CHEON IL GUK CONSTITUTION

You need to receive spiritual education on all levels, starting from Kindergarten to Elementary, Middle and High school, University and Graduate School levels.

You should **receive the highest level of education from the spirit world itself,** and become leaders who can guide the spiritual world in God's place.

*/HDH AUGUST 14 2009*

Reverend Moon proclaimed  
*Cheonju Pyeonghwa Tongil Guk*  
(the Nation of Cosmic Peace and Unity),  
abbreviated as ***Cheon il Guk***, on November 15, 2001.

*Cheon Il Guk* was the Unification equivalent of the  
Kingdom of Heaven and culminated Rev. Moon's ministry.

Previously, he had announced a fundamental shift in  
the order of salvation from the individual to the family.

*Cheon Il Guk* advanced beyond the family to the  
creation of a heavenly nation.

Although its exact contours were not precisely defined,  
*Cheon Il Guk's* core orientation, character and scope were  
clear.

**It would have God at its center.**

It would have nothing to do with the human fall or sin.  
And it would encompass all of humanity.

/ The Beginnings of *Cheon Il Guk*  
by Michael L. Mickler  
*Journal of Unification Studies* 2012

*Early Start –  
Principle Lecture 1954*

In the beginning God created the heavens and the earth. The earth was without form and void, and darkness was upon the face of the deep; and the Spirit of God was moving over the face of the waters. **And God said**, "Let there be light"; and there was light. (Gen. 1:1~3)

Then the LORD God formed man of dust from the ground, and breathed into his nostrils the breath of life; and man became a living being. And the LORD God planted a garden in Eden, in the east; and there he put the man whom he had formed. (Gen. 2: 7~8)

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God; all things were made through him, and without him was not anything made that was made. In him was life, and the life was the light of men. The light shines in the darkness, and the darkness has not overcome it. (John 1:1~5)

God = the Word ⇒ Created the heavens and the earth  
with the Word

Fall = Life was lost

Restoration = Life must be recovered

Messiah = One who brings Life on God's behalf

Comment: *The New World is recreated Holy with  
the New Life of God! = the Blessing*

- Pay attention in Hoondokhae sessions.  
Therein lies your way to blessings and the golden path.
- You must remember the contents of Hoondokhae every day without fail.
- If the universe had grown through power alone, then it couldn't have grown if the origin of that power was cut off.
- Where is the eternal power?
- Where is the eternal ideology?

(February 28, 2010)

Even when I am not here, when you carry out Hoondokhae and become someone who can discover yourself in it, and hold on to it and not be able to live without it, then you can become my representative and my heir. Everything has been made ready, and not one thing is lacking. (February 28, 2010)

Even when I have passed away, when you make my words ring out here, then I will appear and the entire spirit world will cooperate with you.

(February 28, 2010)

On February 28 2010, Father suddenly called for a 120 workshop in Korea. No one understood the urgency of the time. This year marks the 60th anniversary of the Korean War.

During this 120 Day workshop, one Korean naval ship, *Cheonan* was attacked and sank near the disputed maritime border with North Korea, killing 46 sailors onboard.

Suddenly, the Korean peninsula is caught in the tension of possible war.

According to Father, the 120 Day Workshop was initiated in order to set the condition to avoid another war from breaking out in the Korean peninsula.

Also, during this period, Father initiated the Legacy of Peace. It is a ceremony of ascension and blessing for current leaders and sacrificial individuals who passed away recently.

The July 8 2010 event was held outside of Cheon Jung Peace Palace.  
13,000 people attended

## Daily Home Life of a Citizen of 천일국

Since the “Kingdom of Heaven” begins in the family, the best example of the spirituality of 천일국 would have to be the family, and of course that means the True Family.

# Daily Home Life of a Citizen of 천일국

Since the “Kingdom of Heaven” begins in the family, the best example of the spirituality of 천일국 would have to be the family, and of course that means the True Family.

Few people have the opportunity to actually “live” with True Parents or their family, however, and so we must go an indirect route.

# Daily Home Life of a Citizen of 천일국

Since the “Kingdom of Heaven” begins in the family, the best example of the spirituality of 천일국 would have to be the family, and of course that means the True Family.

Few people have the opportunity to actually “live” with True Parents or their family, however, and so we must go an indirect route.

True Father has told us that we must study him, study his life, and everything about him. In this way we can learn something of what the family life of the True Family is like.

# Daily Home Life of a Citizen of 천일국

Furthermore, True Father has often instructed us about how to live our daily lives.

True Father always takes a “Principled” perspective, and this is what we must be most concerned about.

- *Daily HonDok Hae - Reading*
- *Develop Character – Home Group*
- *Witness – Home Area*

- “ A man who has attained mastery of an art reveals it in his every action.”  
(Samurai maxim)*
- “ Knowing others is wisdom, knowing yourself is Enlightenment.” (Lao-tzu)*
- “ When you seek it, you cannot find it.” (Zen riddle)*
- “ The mind should be nowhere in particular.” (Takuan)*
- “ Flow with whatever may happen and let your mind be free: Stay centered by accepting whatever you are doing. This is the ultimate.” (Chuang-tzu)*
- “ Control your emotion or it will control you.” (Chinese wisdom)*
- “ The angry man will defeat himself in battle as well as in life.” (Samurai maxim)*
- “ The mind of a perfect man is like a mirror. It grasps nothing. It expects nothing. It reflects but does not hold. Therefore, the perfect man can act without effort.”  
(Chuang-tzu)*

**“To win one hundred victories in one hundred battles is not the highest skill.**

**To subdue the enemy without fighting is the highest skill.” (Sun-tzu)**

**“To enjoy a cup of tea, first look at the tea and appreciate it visually, then smell the tea and appreciate it aromatically, and then taste the tea and appreciate it “taste-fully”. (Hyung Jin Moon, Palace, 2007)**

**“Where is true religion? In chopping wood and carrying water.”  
(Zen saying)**

**What do all these “saying” have in common?**

They all address the real stuff of life, the practical everyday realities of living, the mundane actions which we perform every day of our lives. Cooking dinner, drinking tea, speaking with a friend, buttoning a coat, driving a car, writing a paper.

The radiance of one's spirituality shines forth in the smallest action; in the simple things in life.

You pray for one hour so that you can offer a sincere smile lasting 5 seconds.

Proper conduct and daily life must become habit, and then it must become tradition.

We must “own” the Principle; it must come 100% from “inside myself”.

Rev. Kwak: “I feel that simple rules are the best and that in some cases we must invoke God’s wisdom [our prayer and intuition and feeling of what is right and proper or “Principled”] to adapt any tradition to external circumstances.” (The Tradition Book One, x)

“As Father himself has often said, the most important condition for the fulfillment of any tradition is the heart with which one acts, not the external form of the ritual itself.” (p x)

**[Ritual and “daily home life” are very closely connected, and will overlap, but we will consider “ritual” more specifically in a later session]**

**“Ours is a movement of heart, and one’s restoration through Principle is not predicated upon the strict external observance of ceremony. The relationship between tradition, restoration [and ritual] and kingdom-building...is of vital importance, and will be discussed in a later volume.” [?] (p x)**

**“Guidelines” (p x) “Proper attitude of attendance and heart” (p x)**

**In the Way for Young People (GR&LS, vol 7) True Father goes into some practical detail about very basic things concerning home life.**

## **True Father The Way for Young People**

### **Relationships with Things**

#### **1) The Relationship towards Things in our Daily Life**

**“How do we distinguish among the relationships we have in our daily lives? First, we have relationships towards things; second, we have relationships toward other human beings; third, we have relationships toward words. In other words, we use our relationships toward things and words in our relationships with other people. Words exist for indirect purposes, mainly for the 3d purpose.” (154)**

## **True Father The Way for Young People**

### **Relationships with Things**

#### **2) The True Owner of All Things**

“If you want to become the true owner of things, you should take care of all things on behalf of God and love them.” (154)

“Those people who don’t take good care of the things which belong to them cannot last. You should love what you own. You have to think everything you own is precious, from even a sheet of paper to all the properties of your house.” (155)

“No matter how small a thing may be, if I pick it up, it comes to have value as my object. That way it is precious.”

### 3) Basic Posture in Relationship to Things

“What should I do to stand as subject as if God were subject toward things? In the relationship with people as well, how should we relate to them together with God, not just as ourselves?”

“We should not deviate from the Principle law of politeness or courtesy in our relationship with things. We should not deviate from the laws of courtesy in our human relationships either.” (156)

“How should you deal with things? You have to do that publicly by all means. If a thing has a value of ten, then you should not regard the thing as such; you should increase the value. In other words, when God is involved in the relationship with the things you love, the value of the things will come to have limitless value.” (156)

#### **4) True Father's State of Mind in Loving All Things (158)**

**“You must know that you should deal with all things thinking that they are the objects that should receive the love of God. Material things should receive the love of True Parents and True Children.”**

**“The cars you drive are similar to the clothes you wear.” [keep clean and in good working order, etc.]**

#### 4) True Father's State of Mind in Loving All Things (158)

True Father's thoughts on eating (just) an apple. (159)

“ If you love them, your cars will not break down or malfunction. If you love your cars and unite with them, then no matter how fast you drive, you can avoid an accident.” (159)

[take care of something, keeping it clean and in good working order, and use it with this attitude, and the universe—natural law—will protect you]

*Stephen Covey (7 Habits): “Sharpen the Saw”: keep yourself and your things in good condition [it is the same principle]*

- “ If you deal with things with such a heart, you will come to have a truly loving feeling for those things...you will feel three-dimensional value rather than just seeing them yourself.”
- “ When you deal with things, you should not deal with them without thinking or feeling. You have to think about whether that thing becomes a plus or a minus for you; in other words, whether it brings good fortune or a bad fortune for you...when you deal with a thing in the position of the value of ten, then you have to think whether that thing will have the value of eleven or value of nine. If it brings a minus, then you should avoid the position which will become minus for you.” (156-7)

[recall having a summer mind or a winter mind: what is my feeling when relating with something?]

- “ You will receive waves from them. You can come to deal with things seriously with a heart or mind like a tuning fork.” (157)

“If you don’t feel the waves, then disregard the evil mind by standing in a public position and make your heart round and smooth and deal with works or things. Then do work through your first impressions or the first feelings you had with the absolute feeling that this will become a price without failure. Do the work with that kind of feeling instead of doing things in a senseless, meaningless way....Then you will necessarily know whether something is good or bad.” (157)

“You have to examine in your life what percentage of your evaluations were true and correct. You should always be careful in knowing how much of a percent your first evaluation proved to be true. If you get accustomed to that kind of attitude in life, then you will know that your accuracy will increase from 5 or 6 out of 100.” On the other hand, if you do something that makes you feel [bad, your accuracy will diminish]. In this way, when you deal with the things surrounding you, you should do them not in a meaningless way, but always centering upon principles.” (157-8)

## **How to Gain Spiritual Help** (True Father's Speech, Nov 27, 1978)

- Our attitude is an environment that must be prepared in order to receive spiritual help.
- The spirit world wants to be part of everything we have and do. They want to be involved to such a great extent. So whatever we may look at, we must search for the nobility in it, and treat it as if it were owned directly by True Parents....Each object is waiting for your touch, hoping to feel the vibration of God through you.
- Consider all things holy. Why does a handkerchief owned by a holy man become so valuable? Because of the vibration of the holy man. So you, too, should give all things a holy value. When you touch something, feel that you are giving it glory.

## How to Gain Spiritual Help (True Father's Speech, Nov 27, 1978)

- If you live like this...wherever you walk no evil or darkness can remain. Only good spirits can touch you if you create such an atmosphere. If you place yourself in such a position, then spirit world will pour down upon you its abundant blessing and power.
- The spirit world is always around you, listening and attentive. Always be aware that it is within your reach. If you keep thinking this way, then you will be able to control your circumstances. Make yourself a tuning-fork, resonating and vibrating along God's frequency. Resonate with God's unselfishness.

Even if you have a cold, you must always keep a healthy expression.  
Women need healthy expressions.

**3. Church Life** (this is actually another topic, but several topics included here are relevant to our topic)

### **Life of Prayer**

Our life of prayer is not a part-time thing. It is our main job.

### **Experience**

Experience is important. Spiritual and mystical experiences are necessary. You should have such experiences as, when you pray, you see Father in visions and in dreams. Such phenomena should occur many times. They should not be short but long. You should experience such phenomena in which you go to spiritual world and paradise. These experiences are necessary. (182)

In order to experience such things, your thoughts must always be vertical. If you think vertically, you know immediately what is not right when you do something. You must make such distinctions. Those experiences are necessary.

**Spirit world and Reality (we have already looked at this)**

**What happens in the SW is manifested in the real world.**

**You must always experience those things in your life and in society.**

**If your life of faith is deepened, you can feel more widely the things around you.**

**Therefore, sometimes when God enters into a state of sorrow, without knowing, you will naturally feel the sorrow in your real life. Reality is a resonating being.**

## **4. Social Life**

**Time**

**We live in the realm of time. We must have a thorough concept of time. We must be punctual for work or school. We must be thorough with time.**

**[We will look more carefully at time in a later session]**

## **Respect and Communication**

You must be able to respect and communicate with those people you meet. You should be good at communication. You need that kind of conception. It is not good to think, “I must be respected by other people.”

Among people, the one who respects the other person first will move the other person.

## **Diplomacy and Development**

Diplomacy and development are necessary to be successful in life.

Diplomacy is the ability to make oneself adaptable to other people.

In order to do that, you need a good vocabulary and correct expressions.

## Occupation and Posture

You must not have bad attitudes. Your occupation is your second self.

You must know that everything is affected by your attitude: whether it is good or bad and how much you produce and achieve in one day. Therefore, you absolutely need a good attitude.

When you are engaged in an occupation, you must think that, if you have a bad attitude, it is impolite to your work and that you are making a debt. You should think that your occupation is holy, because it is your second self, expressing the extension of yourself.

## Talking and Behavior

You must be decent in all things; in talking and in your behavior. You must be exemplary. Why? By doing so, you can adapt to your environment.

I'm conveying these contents because we have to live through these processes and think of our lives and church life as precious.

The time has come to put everything in order.

By learning what I have instructed and taught you, you must make effort to achieve results. In the past, we consumed many things while achieving indemnity, but from now on, we will enter the age when your achievements can become your profit.

From the past until now, Satan often destroyed, but from now on, your ownership will expand. You must think of these things and make every effort with all your heart and sincerity.

From now on, even those who were not interested in the UC members will be interested in you. You will become the center of attention.

Therefore, you must become a model in everything, equipped with these heartistic contents. By doing so, you will receive true pride in front of God. (184)

No one can replace Father; there is only one 100% pure lineage.

(also JESUS, but he had lacked own children to continue that lineage)

No one can replace Father; there is only one 100% pure lineage.

We have to go beyond Pal Cheong Shik (the 8 stages) and fulfill filial piety and loyalty. Without doing this we can't receive respect and establish the victorious realm of God.

I don't know if I can face it again  
Can't stop now, I've traveled so far, to change this lonely life

Let's talk about love, I want to know what love is  
The love that you feel inside, I want you to show me  
And I'm feeling so much love, I want to feel what love is  
No, you just can't hide, I know you can show me  
I want to know what love is (let's talk about love),  
I know you can show me. (TRUE LOVE)

***One Vision – 1985***

One voice one hope,  
Wowowowo gimme one vision.***

*I had a dream,  
When I was young,  
A dream of sweet illusion,  
A glimpse of hope and unity,  
And visions of one sweet union,*

*But a cold wind blows, (Fall of Man)  
And a dark rain falls, (Fallen Spirits down to Earth)  
And in my heart it shows,  
Look what they've done to my dream.*

*So give me your hands,  
Give me your hearts,  
I'm ready,  
There's only one direction,  
One world one nation, (KoH, Korea)  
Yeah one vision. (DP – Christ - True Parents)*

*No hate no fight,  
Just excitement,  
All through the night  
It's a celebration wowowowo yeah.*

*One flesh one bone,  
one true religion, (True Love)  
One voice one hope, (Messiah – Christ – LSA)  
One real decision.*

*Gimme one night,  
Gimme ione hope,  
One man one man,  
One bar one night,  
One day hey hey,  
Just gimme gimme gimme  
One vision. (DP – Christ - True Parents)*

***A Kind Of Magic – 1986***  
***spiritually inspired***

*It's a kind of magic,  
It's a kind of magic,  
A kind of magic,*

***One dream, one soul, one prize, (Messiah – Christ –LSA)***  
***One goal, one golden glance of what should be,***  
*It's a kind of magic,*  
***One shaft of light that shows the way,***  
***No mortal man can win this day,***

*It's a mind of magic,  
The bell that rings inside your mind,  
It's challenging the doors of time,  
It's a kind of magic,  
The waiting seems eternity, yeah,  
**The day will dawn of sanity,**  
Is this a kind of magic,  
**There can be only one, (Messiah – Christ – LSA)***

***This reign that lasts a thousand years (Biblical)**  
**Will soon be gone,**  
**This flame that burns inside of me***

*I'm hearing secret harmonies*  
*It's a kind of magic,*  
***The bell that rings inside your mind,***  
***Is challenging the doors of time,***  
*It's a kind of magic,*  
*It's a kind of magic,*  
***This reign that lasts a thousand years,***  
***Will soon be will soon be,***  
***Will soon be gone,***

*This is a kind of magic,  
There can be only be one,  
This reign that lasts a thousand years,  
Will soon be gone,  
Magic - it's a kind of magic,  
It's a kind of magic,  
Magic, magic, magic, magic,  
It's magic,  
It's a kind of magic.  
It's a kind of magic.*

Prophecy

*In Order To Realize the World Of Peace*  
*Rev. Sun Myung Moon*  
*February 6, 2003*

*A prophecy*

*I would like to ask you to take deep interest in the prophecy that I am about to make.*

*Humankind is at a turning point.*

*This era is that long-awaited time in which the power of God will become manifest in our lives, even though He is invisible and has seemed almost powerless and nonexistent in the past.*

*In Order To Realize the World Of Peace*  
*Rev. Sun Myung Moon*  
*February 6, 2003*

*The time has come when the absolute power of God,  
who is the Lord of the holy order and laws which really  
do exist in all things and in the universe,  
will manifest in amazing  
ways and be experienced by people in their daily lives.*

*In this way, humankind will naturally experience the laws of the universe, and become true people through a clear change in character.*

*Through this, people will learn that the existing order of the universe and the relationships of humankind were not made to be centered on oneself or self-interest; rather, they were made to live for the sake of others altruistically.*

*Dr. Sun Myung Moon*

*July 24, 2010*

*6.13 by the Heavenly Calendar  
Manhattan Center, New York City*

*I have already proclaimed that*

*January 13, 2013 (Moon Cal.)  
= February 22, 2013 (Solar Calendar)  
will be “Foundation Day.”*

*That day will be the actual  
beginning of God’s Kingdom of Cheon Il Guk.*

*Therefore, it is time for all people to be humbly obedient to Heaven's decree. An unavoidable time is upon us today when we must invest ourselves completely with a life or death commitment for these remaining three years under the guidance of the True Parents who carry out the providence on earth as the substantial representatives of God, the King of Kings.*

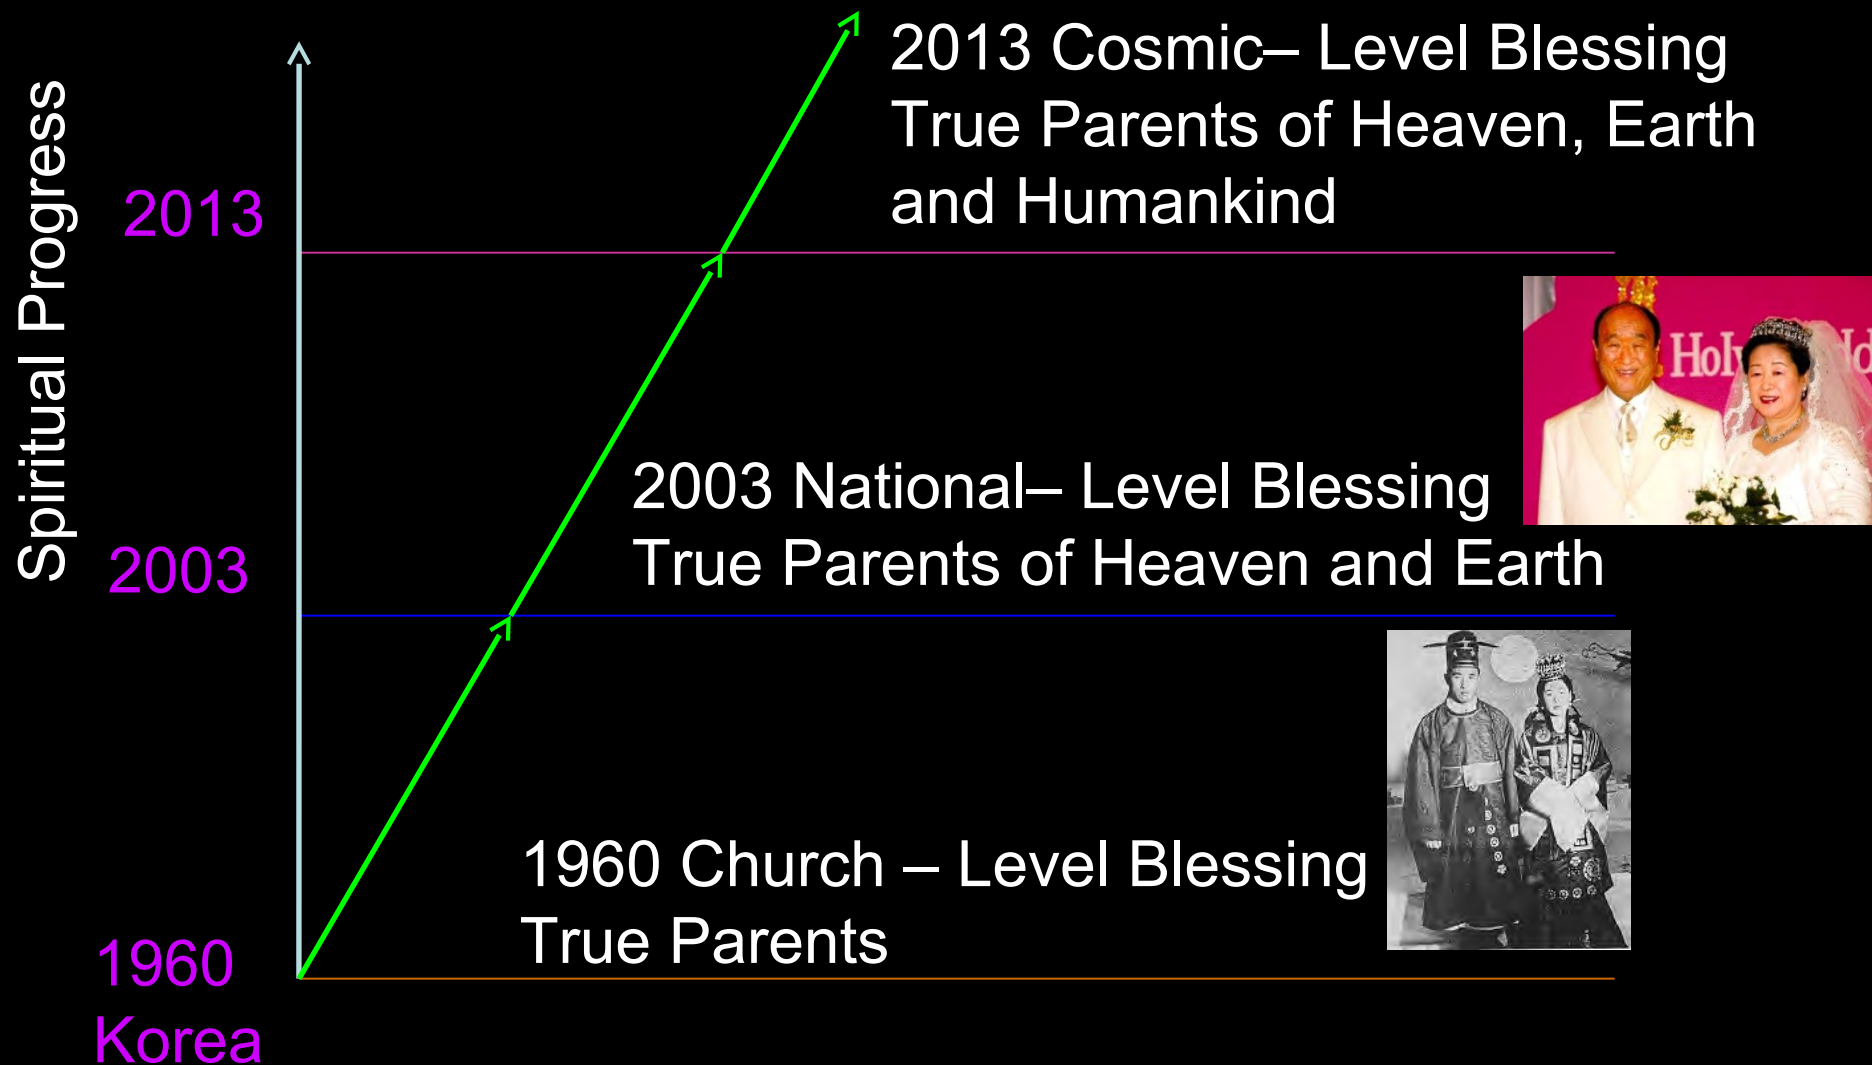

*All the good spirits in the spirit world are mobilized and are already moving forward, a step ahead of you.*

*Amen  
&  
Aju! (2006)*

# New Messianic

Time-windows: 2nd Advent - Success!

A vast field of blue and red flowers, likely lupines, stretching towards the horizon under a clear sky. The flowers are densely packed, with blue flowers being the dominant color and red flowers scattered throughout. The green foliage of the plants is visible between the flower spikes.

The beauty in Gods nature  
is there to inspire our own inner beauty !  
Have a great Blessed week.  
Prepared for 2nd gen inspiration by Bengt de Paulis.
