

## WFWP USA: Seasons Greetings from WFWP USA

Dear,

Whether you are celebrating Christmas or simply enjoying this Holiday Season, all of us here at WFWP USA want to send a heartfelt "Seasons Greetings!" to you and your family.

We are wishing you a very happy and blessed holiday season with friends and family. And as we are coming upon the new year, we hope this coming year will be abundantly filled with joy and God's love.

Please take a moment today, if you feel moved, to say a special prayer for WFWP Founder Dr. Hak Ja Han. She is still facing severe

circumstances, detained without a conviction in South Korea. We are moved by her heart, conviction, and unending commitment to embrace others with a heart of a mother.

Thank you, as always, for all of your support!

Sincerely,

Katarina Connery and WFWP USA Team
