IRFF is looking to recruit three support workers for Part Time Employment!!!

1. **A Web Editor** who can also serve as Assistant to Marshall de Souza in Fundraising and IT work www.irff-uk.org.

2. **A Publications Person** who can help with both Online and Brochure work and Multimedia Presentations.

3. **A Project Manager for Marketing** the Omukwano Gwamaama “Mother’s Love” Products in the UK

This Mother’s Love Project was started by IRFF Uganda in October 2017, and is run by mothers and young women, partnering the existing Girl-Child Project. They produce good quality jewellery, handbags and computer bags using local natural and environmentally friendly materials which are ideal to sell in the UK.

IRFF UK is planning to offer a stipend of around £9 per hour for up to 10 hours per week (which is negotiable) for each support work. We hope to secure funding for these positions which are really necessary to boldly develop the work of IRFF UK into becoming a more successful and effective charity!!
