*Across cultures and continents, women are choosing reconciliation and peace.*

**Give Now to Support Women Building Peace**

This year, your generosity helped turn vision into action—building bridges of peace, honoring women of courage, and investing in communities around the world. Together, we are proving that when women lead with love, transformation follows.

### Bridge of Peace: Reconciliation in Action

**Conflicts rooted in faith, culture, and nationality continue to divide communities, repeating cycles of pain and resentment across generations.** The Bridge of Peace—one of WFWP's signature projects—was created to break this cycle. **Through the Bridge of Peace Ceremony, women come together beyond race, religion, and nationality to become true sisters and friends.** Today, this work is needed more than ever. With your support, the Bridge of Peace becomes love and forgiveness in action—helping heal past and present wounds and build renewed friendship and lasting peace.

## HerStory Awards: Honoring Women Who Lead Change

*Each story honored is a beacon of courage, resilience, and leadership.*

Through the HerStory Awards and the ongoing HerStory Podcast, WFWP continues to uplift women whose lives embody peace in action. These ceremonies honored extraordinary leaders who challenge norms, overcome barriers, and inspire others to rise.

One remarkable elected leader received the Global Women Peace Ambassador Award, reminding us what is possible when leadership is rooted in love. Collaboration amplified this impact—more than five events were co-hosted with past honorees and partner organizations, strengthening GWPN's growing network of peacebuilders.

Meanwhile, the HerStory Podcast amplified these voices nationwide, featuring twelve inspiring women whose leadership continues to shape their communities. Click [here](#) to listen:

*Together, small and large gifts created global change.*

In 2025, your generosity helped invest over \$57,000 in meaningful projects across the United States and around the world.

- **\$19,000 strengthened WFWP chapters across the U.S.**, supporting grassroots peace and women's leadership initiatives.
- **\$38,000 funded global programs**, including Schools of Africa, creating educational opportunities and pathways to hope for young people and families.

But the impact of your giving goes far beyond numbers—it reaches hearts, restores dignity, and builds futures
