### "Second Minds" Two people in one

Mind is the internal nature and body is the external form.  
Mind and body are two correlative aspects of a human being;  
hence, the body may be understood as a second mind. /EDP

From Natural

- You should know that you are like two people in one.
- Your inner man is like a mirror, clean and bright.
- When the inner and external men are perfectly aligned you feel joy and power.  
This is happening every day within you.

Reincarnation untrue - but explained as Returning Spirits!

And the LORD God said unto the serpent,  
Because you have done this, you are cursed above  
all cattle, and above every beast of the field;  
upon your belly shall you go,  
and dust shall you eat all the days of your life Gen. 3:14

## Why is it important to know about the Laws of Spiritual World!

”The internal character is invisible to the physical senses and yet it is responsible for the behavior of the external reality that is observed, directly or indirectly, by humans.

The implication of this is that the invisible inner world of creation is causal and therefore more important than the world known to human senses.

Yet little is known about the internal, spiritual, dimension of reality.

This is due, in part, to the fact that it is a realm intangible to the five senses of the body and beyond the reach of scientific instruments; consequently its study has remained the province of religion, which is the object of considerable skepticism in the modern, scientific world.”

Since the body is needed to provide vitality elements for growth of the spirit, the growing process to spiritual maturity is to be carried out on earth.

Men and women who do not reach the completion stage on earth have to continue their efforts to grow as disembodied spirits.

This is unimaginably more difficult than growing while on earth, since on earth an individual has a body to give vitality elements to his spirit directly.

Once detached from his or her body, a person can  
gain the benefit of vitality elements only indirectly,  
by serving men and  
women still on earth.

## "Writing on the Wall"

Old Testament in the Book of Daniel. King Belshazzar holds a feast using vessels looted from the First Temple (Jewish), when a hand from nowhere writes on the wall. The prophet Daniel interprets the words as saying You have been weighed in the balance and found wanting.

Now the Spirit of the Lord departed from Saul,  
and an evil spirit from the Lord tormented him.

And Saul's servants said to him, "Behold now, an evil  
spirit from God is tormenting you.

Let our Lord now command your servants,  
who are before you, to seek out a man (David)  
who is skillful in playing the lyre: and when the  
evil spirit from God is upon you, he will play it,  
and you will be well."

/Bible 1 Samuel 16:14-16

<sup>13</sup> And forthwith Jesus gave them leave.  
And the unclean spirits went out,  
and entered into the swine:  
and the herd ran violently down a steep place into the sea,  
(they were about two thousand;)  
and were choked in the sea.

**Emanuel Swedenborg** (1688-1772) was a Swedish scientist.

At the age of fifty-six he started having visions.

He claimed that he could go into a trance and communicate with spirits & eventually set up the spiritualist church.

*When the human body is worn out, it dies.  
But when the heart stopped beating and lungs  
stopped heaving,  
his/her inner self  
continues immediately  
his/her life in another existence.*

*He/she is now a spirit and no one on this earth  
can with their bodily eyes see him/her.*

*He/she has, however, in her new existence left a body that on the dot corresponds to the body he/she had on earth but in other for us unimaginable substance on the nature of Swedenborg himself is uncertain.*

*He/she sees and hears and feels.*  
*He/she has the stomach, liver, kidneys,*  
*and even bladder*  
*and she hungers and thirsts.*

*If the dead shall become alive first on the Day of Judgment?  
Were, are they then after death, asks Swedenborg.*

*“Is Adam and Eve and all with them hovering in Space?*

*What could be more wailing, lamenting and more difficult  
than such a wait?*

*Can not their destiny be compared with prisoners,  
bound with chains and fetter?*

*If man had such a lot after death were it not better to be born a donkey than a Human?*

*Is not the body eaten by worms, rats and fish? ?*

*And could a skeleton, dried out by the sun or decay into dust be introduced in a new body?” (T § 693)*

Swedenborg's suggestion about a new life immediately after death is a classy counteroffer.

## Heaven and Hell

### Description of Spiritual World

- ALL men (Good/Bad)  
100% survives physical death
- We create our own destiny in spiritual world  
= Absolute Spiritual Laws are at work  
“You reap Good/**Bad** what you sow Good/**Bad**!”
- 3 levels of Spir. World    Heaven – Medium – **Hell**  
*...man takes with him all his memory and nothing can be hidden in the world so that it does not become manifest after death, and this in many people's presence”*

Emanuel  
Swedenborg  
1688 - 1772

Wilson van Dusen M.D.:

Present day psychosis always involves some degree of self pride (spiritual madness) but the hallucinated aspect looks most like what Swedenborg described under the general headings of obsessions (to be caught in false ideas) and

possession to have alien spirits acting into one's thought, feelings, or even into one's own bodily acts.

He indicates that normally there is a barrier between these spiritual entities and man's own consciousness.

He also makes quite clear that if this barrier of awareness were penetrated the man would be in grave danger for his mental health and even for his life.

In my dialogues with (mental) patients I learned of two orders of experience, borrowing from the voices themselves, called the higher and the lower order.

Lower order voices are as though one is dealing with drunken bums at a bar who like to tease and torment just for the fun of it.

They will suggest lewd acts and then scold the patient for considering them. They find a weak point of conscience and work on it interteasing him for three years over a ten-cent debt he had already paid.

The higher order is much more likely to be symbolic, religious, supportive, genuinely instructive, and communicate directly with the inner feelings of the patient.

I've learned to help the patient approach the higher order because of its great power to broaden the individual's values.

A discovery four years ago helped me to get a relatively rich and consistent picture of the patients' experience.

Though I noticed similarities with Swedenborg's description of the relationships of man to spirits it was only three years after all the major findings on hallucinations had been made that the striking similarity between what Twentieth-Century patients describe and Swedenborg's Eighteenth-Century accounts became apparent to me.

**Ann Lee**  
**1736 –1784**  
**leader of the United Society of Believers**  
**in Christ's Second Appearing, or Shakers.**

Convinced (Spirit World inspired)  
that sin had begun with Adam and Eve's sex  
act in the Garden of Eden,  
Ann Lee insisted that  
sexual relations were the root of all sin.

Men and women would achieve salvation  
only by overcoming this fleshly desire.

## Compare sexual interpretation with Sun Myung Moons Divine Principle:

Ann Lee

God created human beings with two components:  
the spirit self and the physical self.

The human Fall likewise took place in two dimensions:  
in the spiritual and in the physical.

The fall which took place through the sexual relationship  
between the angel and Eve was the Spiritual fall,  
while the premature teenage fall which occurred  
through the sexual relationship between Eve and Adam  
was the Physical fall.

1965-  
1972

Helen Schucman, Ph.D., was a clinical and research psychologist.

A Course in Miracles was "scribed" by Dr. Schucman between 1965 and 1972 through a process of inner dictation.

She experienced the process as one of a distinct and clear dictation from an inner voice, which earlier had identified itself to her as Jesus.

Time is under MY (Jesus) direction,  
but Timelessness belongs to God alone.  
In time, we exist for and with each other.  
In Timelessness, we coexist with God.

The Crucifixion did NOT establish the Atonement.  
The Resurrection did.  
This is a point which many very sincere Christians  
have misunderstood.

Sun Myung Moon:

All men and women alive on earth became Satan's  
live poisonous snakes

The male sexual organ is a poisonous snake that  
spurts poison at the female.

The day you lose your purity, your whole clan  
will be ruined.

That is why the snake was used as a metaphor.

Do you have a sexual organ or not?

An angry poisonous snake is waiting with open  
mouth, but would you put your hands in there?

Would you insert your love organ into it?

2006

If Jesus had married and shared his love with a woman who loved him more than he could ever love, would the devil be able to pull away the children they bore? God would protect them.

Christians will say all kinds of things and raise a big fuss.

What do you think would have happened if a pure Jesus, as a good man, welcomed a good woman and had a family that God could protect?

2006

If children of goodness had been born  
then, the world would already be unified within two millennia;  
it would have become one tribe.

That wouldn't even have taken seven centuries.

Death is nothing at all. It does not count. I have only slipped away into the next room. Nothing has happened. Everything remains exactly as it was. I am I, and you are you, and the old life that we lived so fondly together is untouched, unchanged. Whatever we were to each other, that we are still. Call me by the old familiar name. Speak of me in the easy way which you always used. Put no difference into your tone. Wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes that we enjoyed together. Play, smile, think of me, pray for me. Let my name be ever the household word that it always was. Let it be spoken without an effort, without the ghost of a shadow upon it. Life means all that it ever meant. It is the same as it ever was. There is absolute and unbroken continuity. What is this death but a negligible accident? Why should I be out of mind because I am out of sight? I am but waiting for you, for an interval, somewhere very near, just round the corner. All is well.

*All is well.*

THE BLUE ISLAND EXPERIENCES OF A NEW ARRIVAL  
BEYOND THE VEIL Communicated by W. T. STEAD

On April 10, 1912, William T. Stead boarded the S.S. Titanic bound from Southampton to New York, to take part in a peace congress at Carnegie Hall.

On the morning of April 15 the ship struck an iceberg and Stead, along with hundreds of others, drowned.

*A matter of a few minutes in time only,  
and here were hundreds of bodies floating  
in the water — dead — hundreds of souls  
carried through the air, alive; very much alive, some were.*

*Many, realizing their death had come, were enraged at their own powerlessness to save their valuables. They fought to save what they had on earth prized so much. The scene on the boat at the time of the striking was not so pleasant, but it was as nothing to the scene among the poor souls newly thrust out of their bodies, all unwillingly.*

*It was both heartbreaking and repellant. And thus we waited —waited until all were collected, until all were ready, and then we moved our scene to a different land.*

*We seemed to rise vertically into the air at terrific speed. As a whole we moved, as if we were on a very large platform, and this was hurled into the air with gigantic strength and speed, yet there was no feeling of insecurity.... We were quite steady.*

*I cannot tell how long our journey lasted, nor how far from the earth we were when we arrived, but it was a gloriously beautiful arrival. There, all was brightness and beauty.*

*We saw this land far off when we were approaching, and those of us who could understand realized that we were being taken to the place destined for all those people who pass over suddenly — on account of its general appeal.*

*It helps the nerve-racked newcomer to fall into line and regain mental balance very quickly.*

*We arrived feeling, in a sense, proud of ourselves. It was all lightness, brightness.*

p. 69 "the time of decission", as it is called in hierarchical circles, was in the time of fullmoon in June 1936 and full moon in june 1945.

The time of decision covered only 9 years ( a relatily short timeperiod); and resulted in the decision that Christ should return or become visible on Earth as soon as possible, and much earlier that planned.

The greatest power of God for healing the body and soul is available to all who believe in Jesus Christ. This is the message of the Bible and the foundation of the Christian faith. It is the power of God that can heal the most stubborn diseases and restore the most broken hearts.

William Branham, a man of God, has been called to bring this message to the people. He has been blessed with the power of God for healing, and he is now ready to share this power with you. The next time I came, they led me to the study room and gave me a book written by Dr. Young Oon Kim, introducing the Divine Principle revelation.

1

When I read the passage about the similarity of the time of Jesus' birth and the Second Coming, I started to joke about this "nonsense."  
In the next moment, I was stunned.  
I saw Jesus pass through the room, saying,  
"I am in this place!"  
Then he disappeared as he had entered.  
A wave of peace settled around me.

1

In the following days, I was so concerned not to make a mistake.

When I knelt down to pray to ask if this was really the truth, it was ringing from all sides, "Yes! Yes!" and God chastised me gently, "Why do you ask me again? This was my answer."

From that time on, I started to study the Divine Principle and Reverend Moon with a calm mind and the assurance that God and Jesus had led me there.

A powerful witness that there is great new hope on the horizon.

"On Easter I had a spiritual experience that I would like to share with you.

At one point, when I closed my eyes, I saw True Father in front of me.

He was so lively, and beaming with happiness.

He wore a light beige coloured suit, a white shirt and a light coloured tie.

**April 2013**

He was standing very relaxed, putting his weight more on one hip. Then I saw that True Father was holding hands with Jesus, who was standing to his right. True Father was so blissfully happy.

Jesus was dressed in a white cotton gown, with a red and blue stripe going down from the top to the bottom on each side of his neck.

This is the first Easter that True Father and Jesus are together in the spiritual world.
