Introduction Time

What time is it?

Timebase: Days, Year, Decade, Century, Millenia
Earths rotation around its axis and around our Sun
Suns movement against the stars.

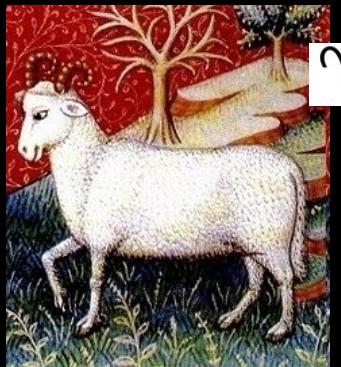

Introduction Time

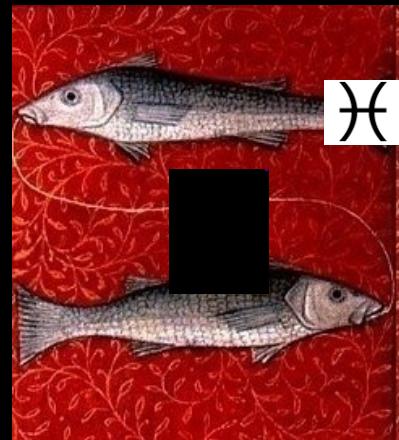

The Earth in its orbit around the Sun causes the Sun to appear on the celestial sphere moving over the ecliptic (red), which is tilted with respect to the equator (blue-white).

There is NO AUTOMATIC Past Present or Future
in Spiritual World.

Only Providence fulfilled or failed=prolonged on Earth
What you bind/release on Earth...reflects in Spir. Wrld.

**Eternity does not start when we die,
but at the moment we come to know God's will.**
(Ex. Jesus in the temple, synagogue)
TF 1935 TM 1956,1960

Here, if for even an instant there is a leap in
the relationship of time or an abyss created,
eternity will be interrupted.

Therefore, while walking the path of faith in the course of your lives, do not procrastinate (delay) by deferring your providential responsibilities from this year to the next, and then to the year after that, or from your youth to your midlife and finally into your old age.

We cannot live like that.

People with such a lifestyle will die without having ever spent even one day of being one with the Will over the course of their lifetime.

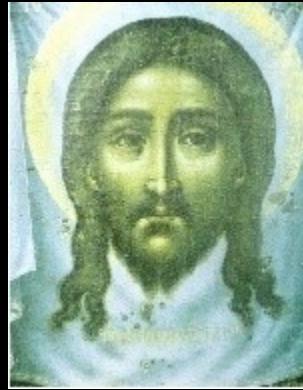

They cannot go to the Kingdom of Heaven.

in things repeating themselves,
on a higher scale, still strikingly similar.
- Reason is Gods Providence
to make man Lord over Creation
- Man must fulfill his/her respons-ability!

Indemnity is needed:

1. To Give Inviolability and Perfection to the Principle.

God is perfect, therefore His Principle should also be perfect.

God created the Principle first, in the beginning.

According to the Principle of Creation, God is to control perfected man through His love.

God cannot control an immature or unperfected being.

Indemnity is needed:

2. To make God Alone the Creator

God controls or intervenes only in things which are created by Him.

Indemnity is needed:

3. To Give Man the Qualification to be the
Lord of all Creation

can be seen as Vertical time displaying **horizontally**.
Dependant on Gods + Mans successful joint effort.

... if the first man he returns to, fails to complete the indemnity condition within the given period and dies, he returns to another man and helps him.

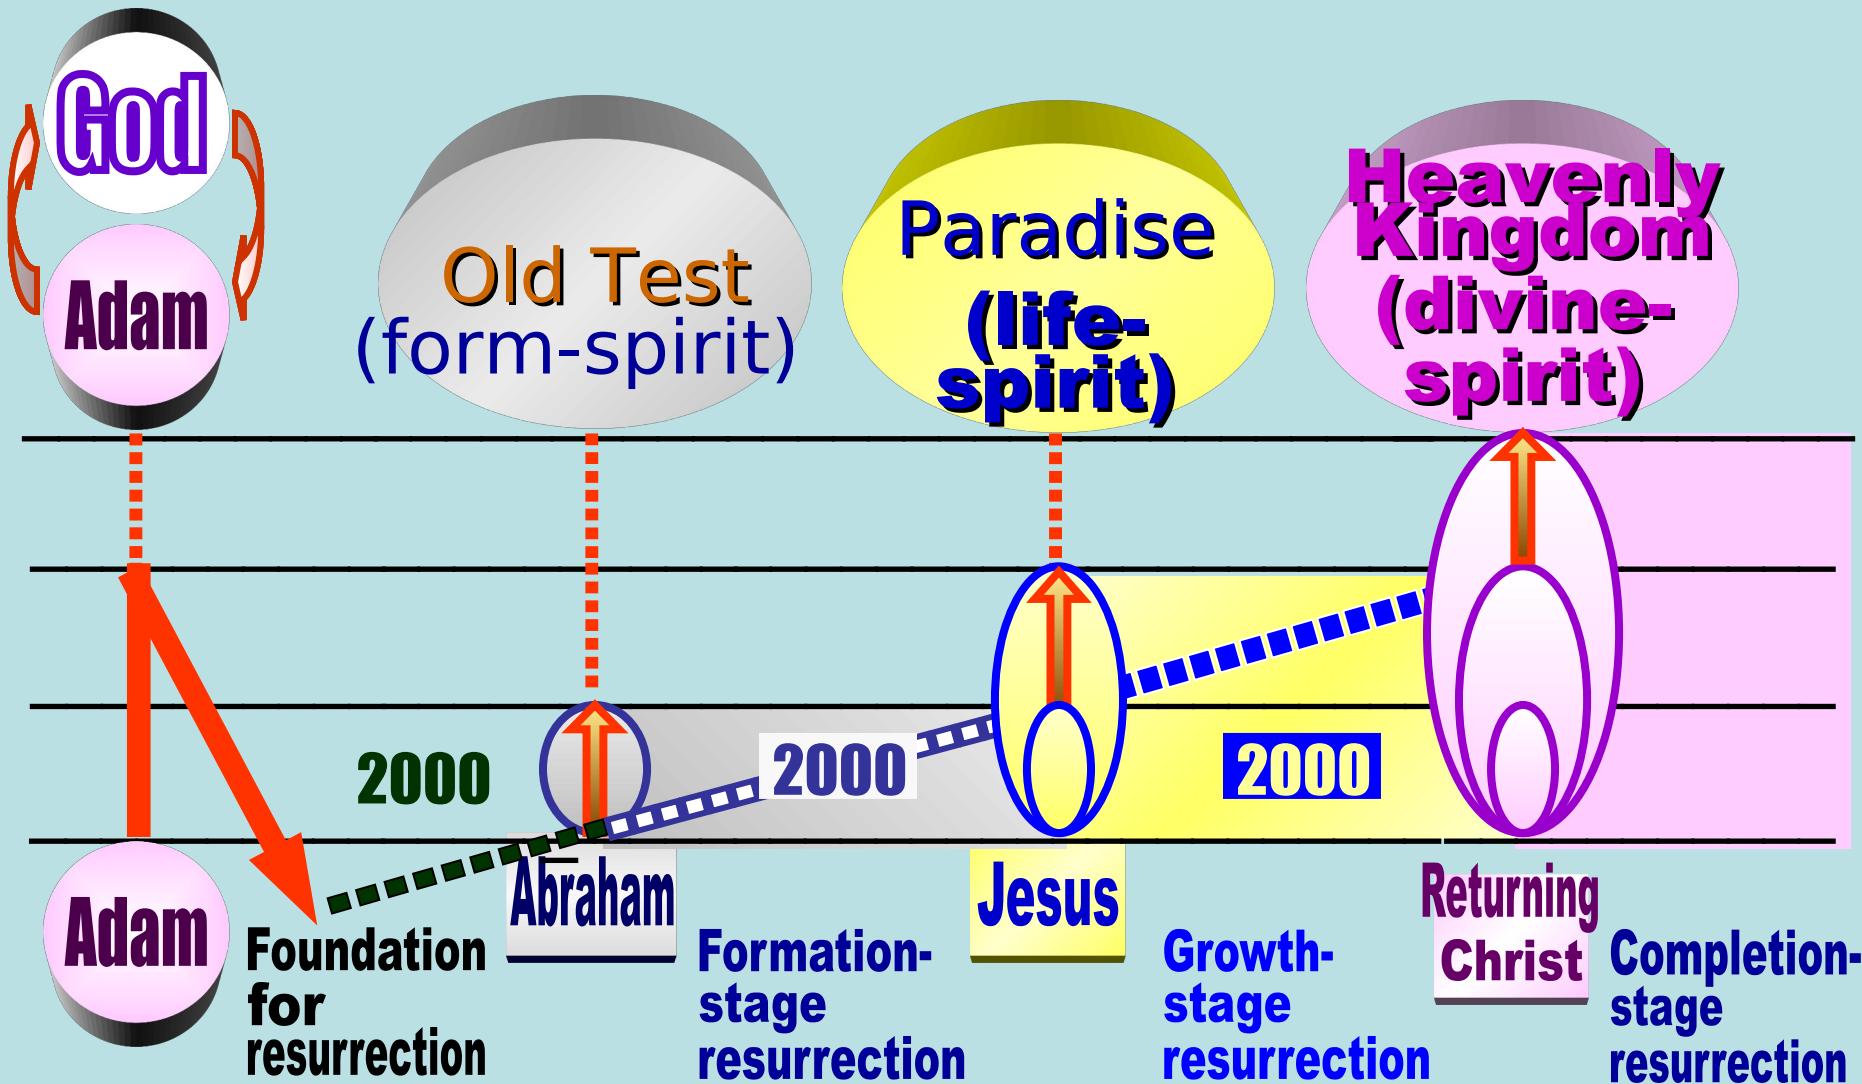

Indemnity is necessary.

According to the Principle, indemnity is not completed in a short time.

For this reason, if the second man does not fulfill the indemnity, a third man is chosen for a returning resurrection.

The Providence of Resurrection for People on Earth

Upon their death, the believers of **this era** will enter and abide in the **Kingdom of Heaven** in heaven, which is **the divine-spirit level** of the spirit world (p. 140).

We call this process returning resurrection (p. 145).

Returning Ressurection will take time:

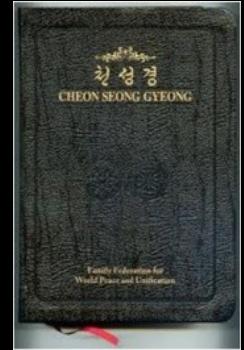

Education of Spirits needed. –

Unification of 3 Generations on Earth is needed!

Compare how it took time for Saul to be a convinced St Paul.
All the Christians martyrs before Christianity was firmly established.

The Gospel confirming prophecies on Jesus as Messiah,
written Ca. 70 years after the crucifixion.

Why was that knowledge NOT readily available when Jesus walked the earth and would have needed it to be accepted...

2006

We must complete our mission to three separate ages.

We should liberate the spirits in the spirit world,
liberate the people living in the sinful world today,
and liberate the future generations from here as well.

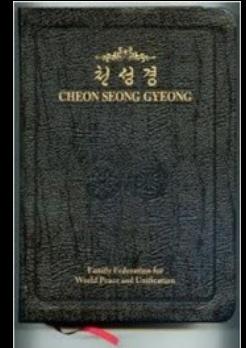

The realm of liberation for three generations comes forth in this way.

This is an immense and remarkable process.

What will happen if such dream-like things come to pass?

Your eyes will open wide, your mouth will open in awe, your ears will prick up; but you will then have to bow your head.

/SMM 1970.1.11

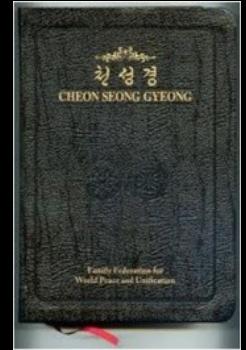

2006

The family is the smallest unit that connects the past, present and future.

It is a microcosm of the world.

As the grandfather, father and son coexist in the family, they connect the past, present and future.

When the son has sons and daughters, he rises to the position of the father, and his father rises to the position of the grandfather.

2006

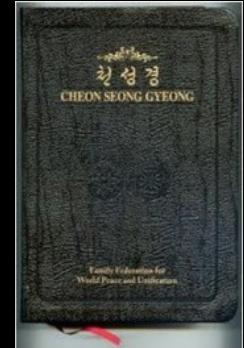

From the grandfather to the father to the son, these three generations are to unite into one.

The links of the past, present and future should unite them.

No matter how much the world pitches and rolls, society will not adversely impact that sort of family.

It will maintain a basis for happiness.

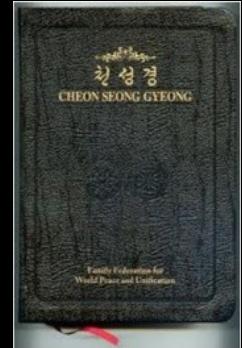

(SMM 1970.01.11)

2006

It is people's original nature and tendency to seek the greatest love, so it is inevitable that we return to our family. The grandfather and grandmother are envoys of Heaven, and the father and mother, as the center of the family, represent the king and queen of the world.

The grandfather and grandmother are the father and mother of the past, your own father and mother are the father and mother of the present, and you and your spouse are the father and mother of the future.

2006

When these three generations join as one, the past ages of the spirit world are connected to the historic realm of love on earth, going beyond the present family, and align with heavenly law in the future.

Then all people of the world will be able to unite.

The family is the core unit of harmony;
ultimately all humanity must bind together as one ideal family.

Returning Ressurection will take time:

Today: These days in this heavenly kingdom of spirit world flowers are in full bloom with the spring of blessing.

When there are blessing events on earth, we in spirit world, are talking with each other about our euphoria (happiness), intoxicated with more ecstasy and beauty than earth, and blooming of flower of the mind.

Returning Ressurection will take time:

Rev. Hyo Won Eu (the first president of HSA-UWC in Korea)
gives DP lecture restlessly, Heung Jin Nim and Great Mother Hong pray again and again for True Parents health with incredible sincerity.

Everyday our life consists of prayer, singing our hymn's, and service. Our life is such a beautiful heavenly kingdom life.

Time = Past + Future is always present in "the NOW" on Earth

"Time" does not exist in Spiritual World
only what is bound/unbound on Earth is reflected.
