, Magic, magic, magic, magic, It's magic, It's a kind of magic. It's a kind of magic.

### WHITNEY HOUSTON - My Love is Your Love 1998

If tomorrow is judgment day (Sing Mommy) And I'm standing on the front line And the Lord asks me what I did with my life I will say I spent it with you

If I wake up in World War III – Prophecied in DivinePrinciple physical or spiritual

I see destruction and poverty And I feel like I want to go home It's okay if you're coming with me

•••

As the years they pass us by We stay young through each other's eyes – **True Love** And no matter how old we get It's okay as long as I got you baby – **True Love** 

#### WHITNEY HOUSTON – My Love is Your Love

If I should die this very day Don't cry, 'cause on Earth we weren't meant to stay – Principle of Creation And no matter what the people say I'll be waiting for you after the judgment day

'Cause your love is my love And my love is your love It would take an eternity to break us **Disclaimer**: Next slide is UNOFFICIAL Interpretation of the time 1920-2113

Most members know the parallels of History, from Adam to Joseph, from Joseph to Jesus, and from Jesus to True Father. However, I have noticed a new parallel, proceeding at ten times the speed of previous parallels, which started with the birth of True Father. Be aware, I do not claim that this is a new revelation. I only report what I have clearly seen happening. If I have erred, it is on my head, and no one else's. In the chart below, I have omitted the line from Adam to Joseph in order to emphasize the parallel time periods of Judaism, Christianity, and Unificationism.

_	Suffering in Egypt	Judges	United Jewish Kingdom	Divided Kingdom	Babylonian Exile	Preparation
	400 years	400 years	120 years	400 years	210 years	400 years
_	Suffering in Rome	Patriarchs	United Xian Kingdom	Divided Kingdom	Papal Exile	Preparation
	10.0	100		10.0		100
	400 years	400 years	120 years	400 years	210 years	400 years
	Suffering in Korea	National Leaders	Chun II Guk	Divided Kingdom		
	10	40	1.	10 0		
	40 years	40 years	12 years	40 years?		

From 1920, the year of Father's Birth to 1960, the year of True Parent's Blessing, was the period of the heaviest persecution of both Father and his movement. Father nearly died three times.

From 1960 Father sent out missionaries all over the world. He told members to treat the National Leaders as if they were True Parents. Their position paralleled that of the Judges and the Patriarchs before them. If you had been around at that time, you would have seen clearly how revered National Leaders were.

In 2001 Father held a coronation ceremony, similar to the coronation ceremonies that began the United Jewish Kingdom and the United Christian Kingdoms. We built a temple: Chun Pyung. Chun II Guk actually means Heavenly KINGDOM.

After the ascension of Father the church was clearly divided, between Hyun Jin, who is clearly following the Cain path, and Hyung Jin who is following the Abel path. Both need to unite with Mother, but I don't know if that will occur. If it does, it could lay the groundwork for the parallels to end and the Kingdom of Heaven to actually begin. Failure will likely result in an eventual exile of some sort. How that exile will occur, I have no idea. All I am saying is this is following a clear pattern.
