Chapter 4 • Be Active as Tribal Messiahs

Section 3. The Reason for Giving the Tribal Messiah Responsibility

Who are the tribal messiahs? Tribal messiahs are the owners of true love. To become owners of true love was what Jesus, Adam and Eve, and God hoped for. Therefore, everyone must be owners of true love and go forward; then everything will be accomplished. Being tribal messiahs means to be the tribal ancestors. (185-98, 1989.1.3)

Book 16 • True Families and the Family Pledge

5.2.2. Let us pave a true love highway

God did not want to see the spirit world and physical world as they have been so far. They must be completely purged. It is not you yourselves, one by one, who are to save them. On behalf of Jesus, we must purge the families of the fallen lineage in this way and then realize God's Kingdom on earth and in heaven in the realms of the tribal messiahs, national messiahs and global messiahs. We must deeply experience Jesus' realm of heart and dissolve his anguish of dying on the cross and of not having been able to have a family. God also wants it. So you should resolve it. On that basis you should have your families.

Chapter 4 - What is a Tribal Messiah?

3. The Mission Of A Tribal Messiah

3) The Mission Of The Tribal Messiah

Because of Adam and Eve's mistake, Jesus had to come as a true parent, right? He had to indemnify the mistake of the first parent and also fulfill his own desire. Centering on the example of how the third parent has carried the cross of love, you then are to demonstrate to your relatives your ability to love even your enemy more than yourself. By doing that you can destroy any historical barriers in your path and go directly to God. The mission of the tribal messiah is to demolish and go over any tribal walls remaining which block the way to God. Centering on what? Centering on True Parents.

Rev 3:20

The Heart of God

We must liberate God. God is confined by love.

He may as well be in prison. He has not been set free.

Due to the Fall, the ideal world that the all-knowing and almighty God, the Creator of the universe, intended to establish based on love was snatched away by Satan.

Thus, God could not be liberated in heart.
