Christopher David Walter Barnard, 66, of Lake Peekskill, New York, passed away on June 28, 2026.

Born in Westerham, England, on May 13, 1960, Christopher lived all over the world in his younger years before settling in New York. He never lost his roots, and he never lost his dry, sarcastic, unmistakably British sense of humor. He had a gift for the perfectly timed remark, delivered with a straight face, and those who knew him loved him for it.

At the center of his life was his wife, Anna. Married for thirty-three years, they began their life together in Briarcliff before settling in Lake Peekskill, where they made their home.

A craftsman by trade, Christopher spent decades as a woodworker at Hudson River Inlay, where his patience and precision turned raw material into something beautiful, and where he worked alongside friends who became like family.

Sport was a lifelong love. Growing up, Christopher played field hockey, rugby, and soccer, and he passed that love on to his son. He coached Timothy's soccer teams and made sure Tim grew up playing nearly everything, from soccer, basketball, tennis, golf, baseball, and skiing to the occasional round of paintball, traveling across the country to be there for all of it. In later years, father and son found their game in golf, which they shared right to the end.

Before his years in woodworking, Christopher worked as a mechanic in Jamaica, Queens, and cars remained a lifelong love. He spent many happy hours restoring older BMWs, often with the Eagles, Phil Collins, or Genesis playing while he worked. He loved the ocean and never missed a chance to swim.

Christopher was devoted to his dogs, above all Milo, his companion of eight years, who passed away this past September. The two spent hours together at the dog park every day and were rarely apart. The family takes comfort in the thought that they are together again.

Christopher is survived by his loving wife, Anna Bertha Barnard; his son, Timothy John Barnard; and his daughter-in-law, Maria Gisela Longhitano.

Visitation will be held on Tuesday, July 7, 2026, from 4:00 pm to 8:00 pm at the Joseph F. Nardone Funeral Home, Peekskill, New York.

A Mass of Christian Burial will be celebrated on Wednesday, July 8, 2026, at 10:00 am at St. Elizabeth Ann Seton Church, Shrub Oak, New York. Cremation will follow privately.

Instead of flowers, the family asks that those who wish to honor Christopher consider a contribution to the [Memorial Fund](#) established in his name, or a donation to the [North Shore Animal League](#), the shelter from which all of the family's beloved dogs were adopted, in memory of Christopher and Milo.

A memorial service will also be held on July 10 at 7:30pm at Belvedere Family Church.

Chris was born in Westerham, England, and built his life in Lake Peekskill, New York. He spent decades as a woodworker at Hudson River Inlay, restored old BMWs in his driveway, and never missed a chance to swim in the ocean. Anyone who knew him knew his dry British humor and his devotion to his family.

For the past six months, Chris fought hard in the hospital. And for every single one of those days, Anna was at his side. She never missed a day. That is who they were to each other for 33 years, and that is who she was for him until the very end. They should have had many more years together. At 66, Chris was taken far too soon.

Now, as our family navigates the loss of Chris, we are asking for help with the medical bills from his months of hospitalization and the costs of his funeral services. We want Anna to be able to grieve and heal without that weight on her shoulders.

So we are reaching out to everyone whose life Chris touched. His friends from Hudson River Inlay, the families he coached, the neighbors in Lake Peekskill, and everyone in between. If Chris ever made you laugh, built you something, or showed up for you the way he always did, we would be grateful to have you stand with Anna now, the way she stood by him.

Any contribution, no matter the size, is deeply appreciated. And if giving is not possible right now, sharing this page or simply keeping Anna in your thoughts means just as much.

For those who would like to honor Chris another way, donations can also be made to the North Shore Animal League, the shelter where Chris and Anna adopted all of their beloved dogs, in memory of Chris and his best buddy Milo.

This fundraiser is organized by Tim, Chris's son, with all funds going directly to Anna.

Thank you for the love, the stories, and the support. It means more than we can say.

In Memory of Christopher Barnard

Christopher Barnard of Lake Peekskill, New York passed away on June 28, 2026, at the age of 66. He was a devoted husband to Anna for 33 years, a loving father, a woodworker, and a man with a dry British sense of humor that everyone who knew him will miss.

Chris loved his dogs more than just about anything. Every dog in our family was adopted from North Shore Animal League, and each one changed our lives. None more than Milo, his companion of eight years, who passed away this past September. Chris and Milo spent hours at the dog park together every single day. They were rarely apart, and we like to think they are together again now.

Making a donation here, in Chris's memory, helps more dogs like Milo find homes and families like ours. Nothing would have made him happier.

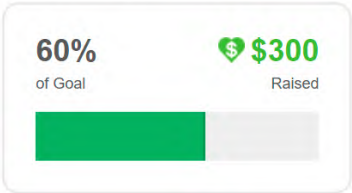

Thank you for honoring him this way.

With love,
The Barnard Family

North Shore Animal League America—the world's largest no-kill rescue and adoption organization—has saved the lives of over 1 million dogs, cats, puppies and kittens at risk of euthanasia. Through our many innovative programs, we reach across the country to rescue animals from overcrowded shelters, unwanted litters, puppy mills, natural disasters and other emergencies and find them permanent, loving homes. As a leader in the no-kill movement, we are dedicated to promoting shelter pet adoptions; encouraging spay/neuter programs; reducing animal cruelty; ending euthanasia; and advancing the highest standards in animal welfare. Please join us in saving the lives of innocent animals by donating to support our lifesaving mission.
