*Each person needs to witness. We must witness. Witnessing. Waking or sleeping, we witness. Without fail, we must put this into practice and succeed.*  
– True Mother 5.18.2023

### ~ This Week's Witnessing HDH ~

“You will receive inspiration about what to say to the guest you are witnessing to. You should love the guest more than your family. Father has prayed for seventeen straight hours in one day. Life or death prayer. It is a battle, a war. If you make absolute determination through prayer, then afterwards prayer is no longer needed.”  
- True Father 2001
