Half human

Greek mythology
Centaur

Quote Sun Myung Moon:

With **the Fall** of the first human ancestors,
all humanity descended into a hell of hopelessness
from which their efforts alone would never free them.

Their five spiritual senses became paralyzed.

They fell into a state similar to that of a blind person.

Their eyes appear to be normal yet do not function at all.

Forced to live with just their five physical senses,
they were only half human. They could not see God.

They could not hear His voice or feel His touch.

So how could they experience His love as their own
Parent or understand His suffering heart?

/SMM 2004

Perfected Adam and Eve would have communicated directly with God using their **five spiritual senses** and, at the same time, they would have worked freely with the physical creation using their **five physical senses**.

They would have lived as **True Owners, True Parents,** and **True King and Queen** representing both the spirit world and the physical world.

Comment:

Slavery did not start with Africans being brought by force into S. And N. America.

It started way back in the beginning of human life with the Slavery under satan after the Fall of Man!

2 Bodies
in One !

Quote Mrs Eu

Our spirit self grows in three stages. Each stage of the growth of the spirit self has a name.

The names are **form spirit**, **life spirit** and **divine spirit**.

Here, divine spirit **means** luminescent spirit.

The name of each stage of growth of the spirit self has its own meaning.

Before we received the Holy Blessing. while we were still attending university, Father would come to our campus. Father told us then, "If you marry a man in this world, you will give birth to a child whose spiritual self is half human and half animal." He told us half human and half animal beings actually exist in the spirit world.

At the time, I didn't understand what he meant. I could only listened to his words with amazement.

Limitations of physical reality

It seems as though our five (Physical) senses limit us to focus only on one point in time at any given moment, and we string these to create an illusion of linear reality

without the limitations of my (physical) body, I took in all points of time and space as they pertained to me, **all at once**. (no time or space arrow)

SMM:

God could not touch the fallen lineage.
He cannot touch the fallen world...but

True Parents can deal with it directly.

God has been imprisoned, but by the appearance of
True Parents, a new dawn has come and as the sun rises,
to high noon, where there is no shadow.

We are approaching noon.

The Kingdom of God is like the world without shadows.
There is no night. In that world you can do
whatever you want. You don't need to study.
You can learn all you want in a week.

You can make countless goods and items as you think
of them. But the thought should not be self-centered,
but based upon the practice of love.
Imagine food to eat with your wife.

Medieval depiction of Spiritual World

The spirit grows through give and take action between two types of nourishment: *life elements* of a yang type - (Love) that come from God, and *vitality elements* of a yin type that come from the physical self.

The spirit grows through give and take action between two types of nourishment: *life elements* of a yang type - (Love) that come from God, and *vitality elements* of a yin type that come from the physical self.

The spirit self not only receives *vitality elements* from the physical self; it also returns an element to the physical self which we call the *living spirit element*.

When people receive grace from a heavenly spirit,
they undergo many positive changes in their physical
self; they feel infinite joy and new strength welling up in
them which can even drive away illness.

Such phenomena occur because the physical self
receives living spirit elements from the spirit self. /DP96

Reincarnation misunderstanding - explained as Returning Spirits!

And the LORD God said unto the serpent,
Because you have done this, you are cursed above
all cattle, and above every beast of the field;
upon your belly shall you go,
and dust shall you eat all the days of your life Gen. 3:14

Comment: “Dust” = evil vitality elements

“Evil inspiration” = evil Spirit elements

Church-curiosa about Spirit World – Sleep!

In the early days – 50-60-70-80s

When giving DP-lectures on the Fall of Man

People in the audience used to go to sleep for no reason...

else then hindering them to listen – to the Truth!

Bible about Spirit World – Sleep!

Abraham:

“but he did not cut the birds in two.

And when the birds of prey came down upon the carcasses, Abram drove them away.

As the sun was going down, a deep sleep fell on Abram;
and lo, a dread and great darkness fell upon him. - Gen. 15:9-13

Jesus:

And he came unto the disciples, and found them asleep,
and said unto Peter,

What, could you not watch with me one hour? - Math 26:40

Swedenborg

Mount of Transfiguration

The disciples could see Moses and Elijah talking with the Lord indicates they were in a more enlightened state.

Taking them up a mountain symbolizes that the Lord was leading them to a higher cognitive function.

Swedenborg

The Lord did not physically transform himself before His disciples. Rather he became a "light bulb" of new insight Flashing withing a deeper level of their minds.

By attaining this unity of mind and body, and establishing the absolute values of true love in relating with your reciprocal partners, you will participate in establishing the peace kingdom on the levels of the individual, family, nation and world.

The Fall

Forced to live with just their five physical senses,
they were only half human.

They **could not "see"** (experience 5 spir. senses) God. /SMM

Jesus said; "If anyone would come after me,
let him deny himself and take up his cross and follow me.

take up his cross = working on fallen nature – Vertical
Blessing = start...

deny himself = living for others - Horizontal
