## Background

- That numbers have a metaphysical existence is not new and was accepted by the Pythagoreans of ancient Greece, who said that numbers were the first principle of all things.
- In the Bible we see that God is the first principle of all numbers
- The Bible emphasizes 40 on many occasions,  
Jesus fasting in the desert, and 40 Day Resurrection  
Noah - 40 day flood  
Moses' 40-day fast  
A separation period from **satan**

## Background

- **The Future God** – by Brother Dagfinn Åslid 70s.

We do not drift through history with our backs to the future and our gaze returning ever and again to the origin, but we stride confidently towards the promised future.

It is not the primeval ancients who are near the truth and dwell nearer the gods, but it is to future generations that the promises are given in order that they may see the fulfilment.

## Background

This quote from **Moltmann's Theology of Hope** is a good illustration of the Unification attitude towards the future; one might say that the future, rather than being an object of speculation and foretelling, is "that toward which we confidently stride."

But neither can it be said that the past is totally ignored, for without it we should be unable to act as hosts for the future and such is our eschatological task.

True Father

Sun Myung Moon (from Speech DB)

Divine Principle addresses various spiritual and philosophical elements, seeking to provide a comprehensive understanding of God's creation and the universe's workings.

While I have not specifically discussed numerology as a standalone topic, the inclusion of numerical concepts in the Divine Principle serves to illustrate the underlying principles of order and harmony in God's creation.

In my teachings, I emphasized the importance of spiritual laws and the deeper meanings behind creation.

Numbers often represent specific spiritual concepts, indicating relationships, patterns, or divine truths.

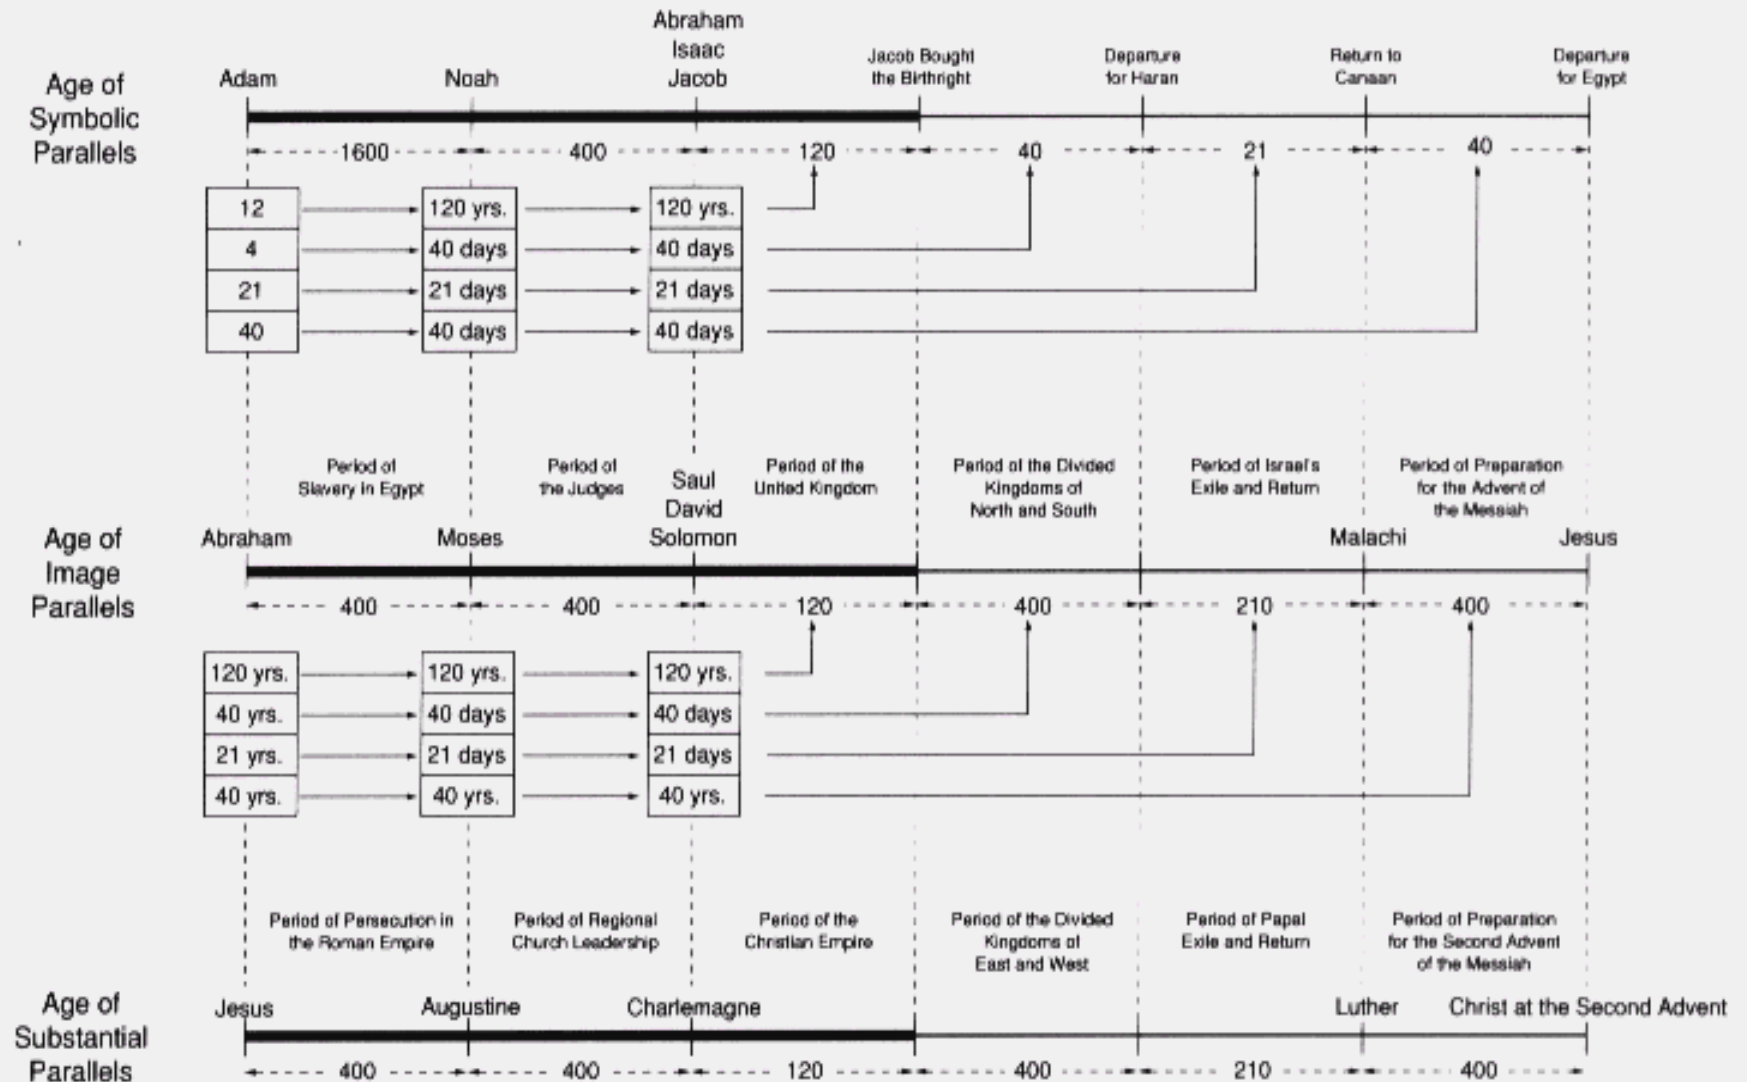

For example, the number three is associated with completion and perfection in many spiritual contexts.

As I stated in a speech on December 15, 1996, "Understanding the order of creation helps us to grasp how God works within our lives."

The use of numerical symbolism in Divine Principle serves to deepen our comprehension of spiritual reality and our relationship with God.

### The Trinity

Originally, God's purpose for creating Adam and Eve was to form a trinity by raising them to be the True Parents of humankind united in harmonious oneness as husband and wife centered on God in a **Four position foundation**

## Divine Principle

### ***The Three Ordered Stages of the Growing Period***

It is like what is needed for something to stand firm:  
it must be supported by at least three points.

Accordingly, everything reaches perfection by passing  
through three ordered stages of growth:  
the *formation stage*,  
the *growth stage* and  
the *completion stage*.

You must restore the three archangels and the eight family members who stood before Adam.

By establishing three central children, that is, three spiritual children, when they marry this makes a total of eight family members.

You must go before Heaven, bringing these three archangels. That is why I first designated three sons and three daughters, the first three of the 36 Couples, and betrothed them before holding my own Holy Wedding.

This was all done according to the Principle...

For where two or three are gathered together in my name, there am I in the midst of them.

You know, too, that the number four is very significant in the history of restoration because it represents the heavenly four positions, which have been lost and **must be restored**.

Therefore, throughout history the number four recurs again and again:

40 days of fasting,

40 years of wandering in the wilderness,

4,000 years from Adam to Jesus, and so on.

Swedenborg, in *Apocalyps Revealed*, explains number seven represents completeness  
an entire cycle from beginning to end.

**Musical Scale**

**Forms**

The seven-year course that started this very day in 1954 was the age for all the established churches and social organizations, and even the nation, to attack one person: Reverend Moon. Even the babies attacked me!

What kind of period was this seven-year course?  
I had to devote myself completely to the heavenly will as a very lonely individual.

Everybody was trying to capture me and kill me.

Wherever I traveled in the nation, north or south,

I walked this kind of path. When I held the Holy Wedding in 1960, I was being investigated by the court. Just as Jesus' 12 disciples deserted him, with Judas even betraying him, members leaving the Unification Church conspired with our opponents and appealed to the court to stop our church. I conducted the Blessing during this time of judicial investigation.

Nobody knows that fact.

# Three Seven-year Courses (1960-81)

## *Overview of the providence of the Lord of the Second Advent*

Everyone, no matter who, has to go this seven-year course.  
Proud and distinguished people or ugly and unfortunate  
people, **no matter who they are, have to go this course.**

Anyone of fallen descent has to go this course no matter  
who he or she is, or else they will never enter the  
Kingdom of Heaven.

It is not recorded in history, but even Jesus departed to do his mission during the seven years from when he was 27 to when he was 33.

From then to the time when he turned 40 would have been his second seven-year course, or if Jesus had started from his 20s, that would be his third seven-year course.

By doing this, Jesus was supposed to have prepared a worldwide foundation by the time he reached 40,  
but **he died because the nation did not support him.**

**Thus, that remains in the Bible as the seven-year great misfortune.**

From BBC reporter *Cynthia Long* 2010

2010 and the rescue “saving” of the 33 chilean miners!

*Unfoldment of the new humanity,  
as we head for 2012 and beyond*

*The 33 Chilean miners trapped under thousands of  
pounds of rock seem to be very calm and quite  
organized even though the predicted rescue date for  
them is Dec 2010, four months from now!*

## *Unfoldment of the new humanity, as we head for 2012 and beyond*

*It has been stated, roles were handed to these 33 men, which could be a positive aspect, to keep them sane.*

*A priest, doctor, television presenter, foreman and poet to name a few.*

*The priest, Mario Gomez, 62, is the eldest of the group. He created a small chapel in a corner of the cave they occupy.*

## *Unfoldment of the new humanity, as we head for 2012 and beyond*

*The dark cave is very symbolic.  
(Does this represent humanity— still in the dark?)*

*33 is a mystical and ancient symbol incorporated by 33  
major religions. We will see in the coming months what  
unfolds with the 33 men, how this experience changed  
their lives, lives of others and the symbols appearing  
before them and the world.*

*In science...A normal human spine has 33 vertebrae when counted individually.*

*The temperature water boils, is 33F.*

*I also found it fascinating, the United Nations symbol has 33 segments.*
