

Appreciating Thomas Baldwin of the Pittsburgh, Pennsylvania Family Church

Rev. Tom Baldwin has been pastor of the Pittsburgh Family Church for 20 years. His dedication and commitment to attending True Parents has consistently been shown through the sincerity of his Sunday sermons and keeping us all abreast and connected to Unification Church activities and conditions.

He has always had genuine concern for each person and each family's circumstances. An example of this occurred this past year when he attended all three graduations for my daughters. Two of the graduations required drives of 3 hours and 4.5 hours each way. He cited his coming as "celebrating family," that our church community is a family and we celebrate each other's victories and successes.

Thank you, Rev. Baldwin, for your devotion to True Parents and our Pittsburgh Family Church.
